# COMPANY INTRODUCTION

Since our founding in 1974, as a one of the specialized companies for household goods, we produce liquid laundry detergent, fabric softener, baby bottle cleanser, hand sanitizer, soap and other cleaning agents etc.

We have been nominated best OEM company in the field of quality control from LG Household and Healthcare, which is the best household goods company in Korea and (from) Boryung Mediance, the market leader in baby care. Also we have been working with Coupang, the largest on-line retailer in Korea from 2019.

With all our experience of then, we have launched our own brand "Klee ALL" & "Uah" for baby care items to fulfill needs overseas market. In addition to, we have launched Home's Queen, which are various house cleaners then we have been exporting those. Recently "Homes Queen" and "Uah" has been registered as our brand in Vietnam.

From 2020, we have been suffering from covid-19 virus, private sanitation and safety are the most important issues for all over the world. According to this situation, we are doing our best to make customers healthy by our safe items manufactured by long quality management know-how and production experience.
