iPhone 7 PLUS Slim Type	09p

Trees and human,  
Tree Hug!

The love between trees and human. The BI Design, illustrating the hug of trees and human, contains the idea of InMok Co., Ltd. of a world where human and nature can exist in harmony.

## ▾ The Man&Wood® story

---

Man&Wood® designs eco-friendly products that combines genuine quality wood materials and modern design artistry. Man&Wood® products are the perfect blend of nature and human, as well as traditional and modern materials to offer beautiful and sensible designs that connects nature to our daily lives.

Man&Wood® products are made from an eclectic set of high quality natural wood materials from all around the world featuring diverse colors, patterns and textures that can be vividly seen and felt. Each product is always unique due to the natural wood grains.

Man&Wood® places careful attention to creating sensible designs that balance lifestyles and the preciousness of nature and wood. Our products represent the best in class in preserving the natural beauty and textures of wood while also offering functionality.

Man&Wood® products also offer positive advantages of reducing electromagnetic waves as well as heat releasing characteristics through the technical blending of materials that are beneficial to the user and their mobile products.

Man&Wood® considers environmental sustainability as a core philosophy. Our products are designed to provide sleek and modern looks while using the optimal combination of wood and eco-friendly finishing materials in order to do our best to co-exist with Mother Earth.
