Galvanic Massager  
True Solution LED Massager  
Face Cooler

## Galvanic Massager

Sebum  
Removal

Soothing  
Care

Nutrient  
Absorption

Pore  
Elasticity

Triple-care(peeling, nourishment, elasticity) with a single device

24K pure gold blade safe for skin

30,000-time vibrations per second

### Effects of Galvanic

Using the feature of identical electrodes pushing away each other, it helps the absorption of nourishing ingredients in cosmetic products that are not easily absorbed by patting with hands by transforming such ingredients into cations or anions.

Nourishing Care

Anion  
Penetration of nutrients

Elasticity Care

Cation  
Skin elasticity improvement  
by electric current difference

## True Solution LED Massager

Ultrasound  
Massage

Galvanic  
Cation · Anion

Microwave  
Vibration

LED  
Therapy

Circulation improvement and wrinkle care through increase in temperature of cellular tissues

Polar ionization, pulls away dirt and helps nourishing ingredients permeate deep into skin

200-time vibrations per second diminishes wrinkles and improves elasticity
