## Business area

Drug Delivery Carrier  
Bioabsorbable Biomaterial  
Minimal Invasive Device

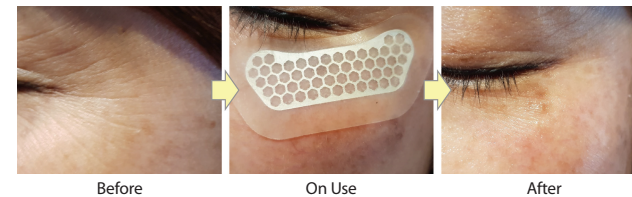

## Performance

Multiple intellectual properties  
Multiple govern-supported projects  
Cerification: ISO 22716  
R&D center registered  
Venture registered  
ISO/TC 150, 194, 84 Delegates  
"First Penguin" Company by Korea Credit Guarantee Fund

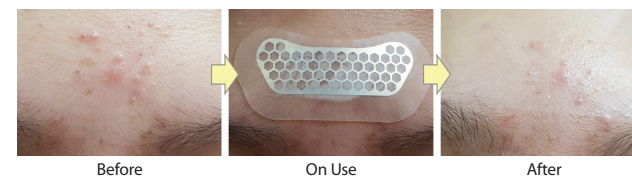

## Product Painless and effective patch

## Clinically proved for wrinkle and whitening improvement

## Clinically proved for skin trouble such as acne

## Portfolio

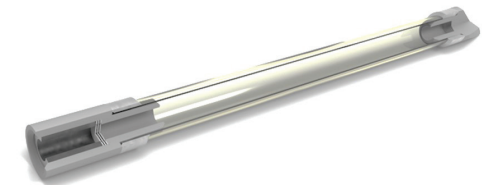

### Single-port Robotic Procedure Device

### Bioabsorbable Ligating Clip and Auto Applier

### Bioabsorbable Drug Delivery Capsule

### Bioabsorbable Biomaterial
