

FOR CORRECT POSTURE, BALEUN ANGEL CHAIR

WooJin Korea Co., Ltd.

COMPANY INTRODUCTION

WooJin Korea is a company that applied for a patent for Baleun Angel Chair, a posture correction chair, to take a leap forward in the health business in Korea and abroad.

We successfully opened the offline store and gradually moving towards the globalization of posture correction chairs. We will continue to make our chairs available to people all over the world in more diverse markets. We will also continue to invest in the production of body correction devices in line with the era of the Fourth Industrial Revolution.

WooJin Korea will secure future growth by expanding its business areas around the world with the vision of 'The world will become healthy only when customers are healthy.'

Look out for WooJin Korea's growth as we deliver higher-value products and services to consumers.

Baleun Angel Chair uses ergonomic design
to help correct bent waist and twisted pelvis.

**Ergonomic
Design**

Comparison of Before & After Use of Baleun Angel Chair

The frame with strong stability and leverage principles keeps correct spine and waist posture.

PRODUCT INTRODUCTION

Baleun Angel Chair

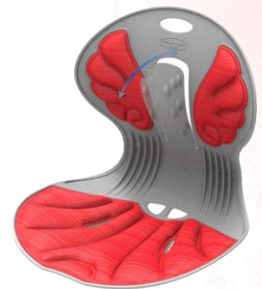

Feature A

Ergonomic Angel Wing-Shaped Cushion & Chiropractic Bumps

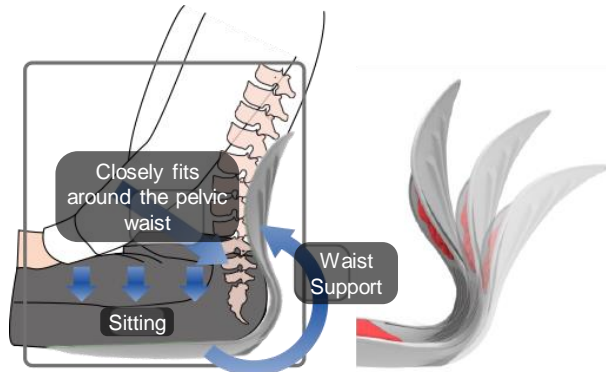

The wing-shaped cushion surrounds the user's waist and the six bumps in the center have a chiropractic effect on the spine.

Feature B

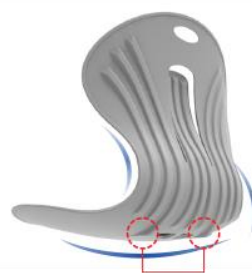

High Elastic Leverage Supports the Waist!

How to Use

A powerful frame to prevent shape deformation

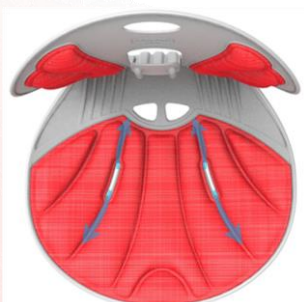

Ergonomic curved surface design

To maximize the chiropractic effect, we applied an ergonomic design that supports the floor so that the user doesn't fall back even when they lean against the backrest.

Feature C

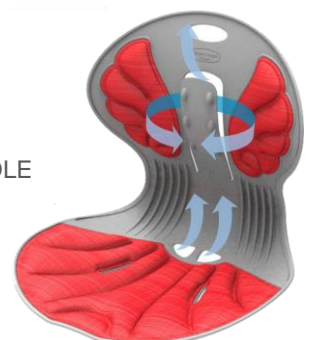

Air Circulation Design to Maintain Comfort

Left Air Circulation HOLE

Backrest Air Circulation HOLE

The air vent hole is applied to ensure smooth air circulation for users sitting for a long time.

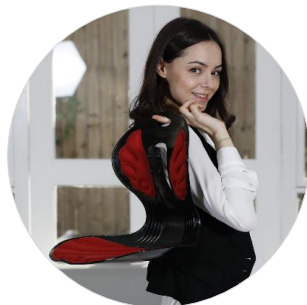

PRODUCT INTRODUCTION

Baleun Angel Chair

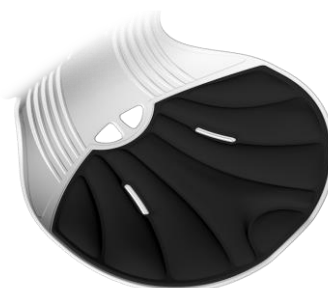

Feature D

Easy-to-Carry with the Handle.

Feature E

Antibacterial Product that You Can Use with Confidence.

Precautions

Please Read Before You Purchase!

Baleun Angel Chair is a supplementary product for use on chairs and is not a medical product.

When using Baleun Angel Chair, make sure to sit straight with your hips as close as possible to the back.

1-Person use only. If more than two people are seated, the shape of the product may be modified.

Please be careful that children, infants, and pets do not put the product in their mouth or bite it.

When foreign substances are on the cushion, wipe it off with a cloth and use it after the moisture is completely dry.

Do not use on hot floors for long periods of time.

This product has received antibacterial treatment.
