UNIQUEMEDICARE CO.,LTD

- We pursue the most effectiveness on acne, trouble, hair growth
- 5 new ingredient we developed (ALACELL, ALAVAX, ALAHEAL, ALAPRO and ALASKIN)
- 6 patents' registration in Korea
- 3 patents pending to U.S, Japan and China
- 5 registration in ICID(International Cosmetic Ingredient Dictionary)

What is UMC's solution

ALA (5-Aminolevulinic acid)

5-Aminolevulinic acid (Natural activity compound) is the first compound in the porphyria synthesis pathway. Immune system increase effect.No tolerance to the animal, plant and others

ALA+Peptide

The first Synthesis technology over the world
ALA+Peptide makes up for ALA defects
(Defects : low skin penetration, toxicity from UV)

5 types of ALA+Peptide

ALACELL, ALAVAX, ALAHEAL, ALASKIN, ALAPRO have the functions of whitening, wrinkle improvement, UV-blocking, skin regeneration effect, the protective effect on the skin

ECLAIRER

Eclaire Toner

The skin alkalinized by washing-face will be arranged into the sub-acid tone

Eclaire Emulsion

Restores the elasticity of the inner skin, generally improves the wrinkles, gives healthy clean skin tone and moisture

Eclaire Serum

The ECLAIRER serum excellently helps for improving the skin-whitening
A serum keeps your skin elastic for a long time for activating skin's function

Eclaire Eye Cream

Stop aging the thin skin layers which are dry and easy to get wrinkles

Eclaire Cream

The excellence of applying, moisturizing and absorbing
After washing-face, it gives you the protector that can keep you moist and preserve the skin against the outer stimulation

ECLAIRER (Facial skin care set)

- Peptides containing high Functions Effects that enhance your complexion brighter : Sonitin
- Effects that give the skin elasticity : Silk essential peptide
- Itching and dry skin improvement : Phyto-NEP
- Prevent oxidation of the skin : Neuropeptide-1

Using high technology "Nanosome"

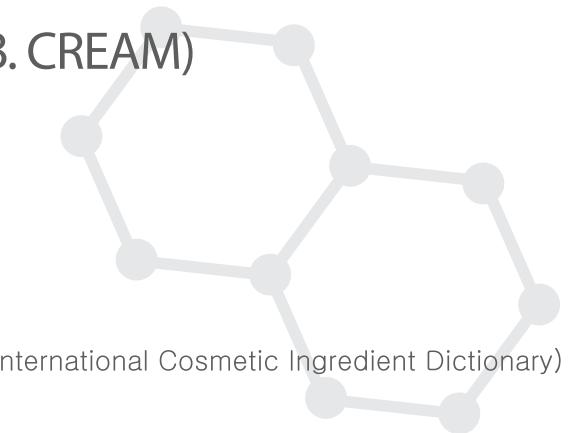

Excellent penetration to the dermis of the highly potent natural extracts various products

ALACELL (B.B. CREAM)

Multi-functions

- Trouble care
- Whitening
- Anti wrinkle
- UV Protection
- SPF35 PA++
- Registered in ICID(International Cosmetic Ingredient Dictionary)

ALAVAX

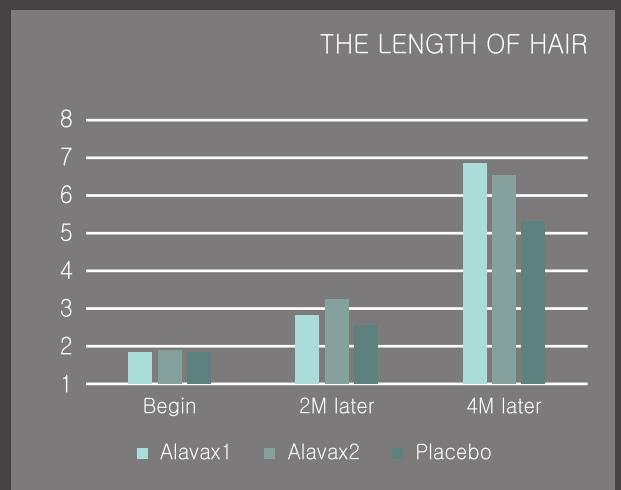

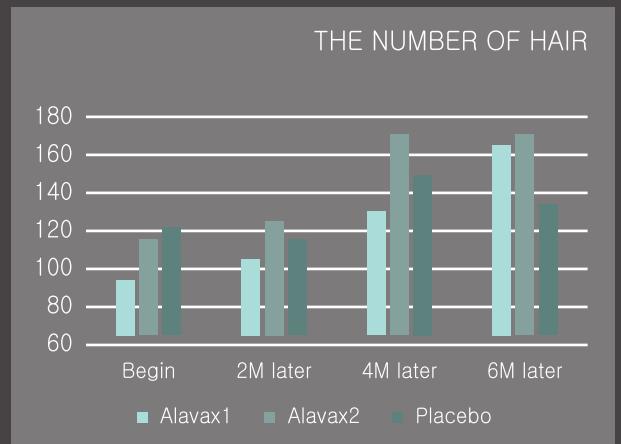

(Hair growth, Preventing hair loss solution)

- The most effective on hair growth
- Quickly and no side effects
- Being made of natural metabolite
- Prolonged use is available
- For men and women

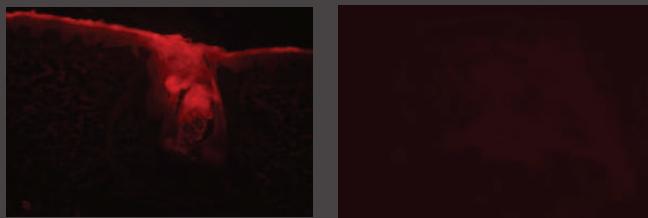

Clinical testing (Conducted by Kyung-Pook National University School of Medicine)

A clinical testing conducted by department of Dermatology, Kyung-pook National University School of Medicine

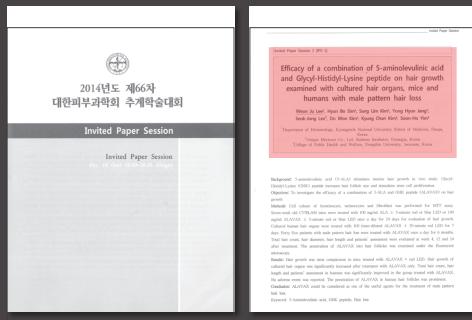

The standard of penetration of ALAVAX through Immunofluorescent Microscopic

- ALAVAX seems to pass through pores.
- Through pores, ALAVAX passes effectively than group Placebo.
- Make Solution substance(ALAVAX) nano-some so that it penetrates strongly inside of cells

ALAVAX was noticed by dermatologists in 2014 Korean Dermatological Association The 66th Meeting as IPS

- How to be selected as IPS(Invited Paper Session)

First, chosen one of the high-level research papers
Second, giving a presentation and discussion
Finally, granting "The best paper of the year award"

An animal testing by BioFD&C Co.,Ltd

A status of intellectual property rights, Unique Medicare Co., Ltd

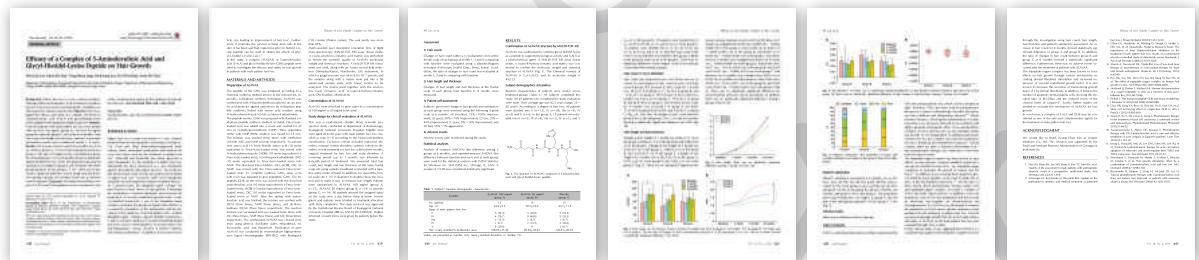

- Patent No.: 10-1385196
- Registration date : April.8, 2014
- Patentee: UMC Co.,Ltd
- Title of the invention: A composite using the light investigation including photosensitizers-Peptide is for hair growth

Patent in USA, Japan and China

Publication of Paper about Test using Alavax material (Ann Dermatol, 2016 July 26)

Department of Dermatology Kyungpook National University,
Professor Won-ju.Lee's team and Dongshin University Dr.Lim Sunho,
Pharmaceutical Engineering

ALACELL Trouble care serum (Acne Solution)

- Improvement and treatment to acne
- Safe, fast and short-term effects on the economy
- Applying to ALACELL (ALA+Peptide)
- A status of intellectual property rights (10-1369238 / 10-1252468 / 10-1285720)

Clinical testing

PATCH TESTING

- Step1 : Patching Alacell for 24 hours
- Step2 : Detaching Alacell
- Step3 : Examining after 1 hour and 24 hours on skin
- As a result, Alacell does not irritate skin

The test conducted
by P&K Co.,Ltd(Skin Research Center)

ALACELL Trouble care serum (Acne Solution)

A status of intellectual property rights, Unique Medicare Co., Ltd

- Patent No. : 10-1369238
- Registration date : February, 25, 2014
- Patent : UMC Co.,Ltd
- Title of the invention
: A composition including Photosensitizers for inflammatory skin disease for improvement

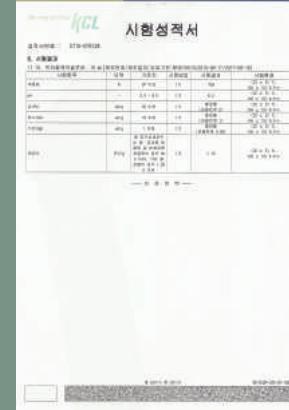

- Patent No. : 10-1252468
- Registration date : April, 3, 2014
- Patent : UMC Co.,Ltd
- Title of the invention
: A composite for improving skin trouble

- Patent No. : 10-1285720
- Registration date : July, 8, 2014
- Patent : UMC Co.,Ltd
- Title of the invention
: A composite for improving from acne

Evaluation about Safety Standards

- Testing Institution : KCL(Korea Conformity Laboratories)
- Testing method : Cosmetics Safety Standard

Clinical testing

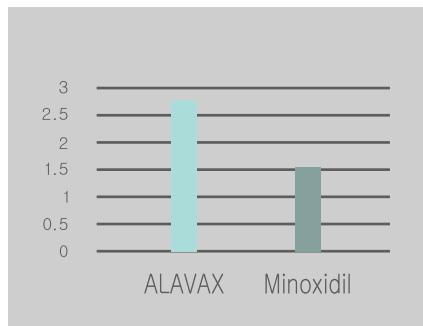

ALAVAX Intensive Follicle Solution (Eyebrow & Beard growth solution)

- Applying ALACELL(ALA+Peptide)
- Excellent efficiency on enhancing eyebrow and beard.
- No side effects, Prolonged use is available
- Anti-wrinkle (Around mouth and eye)

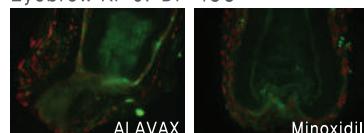

Growth of eyebrow

Eyebrow Wnt 10b DP*400

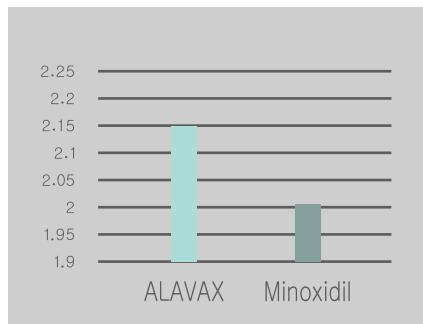

Eyebrow Ki-67 DP*400

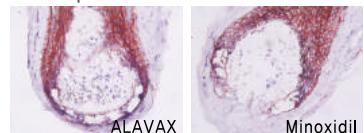

A group that using ALAVAX had watched efficacy in growth more than 1.8 times compare to the Minoxidil

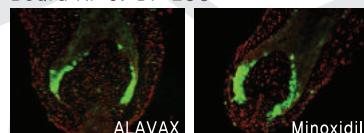

Growth of beard

Beard β -CATENIN DP*200

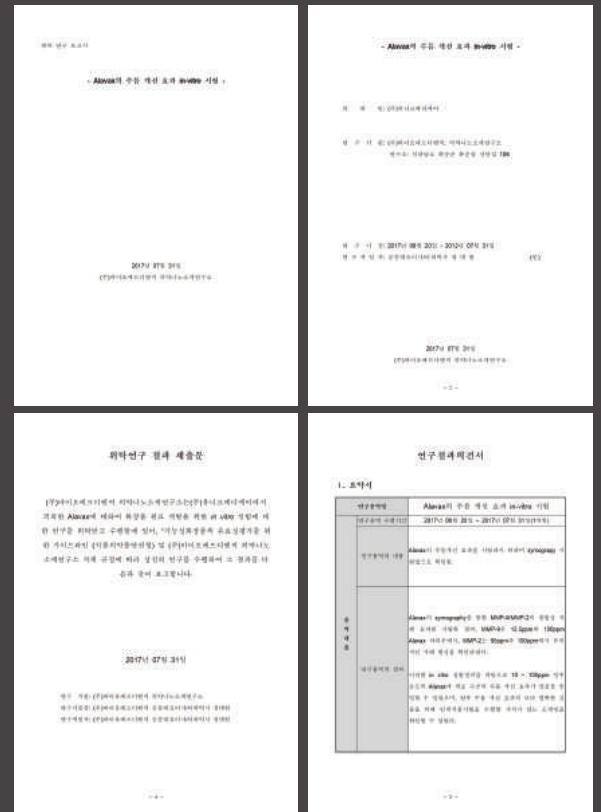

Beard Ki-67 DP*200

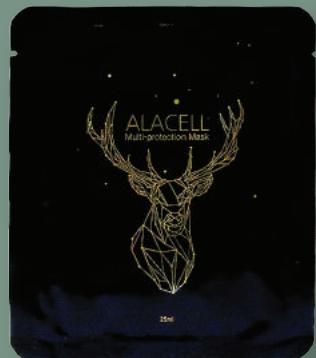

A group that using ALAVAX had watched efficacy in growth more than 1.09 times compare to the Minoxidil

Anti-winkle In-vitro test

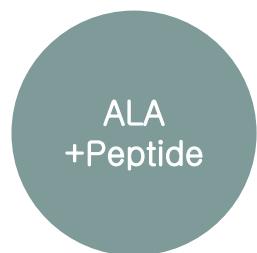

- Experiment period : 2017.06.20~2017.07.31
- As a result, ALAVAX Intensive Follicle Solution has Anti-wrinkle effect

The test conducted
by BIO FD&C Medical Nano Material Institute

ALACELL Multi-Protection Mask (Facial Mask Sheet)

- Whitening, Anti-wrinkle (Dual Functional cosmetics)
- Volume : 25ml
- Total solution for skin
 - : Trouble care, Soothing for skin, Improve skin Elasticity

ALA
+Peptide

Niacinamide

Adenosine

Complex
Plant-based
extracts

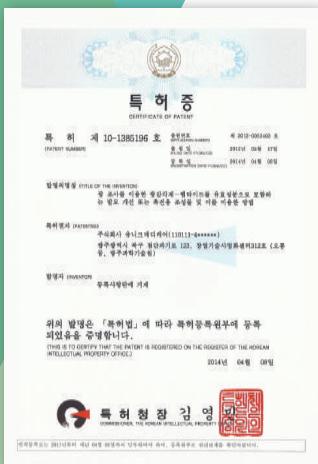

- It contains ALA-Peptide ingredient so it help treating pimples, lifting skin and relieving dry skin
- Whitening and Anti-Wrinkle function with Niacinamide and Adenosine
- Soothing skin function with Complex Plant-based extracts

ALAVAX Shampoo & Conditioner (Preventing hair loss)

- Containing ALA-Peptide
 - : Activate hair follicle cells
- Keep weakened hair healthy
- Shampoo and Conditioner for preventing hair loss
- Volume : 100ml
