ABOUT US

Ramson Packaging is a family run Packaging distributor and producer with more than 25 years' experience in the packaging industry.

We work with some of the best packaging manufacturers throughout the world, where we produce the finest packaging solutions for our customers.

Our production of bottles and jars is based in Slovenia and Poland, where we also provide a local service of mould making and decoration on our bottles.

We also have exclusive distributorship with some of the industries leading manufacturers of Airless dispensers, pumps, sprayers, bottles and jars.

Ramson's goal is to give our customers exceptional quality, unique and flexible packaging solutions, with the best service on the market.

In this catalogue you will find a selection of our product range, many of the products are stock items with MOQ of 1 carton.

Please visit our website for the full range of plastic packaging.
