

AUTUMN & WINTER 2014

AFFARI OF SWEDEN

“Mysa”

In Sweden we got a word that is called "mysa". It is about enjoying the still life, often during the dark time of the day together with family and friends at home. It is a feeling of warmth, light and caring.

At Affari of Sweden we have talked about what gives our lives and homes the feeling of "mys". It is to light a lovely scented candle, dry our hands on a soft towel, lean back on a cosy pillow and rest our eyes on a beautiful surrounding.

This has been the inspiration for our autumn/winter collection. We hope you will enjoy it and spread the feeling of "mys"!

Best regards
Affari
