COMPANY INTRODUCTION

The JH Gold & Silver chain company was founded by the skilled chain maker in 1999. We have been manufacturing products from raw material to finished items of silver jewelry by providing fast delivery of market-oriented products.

Our manufacturing operation is backed by the commitment and expertise of our customer service staff combined with cutting edge technology. We apply only care-selected metal and the suitable alloy for our production. Utilizing resources with prompt delivery make us very competitive.

Continuous improving in quality and well trained technicians allow the reliability of the products.

Today as much as ever we remain a reliable and trustworthy partner serving our customers worldwide and strengthening them as they face the challenges of the market. We will be pleased to develop your own concepts and manufacture items exclusively for you and to apply your company.

We have been secured our precious clients due to our superb quality and price all over the world, despite their various cultural back grounds and tastes. Such as U.S.A in North America and UK, Italy in Europe and Thailand, Malaysia, Hongkong in Asia, we would spend our business boundary for our clients throughout the world.

JH trading was established in 2013 to satisfy our precious clients for expanding our export and import scope. JH silver chain & JH trading are family companies, we share entire know-how experiences of business.
