About SG International

SG INTERNATIONAL is,

An International Trade Corporation, began in 2019 with exporting Korean agricultural products including strawberry, blueberry, grape, egg and garlic to China, Hong Kong, Japan, USA and East Asia.

Also, by launching facial cosmetic mask, hand sanitizer and sanitary pad, we are expanding our business range to beauty and daily-use area.

Last but not least, SG International is manufacturing Bella Premium Hanji Mask and distributing to domestic and foreign markets. From 2021, by exporting exclusively to USA, SG International reached over 2.8million USD in Amazon USA.

Also 'Bella Premium Hanji Mask' ranked 30th in the Amazon Medical Mask rankings in the U.S.

Bella Premium Hanji Mask

Why Hanji?

- Material which can only be made in Korea
- Light and thin texture helping easy breathing
- Removes bad breathing from mouth
- Certified anti-bacterial function by designated test labs in South Korea; KCL, FITI, KATRI, KSTR

US FDA Product Registration Complete

Made with “Hanji”,
Korea’s Traditional Cultural Heritage Paper

Due to its light & thin texture,
it is “easier to breath” while wearing the mask

Blocks Virus from outside with Certified Function
: “Anti-Bacterial”

Removes Bad Breathing from Mouth
