GREETING

First of all, I am very glad to introduce our company to you.

KYCHOTH Co., Ltd. is a professional micro-fiber lens cleaning cloth manufacturer and exporter.

Since business in 1992, we have enhanced the quality and the service through unceasing technical development and the various products on the basis of the fundamental trust and have earned the high reliability from many foreign buyers.

To provide high-quality lens cleaners to meet our customers' diverse requirements, our company has spurred our R&D activities.

Our company's factory is equipped with state of the art production facilities.

Notably, automatic weaving machine is an advanced computerized system made of German parts and components.

This machine produces high quality micro-fiber fabrics with good properties at nearly zero defective proportion.

Especially, Non-slip cloth is KYCLOTH's hit item. It is very easy to clean lens with good publicity.

Fully equipped with a decal cleaner system, our company can supply customers' logo and image printing services.

We are endeavoring to provide 1:1 service to meet customers' specified requirements.

In order to provide higher quality goods and services, our company will do our best.

If you are searching for a micro-fiber lens cleaner.

KYCLOTH Co., Ltd. will be your reliable partner.

Thank You.
