01 Skin-Care of the hidden skin's natural glow & texture Diavis Time-Reversing Peeling Gel

#Exfoliation #Blackhead #Sebum Control #Honey glow skin #Soothing

Diavis Peeling gel?

- Skin Soothing Gel that is high in natural-derived Cellulose helps mild exfoliating and its Rosa Damascena Flower Extract feels the skin soothed
- Moisture Peeling Gel that removes the build-up dead skin, leaving the skin smooth & moisturized
- New-Concept of Mild Peeling Gel infused with natural cellulose and Rosa Damascena Flower Extract
- Easy-to-use peeling with light rolling makes it easier for the dead skin to pull out of the skin, giving a much smoother feel to the skin
- Rest assured, it is beneficial for the fragile & sensitive skin with nature-derived ingredients other than chemical ones

Highly recommended in the following cases!

- ✓ To achieve the glowing make-up from the flaky skin of the build-up dead skin
- ✓ To relieve the anxiety about skin damage caused by chemical peeling
- ✓ To soothe the dry, red skin by chemical peeling
- ✓ To remove both skin waste and build-up dead skin in the pores at once

Main Ingredients

- Natural cellulose, Rosa Damascena Flower Extract, Herb Complex, Hyaluronic Acid, 5GF(5 Peptides)
* 5GF(5-Peptides-Epidermal growth factor)
