

# Excellent absorptive power! Everything of suction plate!

[Baby Angel tray / Wide bowl / Angel bowl (All are compatible)]

## 1 Non-slip

If you change the position of the suction plate up and down, it can be used for non-slip!

## 2 prevents condensation

The suction plate prevents condensation on the bowl so it is possible to finish meal cleanly!

## 3 Detachable Strong Suction Plate

It is strongly attached so that the child cannot remove it by force alone. You can easily separate it by simply lifting the handle!

**It is strongly attached**  
so that the child cannot remove it by force alone.

## Suction Wide bowl Review Image

# Angel cup

## A stable design

Thanks to the thick design, temperature-sensitive young children can use it safely.

## Snack Cap for Snacks

Thanks to the detachable snack cap, your child won't spill food when eating snacks.

## Angel's Wing-shaped handle

Thanks to the angel-shaped handle that's easy to grab, the child doesn't drop it.

## The large capacity of 170ml

We have increased the capacity from 150 ml to 170 ml to allow you put more food.

COLOR     

# It doesn't flow Everything of snack caps!

## 1 The detachable snack cap

The separated snack cap can be used as a regular cup and can be cleaned hygienically.

## 2 Prevention of spilling of contents in the cup

It helps to eat without spilling the contents of the cup.  
Ex) When the snack in the cup is taken out, it filters out cookie crumbs.

## 3 Soft silicone feel game

Soft silicone helps children develop a sense of touch when they take out snacks.

Take out without spilling  
**Angel Cup, Use them like this**

## Angel Cup Photos

# Baby Spoon&fork 3set

## Angel's Wing-shaped handle

Thanks to the angel-shaped handle that's easy to grab, the child doesn't drop it.

## Soft surface

The surface in contact with your kid's mouth is soft as it is made of coconut materials.

## Safe product length

The spoon fork is relatively short, so it's safe for a child to eat alone!

## A baby feeding spoon

Feeding Spoon is a spoon used by parents to feed baby food and comes with a long handle, which makes it easier to feed your baby food.

\* You need to be careful not to use the child alone \*

## Suction Angel Bowl

### 3° angle

Your child can see even dishes far away from his or her eye level.

### A ceramic pattern

It is easy for a child to hold it because it is designed in a ceramic pattern.

### Detachable Strong Suction Plate

As a 100% silicone suction plate, it is safe because it doesn't slide on the baby table or booster and it is also easy to attach or remove.

### Angel's Wing-shaped handle

Thanks to the angel-shaped handle that's easy to grab, the child doesn't drop it.

### The large capacity of 350ml

Suction Angel Bowl has the large capacity of 300 ml and contains baby food or snack. You can use it in various ways.

### A groove at the bottom of the ball

Water dries quickly because there is a groove at the bottom of the ball so it is hygienic, and water doesn't accumulate so it won't slip off on the table.

## Kids Spoon&fork 2set

### Depth of Moderate

The proper depth of the spoon section allows the child to eat comfortably.

### Soft surface

The surface in contact with your kid's mouth is soft as it is made of coconut materials.

### A good fork

Fork is designed more swiftly than Baby, which makes it easier to use for children.

### Outstanding grip

It is designed with enough thickness to make sure your kid does not drop a spoon or fork easily.

## 4 compartments for dishes

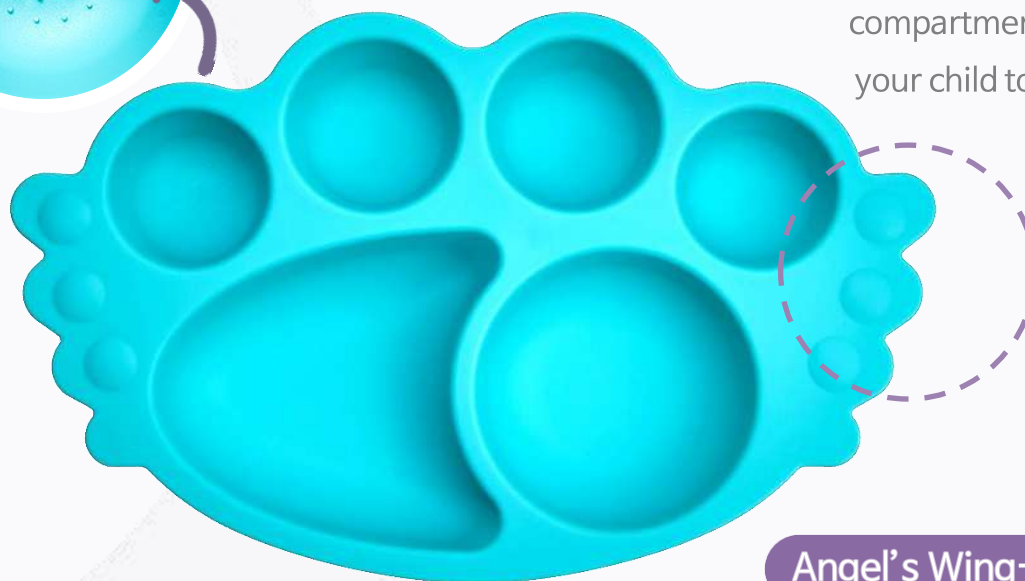

Angel Tray is bigger in size and features four compartments for dishes and one compartment for soup, which allows your child to have a balanced meal!

## Bumps for mashing

Bumps in one of the compartments make it easier to mash or pick up food.

## 3.5 cm deep

With our tray designed with enough capacity, you can serve plenty of nutritional food!

## Angel's Wing-shaped handle

Thanks to the angel-shaped handle that's easy to grab, the child doesn't drop it.

COLOR ● ● ● ● ● ●

Age for use 18 months or older | Size W 34.3 H 21.3 D 3.8(cm) | Weight 345g

# It's perfect for my kid!

## Angel Tray, Use them like this

### 1 Mashing feature

You can mash bananas, potatoes, and avocados with the spoon, and eat softly!

### 2 Easy to pick up slippery food

Bumps in our dish compartment tightly hold food with a slippery surface like eggs so that your baby picks up on his or her own.

### 3 Angel Cup Compatible Use

If you think 4 dish compartments are too many, place Angel Cup instead of dishes to use them as a set!

## Angel Tray Photos

# Magic plate

## Non - slip

The plate that can be used for multiple purposes is non-slip underneath, so it is not slipped away but very stable.

## Angel's Wing-shaped handle

Thanks to the angel-shaped handle that's easy to grab, the child doesn't drop it.

## Tray Role

Even if you use other dishes other than the angel plate on it, there is a sense of stability. It can also be used as a regular tray.

COLOR ● ● ● ●

## Joyful Puzzle Game Feature

It is compatible with the UINLUI 3D Puzzle Magic Cell, so you can use it while waiting for a meal or during playtime.
