# Helping you grow your business

Want to find new business leads or looking to connect with new prospects?

Today, capturing business opportunities has never been so challenging. At Kompass we work to provide you with innovative business data solutions, designed to help you reach the right companies.

Designed to fit flexibly within your business, our uniquely powerful B2B data search platform **Kompass EasyBusiness** is the ideal tool to help you find new prospects.

Helping you create, plan & organize your sales & marketing campaigns, target your lead generation, contact prospects directly, update your in-house CRM, find new export markets & identify new suppliers.

# Kompass EasyBusiness

Whether you have a small or large sales & marketing resource having access to accurate and up-to-date company & contact information is essential.

With business data across all B2B activity sectors from more than 70 countries, EasyBusiness helps you target your lead generation, both locally & abroad, saving you both time & money.

## Globally leading B2B platform

Manage your search campaigns with **24/7** online & mobile access to the global search platform. **33m+** B2B companies - **35m+** executive contacts

Find & contact prospects directly using **60+** search criteria. Customise & download your sales & marketing lists.

## Flexible tools you can customise

Create, share & **save** your searches. **Analyse** potential markets to identify & contact new prospects directly. **View** search results geographically by map location.

Stay up to date with **customised** alerts when relevant business information is updated.

## Helping you focus on the right contacts

Find new business contacts with **Sales Accelerator**, our EasyBusiness add-on or access business sales intelligence through our innovative **ByPath** tool.

Integrating live Big Data from **200k** media sources (web, social networks & blogs) - gain access to contacts, news & job alerts.
