ALLOY APPLICATION & FEATURE

Alloy	Application	Feature
A1070 A1060 A1050 A1100 A1200	Lamp tool, Cookware, Cosmetic Cap, Clad etc.	Easy to process and weld, resistant to rust, high conductibility of electricity and heat, low strength
A3003 A3004 A3005 A3006 A3007 X3000	Cookware, Aluminium Can, Construction inner-outer material, cell phone, Clad, High strength condenser case etc.	Easy to process
A5005 A5052 A5454	Parts of Electric & Electronic tools(LCD, PDP), Soundproof wall, Part for commun ication tools, Construction inner-outer material, motor part etc.	Easy to process
A6061	IT equipment & facility, motor material, automatic line, machine & plant etc.	Easy to process , resistant to rust, superior surface treatment
N8150	Cookware	Milky surface after Anodizing, Good Workability
I9000	Cookware	Milky surface after Anodizing, Improved the Strength of N8150 Alloy

PRODUCT SIZE

ITEM	THICKNESS(m/m)	WIDTH(m/m)	REMARKS
CIRCLE	0.5~4.8	Ø200~780	
COIL	0.5~4.8	Max 780	Inner Diameter : 500mm Outer Diameter Max 1,300mm
SHEET	0.5~4.8	Max 780	Length: Max 3,000mm

MAIN CUSTOMER

PLACE	CUSTOMER
LOCAL	Samsung electronic corp, LG electronic corp, Hyundai-Kia motor, 1 st joint enterprise of GM Daewoo, Cuckoo etc.
OVERSEAS	Matsushita, Toshiba , Sony, Sumitomo, Shinsho, 1 st joint enterprise of Japanese Motor companies etc.

PRODUCT & APPLICATION

Product name	Application	Type
Aluminium plate for Lightweight motor	1. Heat Protector 2. ECU Case 3. Bushing of Wheeling equipment 4. Cover of motor navigation 5. Sunroof 6. Number Plate 7. Motor Wheel	Coil Sheet Sheet Sheet Sheet Sheet Circle
Aluminium plate for Electrics & Electronics	1. Cell phone battery Case 2. Case of High strength condenser 3. LCD/PDP Back Panel/Frame 4. Cell phone Cover	Coil Coil Sheet Coil
Aluminium plate for general industry	1. Lamp tool 2. Cookware 3. Soundproof wall 4. Construction inner-outer material 5. Clad	Circle Circle Coil Sheet Coil
