A collection of various mechanical components including bearings, bushings, and pulleys. The items are arranged in a grid-like fashion. There are two deep groove ball bearings, one at the top right and one at the bottom right. There are two different types of bushings or sleeves, one at the top center and one at the bottom center. There are three different types of pulleys or rollers, one at the top left, one in the middle left, and one at the bottom left. There is also a small black pin or bolt in the middle right.
