BODY SCRUB

The perfect therapy for your body

SALTY BODY SCRUB

HONEY COCO WARMWOOD CHARCOAL

There is a good Bodyscrub with a achromasia element and a natural fragrance

BODY SCRUB

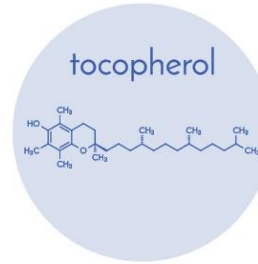

PERFECT BODYCARE FOR YOU

KEY INGREDIENTS

HONEY

Honey is rich in physiological active substances such as minerals, amino acids and vitamins, which are also known to be effective in moisturizing dry skin and in managing UV-damaged skin.

TOCOPHEROL

Tocopherol is an antioxidant that contains vitamin E, which has excellent moisturizing effect, and vitamin E absorbed by the skin is known to boost the production of collagen, giving skin vitality.

ALBUMEN

Albumin is a water-soluble protein substance obtained by drying egg proteins and is known to temporarily form a thin film on the surface of the skin, helping to contract and moisturize the skin.

SALTY BODY SCRUB
