[ All Type of **Aerosol** Products ]

## ALL TYPE OF AEROSOL PRODUCTS

GS Chem is specialized in manufacturing OEM / ODM aerosol products. We export wide range of aerosol products to all over the world on the basis of high technologies and know-how in aerosol industry.

We are manufacturing safe and clean aerosol products by establishing CGMP production and high level of quality assurance systems.

We are trying our best and taking full responsibility for our customers as a total aerosol supporter through constant technical development and value creation.

## History of **GS CHEM Co., Ltd.**

1976. 06	Establish Gangsung Inc.
1995. 07	Incorporated to Daeryuk Can Co.,Ltd. as subsidiary
1997. 05	Install Pamasol charging machine
2001. 03	Authorized to manufacture quasi drug under the Pharmaceutical Affairs Law
2003. 01	Change company name to GS Chem Co.,Ltd.
2003. 03	Move to Asan Factory
2006. 02	Acquire License for cosmetics manufacturing permission
2006. 03	Acquire ISO 9001, 14001 certification
2008. 06	Selected INNO-BIZ for SME innovation
2014. 05	Build dedicated cosmetic line
2015. 12	Acquire ISO 22716 certification
2016. 12	Move to Jincheon Factory

## Introduction to the business area of **GS CHEM Co., Ltd.**

We control the process from manufacturing cans to charging in batch by equipping the charging equipment and the undiluted solution manufacturing equipment related to household products, vehicle products and industrial products such as fragrances, insecticides and hair sprays.

Unlike most filling companies, which just fill cans with undiluted solutions provided by the suppliers, we have production facilities for our entire line of undiluted solutions, helping customers reduce cost including manufacturing expenses and freight.

## Our filling line consists of the following six processes.

First, tin and aluminum cans supplied by can manufacturers are filled with undiluted solutions and gas at a rate of more than 400 cans per minute using fillers such as Pamasol and Terco and our independently developed fillers. For customer satisfaction and quality assurance, all the cans undergo weight inspections and are inspected for gas leakage in a hot water tank. Then, the buttons and caps developed by our laboratory are fitted to meet customer needs, and finished products are packaged to be delivered to customers.

## Pure Natural Air Freshener

Eliminates all unpleasant odors. It will bring instant freshness and leaves a subtle touch of natural fragrance. It is an ideal product for cleaning away the unpleasant odors.

Model number	A-H-AP-01
Capacity	300 ml
Unit size	H256 × Ø53N
Figures - carton	30 pcs
Carton size	343 × 275 × 230 mm
Features	Refreshing the air and remove a bad smell
Usage	Use everywhere it smells bad

## Dispenser and Pure Natural Air Freshener

Wall mounted battery powered air freshener dispenser. Set the automatic spray interval by 15min, 30min and 1 hour.

Model number	A-H-DP-01
Capacity	280 ml
Unit size	H144 × Ø65N
Figures - carton	30 pcs
Carton size	366 × 285 × 195 mm
Features	Maintain fragrance conveniently by spraying
Usage	Natural fragrance in the office, restaurant, home, lavatory etc

## Kitchen Cleaner

Adopts new formula which quickly permeates and dissolve the dirt quickly. Removes the burnt and helps keep your kitchen clean & gleaming with trigger spray.

Model number	KC-500
Capacity	500 ml
Unit size	-
Figures - carton	16EA
Carton size	614 × 276 × 239 mm
Features	Strongly removes oil stains and ingrained dirt in the kitchen
Usage	Remove a variety of oil stains and bacteria on the kitchen areas

## Air conditioner detergent (for home)

Directly get rid of the dirt, oil stain, bedbug and other pollutants in the air conditioner. Meanwhile, Kills the bacteria, removes the odor, and prevent the bacteria from growing for a long time.

Model number	A-H-AC-01
Capacity	430 ml
Unit size	H256 X Ø53N
Figures - carton	24 pcs
Carton size	390 × 269 × 263 mm
Features	Strong sterilization, dust exclusion, safe for human body
Usage	Removes bad odor and germs by cleaning dust and mildew stuck on the cooling fins inside the air conditioner

## Oven Cleaner

Effective cleaning, thoroughly infiltrate and break down stubborn oil of the kitchen, residue-free, cleansing and anthelmintic, make you far away from injurious factors.

Model number	A-C-OC-01
Capacity	420 ml
Unit size	H203 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 220 mm
Features	Remove grease and grime powerfully
Usage	For cold ovens only. DO NOT USE ON A HOT OVEN

## Furniture Polisher

Provides good cleaning, polishing and protecting effect for furniture, metal, wood, plastics, stone, and so on.

Model number	A-H-FP-01
Capacity	300 ml
Unit size	H256 × Ø53N
Figures - carton	30 pcs / CTN
Carton size	343 x 275 x 230 mm
Features	Lengthen life of furniture and make the furniture shiny
Usage	Living room, Closet, Car Seats, Shelf and so on

Body Care

Car Care

Industry

## Fire Extinguisher

Extinguishing initial fire on home and office areas. Operate the extinguisher from a safe distance, and then move towards the fire once it starts to diminish.

Model number	HFE-01
Capacity	400 g
Unit size	H236 × Ø60N
Figures - carton	35 pcs
Carton size	540 × 390 × 270 (35pcs)
Features	Extinguish the fire with quick and convenient handling
Usage	Set up this fire extinguisher for emergency / Do not install where children can reach easily / Do not use for other purposes

## Dust Remover (R-152a+DME)

Compressed gas duster spray ; all purpose sterilized cleaner that removes dust, dirt and microscopic debris from hard to reach places.

Model number	A-H-DR-01
Capacity	420 mg
Unit size	H194 X Ø65N
Figures - carton	30 pcs
Carton size	424 × 339 × 225 mm
Features	Used environmentally friendly gas, R-152a
Usage	Clean computer, IC circuit, VCR, Audio Clean FAX machine, copy machine, Precision instrument

## Shoes Deodorizer

Eliminates and disinfects odours. Leaves a light, fresh and lively fragrance.

Model number	HSD - 01
Capacity	130 ml
Unit size	H145 × Ø40mm
Figures - carton	30 pcs
Carton size	270 × 220 × 165 mm
Features	Deodorize inside of the shoes and kill bacteria
Usage	Remove the odor of shoes and feet

## Waterproof Spray

Resin-based waterproofing spray. Blocks out water and helps prevents stains. Protection for fabric, leather, and carpeting. Provides Invisible and odorless protection. Effective on a variety of items such as hats, jackets, boots, saddles and materials such as suede, smooth leather and fabric.

Model number	A-H-WP-01
Capacity	300 mg
Unit size	H203 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 220 mm
Features	Protect fabric or textile from water, mud ect.
Usage	<b>Things you can use :</b> Fabrics which can be water washed or dry cleaned (Nylon · Polyester · Cotton · Wool) Watertight textile such as an umbrella <b>Things you can not use :</b> Leather, Artificial leather, Fur, Silk, Polyurethane, Vinyl coated materials, Rubber, Vinyl, Leather shoes, Leather Bags, Shoes made of fabric, Bags made of fabric

## Insecticide

Powerful and effective to kill mosquitoes, flies, cockroaches, bugs and other insects.

Model number	A-H-IS-01		
Capacity	470 ml		
Unit size	H250 × Ø65N		
Figures - carton	24 pcs	40 pcs	
Carton size	406 × 272 × 265 mm	542 × 342 × 272 mm	
Features	Kill various insects instantly		
Usage	Spray shorts into the air keeping 1 meter away from objects Spray directly on insects or into places where they hide or live.		

## Portable Air Conditioner

Ice cooling and anti-bacterial effect on clothes.  
Absorbs heats and sweat from clothes and gives refreshment.

Model number	A-B-MC-1
Capacity	22 ml
Unit size	H185 × Ø54N
Figures - carton	30 pcs
Carton size	360 × 280 × 107 mm
Features	Make feel cooler by an instant cooling effect
Usage	When feeling hot, it helps avoiding the heat / Cool down the shirts when wearing a suits.

## Hair Spray

Keeps hair style with perfect hold and shine.  
Workable volume lasts all day. Natural touch without stickiness. Reliable strong hold.

Model number	A-B-HS-01
Capacity	300 ml
Unit size	H260 × Ø53N
Figures - carton	30 pcs
Carton size	343 × 275 × 275 mm
Features	Contains nano-peptide and natural ingredients Maintain the hair style long
Usage	Do not expose to temperatures exceeding 50°C. / When itching, gathering, arising stigma, stop using and see a doctor / Do not spray on sore points

## Shaving Foam

Offers a rich, thick shaving foam and maximizes razor to glide over the skin smoothly.

Model number	A-B-SF-01
Capacity	220 ml
Unit size	H181 × Ø45mm
Figures - carton	30 pcs
Carton size	300 × 245 × 191 mm
Features	Help shaving with abundant bubble and protect skin from irritating
Usage	When shaving, make mustache and beard soft with abundant bubble. Protect skin from a sharp razor blade.

## Hair Mousse

A light touch of mousse to create natural hair style.  
Non-sticky, leaving no residue.

Model number	BHM
Capacity	255 ml
Unit size	H179 × Ø53N
Figures - carton	30 pcs
Carton size	348 × 285 × 199 mm
Features	Improves its condition and appearance
Usage	Hair Styling and care

## Antiphlogistic Agent Spray

Help easy painful joints, cervical vertebra and lumbar vertebral ache. Quickly relieves pain and swellings associated with muscular strain, bruising, knocks and bumps.

Model number	A-B-AP-01
Capacity	200 ml
Unit size	H178 × Ø53N
Figures - carton	30 pcs
Carton size	343 × 275 × 190 mm
Features	Spray type muscle pain antiphlogistic agent
Usage	It's for bruise, muscular pain, arthralgia, simple fracture, lumbago, neuralgia, rheumatism and so on. When bitten by insects and feel itchy.

## Deodorant

Up to 48-hour antiperspirant protection.  
Quick dry and prevent skin irritation.

Model number	BD0 - 01
Capacity	135 ml
Unit size	H150 × Ø40N
Figures - carton	30 pcs
Carton size	270 × 220 × 170 mm
Features	Maintain feeling fresh all day without irritating freshly shaved skin
Usage	Underarm and body where is soaked with sweat easily.

## Hand Sanitizer

Helps reduce bacteria on the hands that can potentially cause disease.  
Apply as needed to your palms and thoroughly spread on both hands. Rub into skin until dry.

Model number	A-B-HS-1
Capacity	400 ml
Unit size	H236 × Ø60N
Figures - carton	24 pcs
Carton size	424 × 288 × 253 mm
Features	Kill bacteria 99.9%. High speed action. Clean and moisturize hands
Usage	After using transportation / When working in the office / After using public toilet / Before caring a baby / Before eating food/ When caring a pet

## Tire Cleaner

Cleans, prevents from aging and restores high gloss on tire surfaces. Intense foam lifts away tough dirt.

Model number	A-C-TC-01
Capacity	420 ml
Unit size	H203 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 220 mm
Features	Clean and shine tires. It protects tires from wearing down or hardened
Usage	Washing, shining, protecting only for tire

## Deicer [for vehicles]

Defrosts the windshields and windows of car, as well as a frozen radio antenna or keyholes. Concentrated formula provides quick melting.

Model number	A-C-DE-01
Capacity	300 ml
Unit size	H173 × Ø65N
Figures - carton	30 pcs
Carton size	366 × 285 × 195 mm
Features	Easy to spray in the severe cold weather Defrost the windshields and windows of car, as well as a frozen
Usage	Use to remove frosts of vehicles glass and all kinds of glasses etc.

## Glass Cleaner

Removes grease, water and wax grime on car windshield or mirrors. Applicable to ingrained stains in bathrooms.

Model number	A-C-WC-01
Capacity	550 ml
Unit size	H238 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 258 mm
Features	Spill proof bubble type. Transparent overcoating prevents glass from pollutants
Usage	Clean windshield, side mirrors and side windows of cars

## Anti-Fog [for vehicles]

Prevents interior fogging and free from driving distractions. Applicable to any glasses or mirrors of car at home.

Model number	A-C-AF-01
Capacity	220 ml
Unit size	H178 × Ø53N
Figures - carton	30 pcs
Carton size	343 × 275 × 190 mm
Features	Prevent interior fogging and free from driving distractions. Essential for safe driving and last clean view up to 1 week
Usage	Wind shield, side mirrors, glass, windows etc.

## Glass Treatment

Spill proof bubble type. Transparent overcoating protects glass from pollutants.

Model number	A-C-GT-01
Capacity	200 ml
Unit size	H158 × Ø53N
Figures - carton	30 pcs
Carton size	343 × 275 × 170 mm
Features	Spill proof bubble type. Transparent overcoating prevents getting polluted Water repellent coating for windshield, rear-view mirrors, back windows and side windows of cars
Usage	

## Leather & Tire Wax

Cleans, moisturizes and protects leather&tire in one easy step. Removes deep stains without damaging leather.

Model number	A-C-LW-01
Capacity	420 ml
Unit size	H203 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 220 mm
Features	It protects synthetic leather and rubber goods giving natural luster deeply. It is used to protect brightness of automobile synthetic leather, plastic surface, tire and so on.
Usage	

Household

Body Care

Industry

## Sticker & Tar Cleaner

Removes sticky sticker marks and tar which is debris of asphalt effectively. Easily and quickly dissolves stains of road tar, and other stains after driving.

Model number	A-C-SS-01
Capacity	420 ml
Unit size	H179 × Ø65N
Figures - carton	30 pcs
Carton size	366 × 285 × 195 mm
Features	Simply remove stickers and asphalt tar. Remove sticky stains clearly
Usage	Remove pollutants and stains such as grease&grime, cooking oil, wine&wax, sticky labels, cooking oil, crayon&ink, tar&glue, chewing gum, sauces&curry etc.

## Air Conditioner Cleaner (for car use)

Product's high-pressure jet gun removes molds, germs and bad odors from every inch of vehicle's air conditioner and heater.

Model number	A-C-AC-01
Capacity	350 ml
Unit size	H201 × Ø60N
Figures - carton	30 pcs
Carton size	385 × 310 × 234 mm
Features	Remove bad odor and germs inside of the air conditioner
Usage	Car air conditioner, heater, seat, trunk where bacteria could inhabit.

## Lubricant Spray

Removes and prevents rust from reforming. Outstanding lubricity and Safe to use on painted plastic, rubber and metal surface.

Model number	CLS-01
Capacity	320 ml
Unit size	H170 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 399 × 187 mm
Features	Permeate into metal surface and makes movement smooth by removing and preventing rust.
Usage	Use for automotive keyhole, bolt, nut, electric appliance, delicate device, rust-proof machine tool, lubrication etc.

## Engine Cleaner

Removes caked-on dust and grease on engine exterior safely and effectively. Safely applicable to car engine surface, garage floors, or dirty industrial machinery, ventilators and other tools.

Model number	A-C-EC-01
Capacity	550 ml
Unit size	H239 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 258 mm
Features	Penetrate into hidden area with its superior detergency Clean out engine
Usage	Clean out oil dust, oil stain, and carbon dirt easily. / Clean neatly the outside of the car engine, garage floor, industrial equipment and machinery like a ventilating fan polluted by oil stain or dust. / Clean industrial machine

## Brake & Parts Cleaner

Fast and efficiently remove metal chips, oil from the brake parts. Eliminates noise and brake judder, improving braking performance, ensuring driving safety.

Model number	A-G-BC-01
Capacity	840 ml
Unit size	H335 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 339 × 349 mm
Features	Clean brakes and auto parts simply and safely Make function well as they used to be
Usage	Clean hardware, chains, machine parts etc.

## Cab. & Intake Cleaner

Removes harmful deposits inside of the throttle body. Specially formulated to remove carbon residue, dirt and other pollutants finely.

Model number	A-C-CC-01
Capacity	550 ml
Unit size	H239 × Ø65N
Figures - carton	30 pcs
Carton size	420 × 340 × 258 mm
Features	Clean carburetors and suction system
Usage	Simply clean the inhaling auto parts of cars

## Micro-Check [General] 1·3 / 2 / 4

Changes invisible fine cracks into visible red-colored cracks, enabling you to check all cracks.

Model number	A-G-RA①②-01 / A-G-PA②-01 / A-G-DA④-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Check cracks as raising red colors by spraying Micro-check
Usage	Without distinction of metals and nonferrous metals, magnetic and anti-magnetic materials use for all kinds of materials; metals, chinawares, glasses, plastics and so on. / Use for forged and casted parts - Forging cracks, Pin Hole, scratches by heat, defects by shrinking / Use for a leakage of water - Tank, Boiler, Pipe and ect. / Use for welded parts - Inspect cracks and wrong connections

## Micro-Check [MGP]

Change invisible fine cracks into visible fluorescent paint colored cracks, enabling you to check all cracks.

Model number	A-G-MGP-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Check cracks as raising fluorescent paint by spraying Micro-check [MGP]
Usage	Without distinction of metals and nonferrous metals, magnetic and anti-magnetic materials use for all kinds of materials; metals, chinawares, glasses, plastics and so on. / Use for forged and casted parts - Forging cracks, Pin Hole, scratches by heat, defects by shrinking / Use for a leakage of water - Tank, Boiler, Pipe and ect. / Use for welded parts - Inspect cracks and wrong connections

## Micro-Check [Atomic] 1·3 / 2 / 4

Changes invisible fine cracks into visible red-colored cracks, enabling you to check all cracks of atomic device.

Model number	A-G-NP-R①③-01 / A-G-NP-R②-01 / A-G-NP-D-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	30 pcs
Carton size	450 × 225 × 460 mm
Features	Check cracks on atomic device as raising color by spraying Micro-check
Usage	It is refined canister with special materials for atomic machineries. Not to use Micro-check contained chlorine, fluorine, sulfur and etc.

## Micromagna-Paint (White)

When you want to detect with the normal magnetic particle, spray white paint on the surface of the object that needs to be tested and dry it.

Model number	A-G-MMP-W-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	MICROMAGNA-PAINT
Usage	Wear mask and gloves when necessary

## Micromagna-GLO

Brown high sensitive fluorescence magnetic particle that changes its color to yellow green fluorescent color under Black Light (Ultraviolet Ray).

Model number	A-G-MMG-P-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Help finding cracks on the surface using magnetic force
Usage	It is made of fluorescent magnet that guarantee high detection rate. / It is in accordance with MIL regulation and kept quality uniformity. / No need to make inspection water.

## Micromagna-Spray (Black)

Applied on inner defective area of surface or closed to the surface and it is also suitable for testing the defective area when being processed or finished product.

Model number	A-G-MPS-B-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Help finding cracks on the surface using magnetic force
Usage	Wear mask and gloves when necessary

## Lacquer Spray

Spray paint has the features of good leveling, high coverage, fast dry, rich color and high luster, better flexibility, impact enduring, strong adhesiveness, and match well with many types of paint primers.

Model number	HPN - 01
Capacity	300 ml
Unit size	H256 × Ø53N
Figures - carton	30 pcs / CTN
Carton size	343 x 275 x 230 mm
Features	Paint conveniently and quick dry
Usage	Use : Spray to metal, wood, wooden products and for marking. Do NOT use : Aluminum, Stainless, Plastic, Polystyrene, Glass, Car, Leather products.

## Nuc Silicon Mold Release

Provides a quick, effective, non-staining release of plastics and rubber for most types of plastic injection moulding.

Model number	A-G-PA-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Silicon type mold release spray
Usage	Use this mold release to not only thermoplastic resin that Polystyrene, Polyethylene, AS, ABS, Polypropylene, Polycarbonate, Methyl Methacrylate but thermosetting resin that Phenol, Melamine, Epoxy, Unsaturated Polyester.

## Zinc Rich Primer

Contains highly purified zinc powder.  
Highly effective, long lasting anti-corrosion and weather resistance performance.

Model number	A-G-ZRP-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Corrosion proof and rustproof painting effect
Usage	<b>Zinc galvanizing, pipe</b> - Vessels : Bottoms and vent pipe, heat exchanger, water tank, engine cylinder liner, pump ect. - Bridge : bridge post, wire rope - Car : Body, Aluminum sash

## Paintable Mold Release

Provides a quick, effective, non-staining release of plastics and rubber for most types of plastic injection moulding.

Model number	A-G-PB-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Paintable mold release spray
Usage	It is used to make mold release easier for molding plastic products

## Mold Cleaner

Removes grease, oil, toner and other stains on steel moulds and suitable for protection from steel corrosion.

Model number	A-G-KC-33-01
Capacity	420 ml
Unit size	H200 × Ø65N
Figures - carton	36 pcs
Carton size	450 × 225 × 460 mm
Features	Clean and polish the mold products
Usage	It is used to remove pollutants in the mold such as mold release, grease, oil stain, etc.

## Polyurethane Foam

Its foam expansion and adhesiveness is excellent to fill various gaps, empty space and cracks perfectly and also, it presents outstanding quality for multiple properties such as thermo-keeping, insulation and sound-proof.

Model number	HPN - 01
Capacity	300 ml
Unit size	H256 × Ø53N
Figures - carton	30 pcs / CTN
Carton size	343 x 275 x 230 mm
Features	Excellent insulation, blocking vibration and noise transferring, powerful adhesiveness.
Usage	Walls, Pipe, Tank, ship ect. (Construction area)

ALL TYPE OF AEROSOL PRODUCTS

Body Care

Car Care

Moly - Lube

High-temperature lubrication and thermal dispersion and stability.  
Lubricates gears and machine parts under high temperature and severe operation.

Model number	IML-01
Capacity	420 ml
Unit size	H204 × Ø68N
Figures - carton	20 pcs / CTN
Carton size	345 × 272 × 215 mm
Features	Excellence in improving and protecting assembling parts.
Usage	Machine and metal surface at high temperature

Extreme Pressure Lubricant

Forms thin film on metal surface to protect all kinds of metal.  
Protects operating metal parts in severe condition for several months with one application.

Model number	IEP-01
Capacity	420 ml
Unit size	H204 × Ø68N
Figures - carton	20 pcs / CTN
Carton size	345 × 272 × 215 mm
Features	Especially good for protecting machine and metal device.
Usage	Loosening stuck bolts and nuts. Cleaning and lubricating motors.

Long-term Wax Coating

Powerful antirust agent and wax-type film formation.  
Excellent antiabrasion, antifriction and heat-resistance.

Model number	ILW-01
Capacity	420 ml
Unit size	H204 × Ø68N
Figures - carton	20 pcs / CTN
Carton size	345 × 272 × 215 mm
Features	Prevent corrosiveness and erosion and increase product life.
Usage	Tools and instrument for long-term storage
