

FLALIA

KOREA

People who perfectly understand makeup brush are making FLALIA.
We aim at makeup tools that anyone can easily use.

CEO's Greetings

JC Cosmetic is a company located in Bucheon Korea, manufacturing makeup brushes for more than 20 years. We have developed various products along continuous market research in response to rapidly-growing K-beauty market, and established our own quality assurance system based on ISO 9001. By manufacturing user-friendly makeup brushes with our high-quality techniques and customer-centered management policy, we offer customized makeup brushes fit to the demands of current beauty market. We believe that we have a responsibility to be acknowledged for OEM, ODM techniques and quality of our Makeup Brushes and other Beauty Tools from all over the world. We, JC Cosmetic, promise to do our best to supply admirable beauty products.

Sincerely,
JANG Jin Hee
JC Cosmetic Co., Ltd.

Principles

There is a huge difference between "Sell" and "Sell By Made".
We are manufacturing makeup brushes and tools by ourselves to offer the best quality products.

Technical

For more than 20 years, we have been doing our best to perfect makeup brushes.
With those know-hows, we can manufacture the most qualified makeup tools better than anyone.

Reasonable

We want lots of people to understand the true meaning of makeup and be on a high level of beauty life.
This is why we provide our premium products with reasonable prices.

Quality Assurance System

Research and Development, Manufacturing / Data / Process Management, Quality Assurance System.
We consider our customers' satisfaction the most important thing in our business.
Makeup Brushes that are worthy tools for you are right here – Let's share your natural beauty with FLALIA!

Records for OEM·ODM

JC Cosmetic has been working with more than 50 companies so far.
