ECONOMICAL

ECONOMICAL | Use tap water / bottled water, semi-permanent use

Ionpolis H2

Hydrogen Water Making Tumbler

Effect of Hydrogen Water Maker

- 90% of our human illness are caused by excessive free radicals in the body.
- If these active oxygen are not reduced in the body, they will cause inflammation in the body or accelerate aging.
- Therefore, it is recommended to eat antioxidant foods such as vitamin C to eliminate it.
- Ionpolis H2 helps to remove free radicals to generate hydrogen peroxide easily anywhere and anytime

Ionpolis Alkaline Water Ionizer

Alkaline Water Ionizer

- It is a device that produces alkaline ionized water of pH over 8.5 to 10.0 to electrolyze drinking water and it is a device that generates ionized hydrogen water of pH 9.5 and improves gastrointestinal symptoms
- (chronic diarrhea, indigestion, abnormal fermentation in the stomach) (pH) 9.5.
