### *Company Introduction*

Mackbeauty is a skin care brand company , which was founded in 2018. To provide best solution for individual skin care, we have developed research tools and models optimized for target customers' needs which are, we firmly believe, in a more ECO-FRIENDLY , scientific and objective way.

Applying the best sheet masks with the most effective and secure formula to many volunteers for market field test, we have spent countless months tracking down the samples we would trust to put on our own faces.

Mackbeauty will provide you more secure and effective solutions for skin care.

UNIQUE FORMULA with only healthy ingredients

### *A GIFT FROM THE STREAM Moisturizing facial mask*

A GIFT FROM THE STREAM Moisturizing facial mask Offers Effective Hydration and Anti-Aging Benefits. Unlike other mask packs, the sheet paper holds the essence well, so the essence does not flow down. After use, it keeps moisture and feels soft without stickiness. Panthenol improves various factors that make skin sensitive. Protecting skin through moisturizing and making skin-wall strengthening by Ceramide NP. Providing skin moisture and enhancing skin elasticity by using sodium hyaluronate. The pack sheet is thin and it feels good on the skin
