01 DEFENSE Vitamin Shower Filter Features

Removal of residual chlorine in tap water

It is good for improving skin diseases such as atopy by removing residual chlorine in tap water using vitamin C.

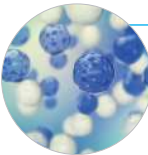

Vitamin C Effect

Thanks to the rich vitamin C, it is effective for anti-aging, skin elasticity and skin whitening.

Aromatherapy Effect

It has a soothing effect, improves concentration, and helps relieve stress thanks to aromatic scent.

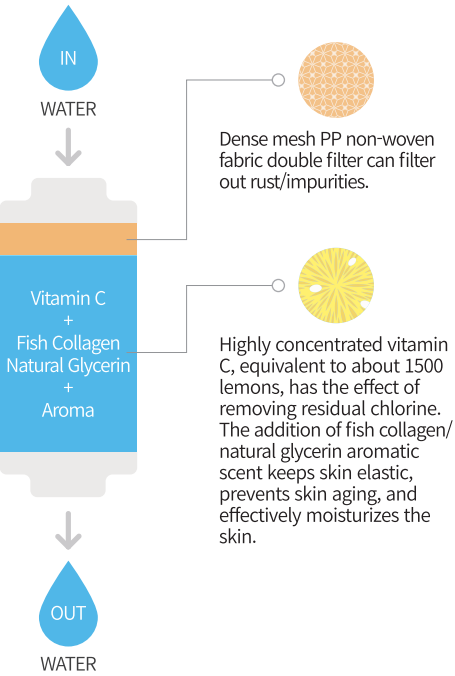

Excellent Moisturizing Effect

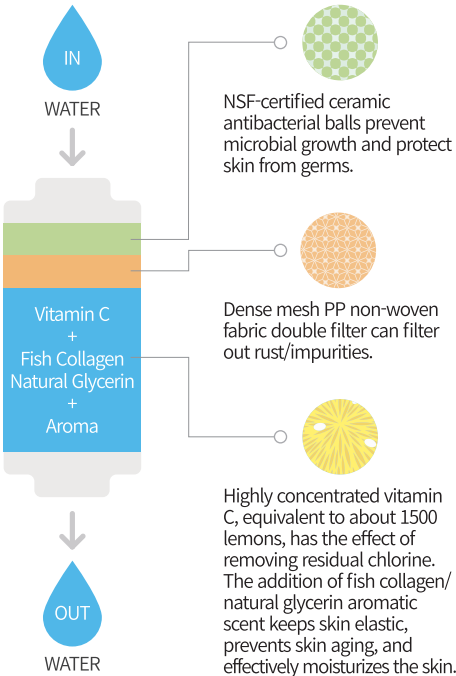

Thanks to its moisturizing ingredients (natural glycerin) and the inclusion of fish collagen, it helps to moisturize and maintain skin elasticity after showering.
