

Manufacturer of anti-noise mat between floors

### **Company Introduction**

LKP Co., Ltd. makes floor mat with polyurethane and TPU material.

LKP Co., Ltd. is formally supplying to LX Z:IN, the No. 1 interior designer in Korea, and is also performing construction.

In addition, we are producing genuine licensed mats through various character goods contract. The BT21 goods mat is scheduled to be released in November, 2021 and we hope to export it to the world.

We have its own brand called **CAREMAT** in Korea. Muslim mat is also made of PVC and PE materials and are sold.

All materials are domestically used and we operate our own manufacturing plant.

### WHAT WE DO

### Air Board

The high-durability Air Board finished with exclusive polyurethane material processing power suggests a new culture of home fitness.

\_\_\_\_\_\_

### CAREMAT

Through our own production, construction and sales of TPU mat, we provide a sensuous design suitable for interior and the comfort of top-quality TPU mat.

### Prayer mat

LKP Co., Ltd with its own production capacity can develop and produce various types of mats such as prayer mat and kitchen mat.

### **Company History**

- 2009 Developed the first TPU mat
- 2011 Development and production of TPU yoga mat, kitchen mat
- 2012 Production of large mats (kitchen mats, floor mats)
  - 2013 Developed the 2nd generation TPU mat
  - 2015 Developed the 3rd generation TPU mat

- Developed 900mm TPU mat
- 2017~18 Developed the 4th, 5th and TPU450 premium mat

2016 • Contracted with LX Z:IN, expanded business such as BT21 and Kakao Friends mat

### **Competitiveness of the Product**

### Direct production

LKP Co., Ltd. owns a TPU mat production plant, which directly manufactures, produces and sells.

### Scientific 3-level structure

A scientific 3-level structure consisting of high-durability TPU film, a delicately designed printed layer, and high-elasticity polyurethane foam.

### Excellent fastening structure

CAREMAT has a 7-level locking structure that has been carefully designed to minimize accident caused by gap.

### Outstanding resilience and hygiene

The material of the CAREMAT has excellent resilience, is safe for children, and uses TPU, which is also used for medical purpose and it has more than \*\* hygiene related certification.

# LX <u>Z:IN</u>

The technology and quality of LKP Co., Ltd. being recognized in Korea, it is formally supplied to Korea's largest interior company LX.

### Supplied to interior large company LX Z:IN

The technology of LKP Co., Ltd., being recognized, it is formally delivered and constructed to LX Z:IN, the largest interior company in Korea

**4 colors to match the interior** The technology of CAREMAT and the experience of LX Z:IN create a luxurious atmosphere.

### **Competitiveness of the Product**

## BT21

Ο

BT21, KAKAOFRIENDS Collaboration

### KAKAO FRIENDS

In collaboration with HYBE, KAKA which is a Korean IT giant, we share with BT21 which is the character of global Korean wave star BTS, and KAKAOFRIENDS, a popular Korean character.

•

**Collaboration with popular Korean characters** In collaboration with BT21, KAKAOFRIENDS, we sell mat using popular Korean character designs.

#### **Popular in Asia**

Successfully opened KAKAOFRIENDS and LINE FRIENDS stores in Asian countries such as Hong Kong and Japan

### CAREMAT

CAREMAT, the main product of LKP Co., Ltd. , competes with superior technology, quality control, and color and design that match the interior.

### Design matching the interior

A mat of color and design that matches the interior and makes the house look spacious.

**Eco-friendly TPU material** The mat of LKP Co., Ltd. uses eco-friendly and hygienic TPU material, and is safe for children.

### **High hygiene**

The TPU material of CAREMAT that has passed more than \*\* hygiene-related certification is safe even for children who are sensitive to hygiene.

### Prayer Mat, Kitchen Mat and More...

LKP Co., Ltd., which carries out its own production, develops and produces various types of products to meet the needs of various customers.

### **Prayer Mat**

Based on the technology of LKP Co., Ltd., various designs are applied to produce mats for 30% of the world's population, Muslims.

Kitchen Mat and More.. Produces and sells products that meet the needs of various customers for kitchen mat and yoga mat.

### Customization

LKP Co., Ltd. has its own production capacity and moves more accurately and quickly to the new needs of customers.

### **STRUCTURE**

- Rug-style DIY mat consisting of 12 pieces.
- Consist of 2 pieces for center, 6 pieces for side, and 4 pieces for corner
- Simple but robust 7-level locking fastening structure

- The thickness of 2cm is the same, but the size of each product (center type/side type/corner type) is different.
- The colors(pink, blue, green) of the center type/side type/corner type fastening parts are displayed separately for better understanding of each product, and the colors of the actual products are the same.

### Patent & Certificate

European CE certification for children's product Enhanced KC certification for children's product

\_\_\_\_

### Performance test results of internationally accredited testing and analysis institute:

- Non-detection of 38 heavy metals based on European CE infant products
- Non-detection of 8 major harmful elements dissolution test
- Non-detection of 6 major phthalate plastic body detection test
- Non-detection of harmful elements(lead, cadmium) detection test
- Non-detection of organotin compounds
- Non-detection of DMF
- Proven effect of reducing noise between floors
