

Ningbo Tower Machinery Co., Ltd is a group of manufacturing facilities over 14 years, offering one-stop solution for quality mechanical products with total lower cost in China. We can make all kinds of metal parts, such as laser cutting parts, stamping parts, CNC machining parts, welding parts, forging parts, especially assembly parts.

Product market range covers auto industry, medical industry, agricultural machinery, sport industry and so on.

We have strong capability of design, development and manufacture of tooling and we can produce the products according to buyers' drawings and samples.

We will purchase new machines continually when business grows.

Our strategy is Customer and Quality first!

Sales Volume of last three years(USD)

EXPORT RATE

Our products have South Mainly been exported to North America and Europe

North America, 40%

Trumpf Laser Cutting Machines

Stamping Machines

Two Kuka Welding Robots

Tig Welding, Mig Welding

CNC Center Machines

CNC Turning Machines

Large CNC Turning Machines

Centerless Grinding Machines

Flat Grinding Machines

Sheet Metal Bending Machines

Stress Release Machines

Shearing Machines

Sheet Rolling Machines

Sand Blasting Machines

Sawing Machines

Hydraulic Press Machines

Assembly Line

We are good at making assembly parts

Certificate

Certificate of Approval

Certificate No.: 17918015117R0S Awarded to

Ningbo Tower Machinery Co., Ltd.

Beijing Zhongding Hengchang Certification Co., Ltd. (ZDHC) certify that the Quality Management System of the above organization has been assessed and found to be in accordance with the requirements of the standard: GB/T19001-2016/ISO 9001:2015

SCOPE OF CERTIFICATION/REGISTRATION Production and Sale Metal products (sheet metal parts, elbow fittings), Hardware Auto parts, CNC accessories

This certificate is used with the requirements of valid laws and regulations which the certification scope involved. These requirements include but are not limited to administrative permits, scopes of qualifications, and CCC requirements etc. In the operating conditions that management system of the certificate holder's conform with the Quality Management System requirements continually, the certificate is valid for three years.

Date from: Aug 31st, 2018 To: Aug 30th, 2021

The effectiveness of the Certificate shall be conformed to maintenance by periodic surveillance audit of ZDHC.

The time limit of the certificate is to Aug 15th, 2019, please conducting the surveillance or re-certification assessment before Aug 15th, 2019.

If the assessment is overdue, the certificate is invalid.

Information of this certificate can be found on the official website of Beijing Zhongding Hengchang Certification Co. .Ltd. (http://www.zdbc.com.cn)

Beijing Zhongding Hengchang Certification Co., Ltd.
