## Insan 9 Times Purple Bamboo Salt

- Eun-ah Choi, the third daughter-in-law of Insan Kim Ilhoon, the inventor of bamboo salt, and Doctor of Oriental Medicine, sticks to the authentic method as taught by Insan, and creates the essence of bamboo salt by baking it nine times over a month and melting it at a high temperature of 1,600 degrees.
- This product is known to be used by famous celebrities such as Lee Hyori, Ryu Seung-ryong, and Le Seraphim.
- Contribute to your health with salt, a 100% natural product that boasts the world's best efficacy, a proud Korean medicinal salt.
- **Strengthens immunity, suppresses inflammation, anti-inflammatory, anti-cancer effect, relieves pain**
- **There are several papers on anti-cancer and anti-inflammatory effects when taken with Nandamban using patented technology.**
- A 100% natural oriental medicine health food that has been used as a core treatment aid for cancer and incurable diseases for 100 years at Insan Oriental Medical Clinic, inheriting the 150-year-old oriental medicine family business for 5 generations and the spirit of salvation of teacher Insan.

Bamboo salt invented for the first time in the world by **Insan Kim Il-hoon** (1909-1992)

He first invented bamboo salt in the 1920s and spread it throughout the country. With the mind of a saint, I excluded patents and developed my own bamboo salt, Nandamban (Miracle capsule), medicinal soy source sarijang, lacquer-fed chicken, sulfur-fed duck, snail root, radish root bark, radish paste, field garlic, walnut oil, safflower seed, moxa method, and pine needle method. The various uses he developed were disclosed to the world and made available to all people, greatly helping to treat diseases and improve health. He published "Space and New Drugs (1980)" and "New Drugs (1986)" to promote the local health food industry.

## Insan Radish Paste

Product

- **Insan Radish Paste** is carefully made by Insan's third daughter-in-law, Dr. Choi Eun-ah, an oriental medicine doctor, according to the teacher's teachings.
- It is made by putting **domestic radishes (beaten by frost)** in a traditional cauldron with good ingredients such as garlic, ginger, sorghum, and jujubes and boiling them for 6 hours.
- Using domestic barley malt, it is fermented for 16 hours, the clear essence is filtered, boiled again in a cauldron, and passed through a concentrator to make thick radish paste.
- In his book "New Herbal Medicine," Teacher Insan said, "Radish, along with garlic, is one of the greatest foods that can be used as medicine. It is excellent for restoring energy, warms the inside, improves digestion, and is an invaluable medicine for the lungs and bronchial tubes."
- Usage: Take a spoonful 2-5 times a day, or dissolve in ginger tea or warm water.
- Capacity: 550 g
- Ingredients: Radish, garlic, ginger, sorghum, barley, jujube, amomum villosum loureiro, mustard
