PoudrOX
powder coatings

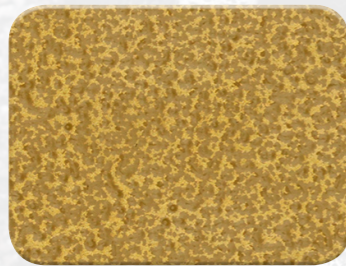

PoudrOX a développé des peintures en poudre de haute qualité texturées ou martelées.
 En finition matte ou brillante, elles sont utilisées dans de nombreuses applications:
 Coffres fort, pupitres et tables de contrôle, mobilier pour extérieur, ferronneries à l'ancienne...
 Nos laboratoires R&D peuvent créer quasi toute couleur et aspect en fonction de vos souhaits.

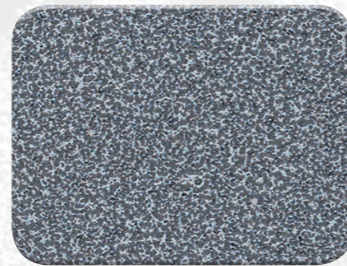

PoudrOX has developed high-quality textured or hammered powder coatings.
 In matt or glossy finish, they are used in many applications:
 safes, desks and control tables, outdoor furniture, old ironwork, etc.
 Our R&D laboratories can create almost any color and appearance in accordance with your wishes.
