

Product information

1

Cute Bubble NORI glove

Friendly character NORI

The character of the animation <RollerCoaster Boy NORI> which was broadcasted on KBS2 so it is very friendly for kids.
Also, it doesn't need battery or plastic to make the product light and portable.

2

Liquid is included inside the glove

Eco-friendly and innocuous liquid

It is safe enough to let kids play with as it uses innocuous and eco-friendly liquid. And the users can use it long time because it makes lots of bubbles even when the liquid is smeared just once.

How to use the product

1

Separate the header and the glove and put out the bubble liquid inside the glove.

2

Rip off the top of the plastic bag and open the zipper.

3

Put a hand inside the liquid bag
