From inspiration  
to innovation.

**More makes a difference.**  
Combining superior quality with certified natural ingredients.

# Wet Wipes

Innovative product design.  
Superior product quality.  
Exceptional skin friendliness.

MEGA Disposables S.A. offers a wide range of pre-moistened wipes. Baby wipes, make-up removing wipes, antibacterial wipes, as well as other types developed for more special needs (e.g. cold relief, adult body cleansing, etc.) are offered in a variety of formulations, depending on the needs of different skin types. With over 35 years of experience in wet wipes formulations, we offer tailor-made solutions even for special wipes applications. Products are tested both in external labs and at our in-house microbiological lab, based on EP standards.

Innovative product design.  
 Superior product quality.  
 Exceptional skin friendliness.  
 Natural extracts.

# Baby Wipes

MEGA S.A. offers a wide range of baby wipes specially designed for the varying needs of different baby skin types, even the highly sensitive ones.

- Natural extracts
- Mild formulas for sensitive skin
- Certified by Proderm Institute of Dermatology in Germany
- Approved by the Hellenic Society of Paedriatic Dermatology
- Free from parabens, soap and alcohol.

## Chamomile

Specially designed to offer gentle daily cleansing of baby skin. Containing more than 96% pure water and **chamomile extract**, they delicately cleanse baby skin, while offering gentle care and natural protection against irritation and rash. Dermatologically tested.

## Sensitive

Specially designed for sensitive baby skin. Their pure formula contains more than 96% pure water and **aloe extract**, known for its beneficial properties, offering cleanliness, skin care and natural protection against irritations and rash. Dermatologically tested.

## Fresh

Specially designed for leaving a unique sense of freshness, thanks to their mild bath-fresh formula. Containing more than 96% pure water and **calendula extract**, they help protect skin from irritation and nappy rash. Dermatologically tested.

## Calming

Specially designed to cleanse and care for baby's sensitive skin, while offering a unique calming sense. Containing more than 96% pure water, cotton and **organic lavender extracts**, they help protect skin from irritation and nappy rash. Dermatologically tested.

# Make-up Removing Wipes

Make-up removal needs an ideal combination of effective make-up removing agents with deep moisturizing attributes, specially selected depending on skin type. Following the latest trends in cosmetology, MEGA S.A. has developed a wide range of leading make-up removing towelettes:

## All skin types

With **hyaluronic acid**. Effectively remove even heavy or waterproof make-up, while moisturizing the skin.

## Sensitive

Specially designed for sensitive and mature skin. Enriched with **ceramides**. Effectively remove make-up, revitalize skin, and smooth signs of ageing.

## Micellaire

With revolutionary **Micellaire** technology, which captures and dissolves impurities and make-up, offer impeccable and fast results with just a few moves.

## Natural

Based on natural moisturisers. Contain **argan oil**. Delicately remove make-up, naturally moisturise skin, while nourishing the eye lashes. Contain 98% natural ingredients.

All make-up removing wipes are:

Ophthalmologically tested

Dermatologically tested

Available in packs of:

**Pack** 20 pcs  
**Mini Pack** 10 pcs  
**Multi-Pack** Pack x3, x4

Special packaging with grooves available, to provide a more square pack which can "stand up straight" by itself on the shelf.

# Specialty Wipes

Specialty wipes which respond to specific hygienic needs with the appropriate formula.

## Wipes for cold relief

Impregnated with **menthol, rosemary and eucalyptus**, that are known for their beneficial action in cases of prolonged cold or flu. With extra soft texture and soothing properties, do not irritate nose, unlike common tissues.

Available in packs of:

**Mini Pack** 12 pcs

## Intim Wipes

Soft wet wipes with **organic chamomile and aloe extracts** to ensure feminine hygiene, especially when out of home. Delicately cleanse and refresh the intim area, while leaving a long-lasting feeling of freshness.

Available in packs of:

**Mini Pack** 12 pcs

Dermatologically tested

pH friendly

## Flushable Wipes

Flushable, plastic free, wipes from 100% natural source are also available.

# Antibacterial Wipes
