KOREAN GINSENG

## **‘Together 100 years of NongHyup’**

Established in 1961 as a general agricultural cooperative, Nonghyup has grown to become the representative cooperative in Korea together with Korea’s agricultural and farming areas.

## **The start of a new value system where farmers and consumers can join in the laughter, ‘NongHyup Agribusiness Group’**

NongHyup provides safe and excellent domestic agricultural products through systematic safety control of them from ‘Farm to Table’.

As the consumer demand for food safety is higher than ever, NongHyup, which only handles domestic agricultural products, has established a strict food safety monitoring system and provides reliable agricultural products to meet the public confidence.
