COMPANY OVERVIEW

LOVE

Pet is not just a pet, but they are our family.

IMAGINE

How they are getting stress out without you?

COMFORTABLE
& HEALTHY

Do think as a feature, not an option.

Since the company HANASAN CO.,LTD of its establishment 2011, we have been concentrating the word of NATURAL HEALTH and FUNCTIONALITY with our own technology pursuing to be close to nature. Having the R&D center and production factory in order to develop, design, process and manufacture the state-of-the-art products of furniture made with the natural solid wood to satisfy the naturalness and luxurious.

With two brands of “LUXYPET” and “HANASAN”, we are manufacturing the furniture with the brand name of “LUXYPET” for companion animals such as DOG and CAT, whereas the brand name of “HANASAN” is the furniture for kids. Both brands eco-friendly products made with the natural solid wood in consideration of their body sensitiveness, functionality and luxurious.

Even though the short history of, we are recognized as a top expert in these specific product field through lots of investment of design, technology and functionality from customers. Our patented product is now on the registration its production and design with several countries such as Korea, China, Japan, USA etc...brand registration building up higher level of quality.

Our motto “They are not just a Pet but they are our family” is giving a message to the people to keep turning over the pet furniture is as a feature, not an option anymore.
