SHOWERPLUS, AQUADUO FILTER SHOWER

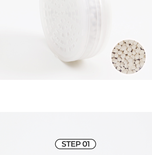
Choose a shower filter!
I recommend it to these people.

Anyone who's worried about the old water pipe?

If you're worried about your family's health with rust and chlorine

Those who are looking for a filter that has been verified by international certification.

For those who are worried about skin trouble, aging, and atopy



STEP 01

Chlorine Head filter

Filters out residual chlorine and heavy metals in tap water
You can use cleaner water.

※ chlorine, mixed only

Please check!

Acquired US NSF certification

NSF International
Certificate of Registration

Bio Cassette, Inc.
Kim Kyoung-Il
[illegible]

NSF

Jae Min
Director, Certification

We use domestically produced chlorine balls that have obtained NSF certification. Residual chlorine mitigation ability is maintained longer than Chlorine chlorine balls.
