Sustainability

O'LABS CTO / Ph.D

Doctor of Pharmacy, Kangwon National University

CAREER

- Amore Pacific / CU Skin (30 Years of Experience in Cosmetic Research)
- Improvement of raw material odor in patented Vitamin U compounds
- Development of Vitamin U as an ingredient for skin barrier recovery and its derivatives
- Participation in an anti-aging research project at Hallym University Anti-Aging Center

PATENT

- Lipid beads comprising idebenone or a pharmaceutically acceptable salt thereof and a process for preparing the same
- Composition for enhancing transdermal absorption of idebenone and lipid beads comprising the same
- Novel deep sea water equisetum hyemale extract and the preparation method of the same
- Cosmetic composition for preventing or improving ultraviolet-induced skin damage etc.

THESIS

- Coacervate microcapsules of vitamin U optimized by central composite design(CCD), Journal of Pharmaceutical Investigation
- Development of vitamin U as a material for repair of skin barrier damage etc.

O'LABS

PRODUCT LINE OVERVIEW

CLEANSER (CALMING LINE)

MINERAL CLEANSING SERUM

- A One-Step Cleanser
- Eliminating the Need for Double Cleansing:
From Heavy Makeup to Deep Pore Impurities

Age Group	20s - 30s Females & Males
Skin Type	Sensitive, Combination, All skin Type
Region	All regions
Capacity	200ml / 6.76fl.oz
Feature	Using Deep sea water from East Sea of Korea All-in-One Cleanser with the inclusion of amphoteric surfactants Cleansing in one step without double cleansing is possible Hypoallergenic Mild Acidic Cleanser
Clinical tets	• Completed Hypoallergenic test • Completed Eye irritation test • Completed the pore cleansing test • Dermatest® Germany Certified
Certification	CPNP (EU), PMDA (Japan) NMPA (Name : Cleansing Serum)

CALMING LINE

CALMING TRIO

- Calming & Moisturizing care for Sensitive skin
- Using Deep sea water of Korean East Sea

Age Group	20s - 30s Females & Males
Skin Type	Sensitive, Combination, All skin Type
Region	All regions
Capacity	• Skin Balancing Toner 200ml / 6.76fl.oz • Skin Solution Serum 30ml / 1.01fl.oz • Skin Moisturizing Cream 60ml / 2.02fl.oz
Feature	Using Deep sea water from East Sea of Korea Good for extreme sensitive skin Skin reaction 0.00 Anti-inflammation prescription 100% Plant derived prescription
Clinical tets	Completed Hypoallergenic test
Certification	CPNP (EU), PMDA (Japan)

NUTRITION

NUTRITION TRIO

- High Nutrition, Elasticity care for Dry skin
- Using Deep sea water of Korean East Sea

Age Group	30s - 50s Females
Skin Type	Dry, Sagging, All skin Type
Region	Temperate - Subarctic region (East Asia, Europe, U.S)
Capacity	• PhC Balancing Toner 200ml / 6.76fl.oz • PhC Lifting Serum 30ml / 1.01fl.oz • PhC Repairing Cream 60ml / 2.02fl.oz
Feature	Using Deep sea water from East Sea of Korea Using High Functional Plant stem cell (PhC) Good for dry & sagging skin Antioxidant prescription 100% Plant - derived prescription
Clinical tets	• Completed Improvement of Skin Moisture • Completed Improvement of Skin Barrier • Completed Improvement of Skin Dual (outside inside) elasticity improvement test • Dermatest® Germany Certified (PhC Repairing Cream)
Certification	CPNP (EU), PMDA (Japan) / NMPA (Name : PhC Serum)

VITALIZING

IDEMEZ™ SKIN REBIRTH CREAM

- Anti-aging Care Line
- Utilizing Idemez™ Proprietary Formulation Technology for Superior Skin Absorption of Idebenone, the Best Antioxidant Ingredient

Age Group	30s - 50s Females
Skin Type	Dry, Sagging, All skin Type
Region	Temperate region (East Asia, Europe, U.S)
Capacity	20ml / 0.68 fl.oz.
Feature	World-class IDEBENONE inclusion and skin absorption using patented formulation technology (Patent No: 10-2462350)
Clinical tets	• Lifting Improvement tests 1) Forehead, 2) Glabella, 3) Eye Area, 4) Nasolabial folds, 5) Lip Area, 6) Neck) • Triple elasticity improvement test • Facial cheek lifting improvement test • Skin density improvement test • Skin brightness improvement test • Skin moisture improvement test
Certification	CPNP (EU), PMDA (Japan), Canada

TROUBLE CARE

S-20 STEVIATM TROUBLE CARE DUO

- Day & Night Acne & Whitening Care Line
- Containing the Proprietary Extract S-20 Stevia™ with Anti-inflammatory Benefits and Acne-Clearing Ingredients

Age Group	20s - 30s Females & Males
Skin Type	Acne prone, Oily, Dark, Combination skin Type
Region	Tropical regions (Summer in East Asia, Europe, U.S, South East Asia)
Capacity	• Blemish Care Serum 30ml / 1.01fl.oz • Spot Care Gel 10ml / 0.33fl.oz
Feature	Using Patented Stevia extract (Patent No. : 10-2022-0148552) Active synergy ingredients such as Zinc PCA, Niacinamide, Tea-tree oil, BHA(Salicylic Acid) Good for caring from comedones and purulent acne
Clinical tets	• Completed suitability test for acne skin • Completed relieving dark spot test • Completed Skin brightness improvement test
Certification	CPNP (EU), PMDA (Japan)

*

DEEP SEA WATER

CLEAN NATURAL INGREDIENTS FROM EAST SEA OF KOREA

The deep sea water from the East Sea, purified by special desalination technology, exists 200 meters below the depth of the sea where sunlight cannot reach,

- 1 Fresh with low water temperatures maintained below 2°C.
- 2 Safe and excellent cleanliness from the polluted air.
- 3 It contains rich minerals and nutrients to provide strong and effective moisturizing

AN IONIZED MINERAL

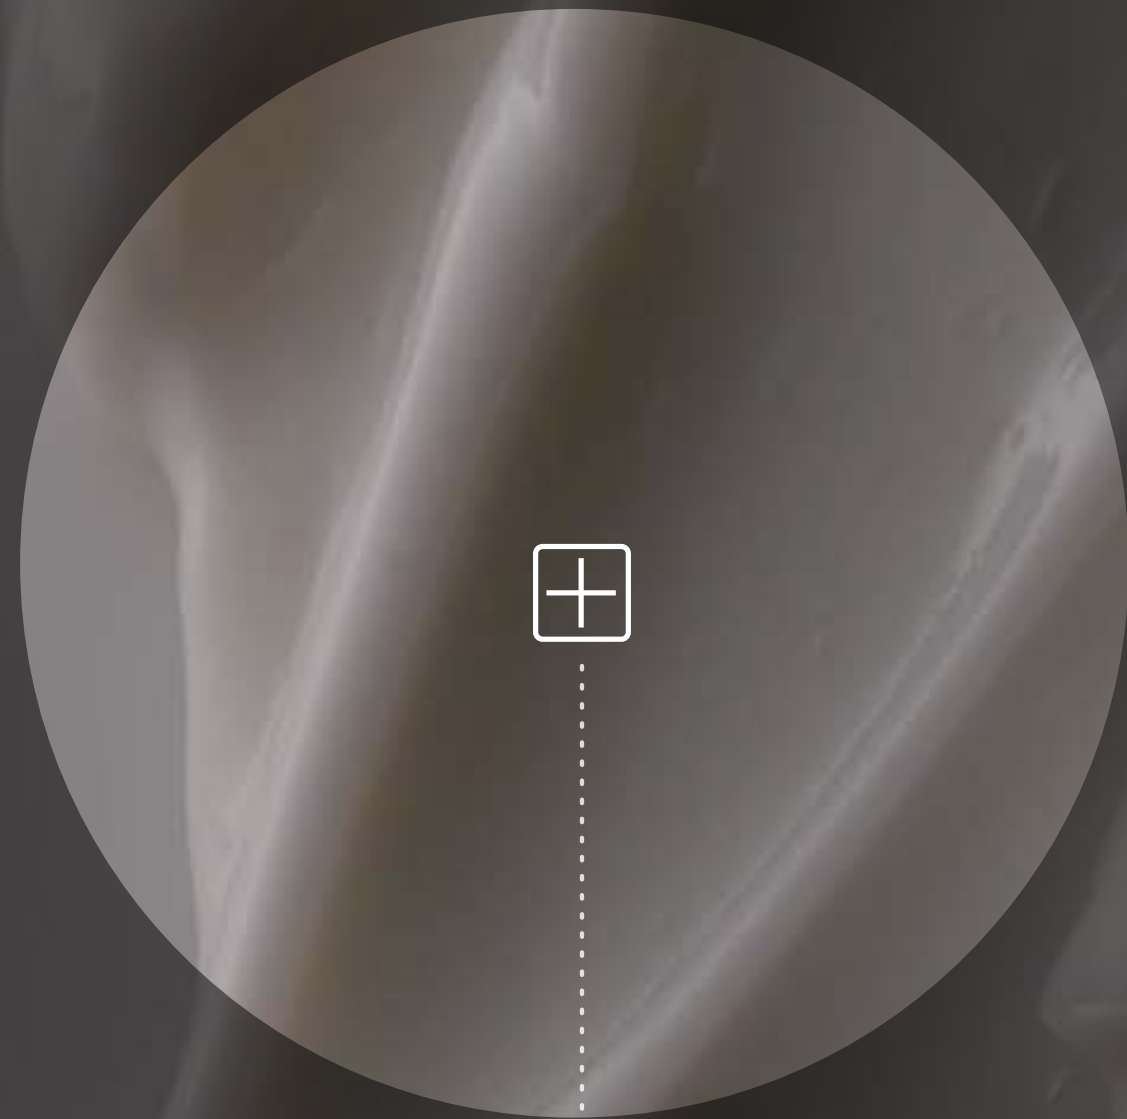

Deep sea water contains 70 kinds of rich minerals, including magnesium, calcium, and potassium, in an ionized state*. So the mineral ingredients are delivered deep into the skin. It helps to balance skin minerals.

*Mineral ingredients are not absorbed into the skin unless they are ionized.

SIMILARITY TO THE HUMAN BODY FLUIDS

The clean minerals of deep sea water are very similar to body fluids that make up 70% of the human body, so they have excellent skin-friendliness.

The absorbed nutrients activate the dermis in the skin, improving the skin's ability to control its own moisture.

EXPENSIVE DEEP SEA WATER

Deep sea water contains many effective ingredients for the skin, but it is quite difficult to form cosmetics with various mineral ingredients.

This is also the reason why cosmetics that use deep sea water are relatively expensive.

HOWEVER,
WE MADE IT
REASONABLE.

With the long experience and know-how of OLABS's researchers, we created reasonable skincare using only deep sea water as base water. Mineral transfer power that is hard to feel in purified water. Feel the different texture of your skin with your fingertips.

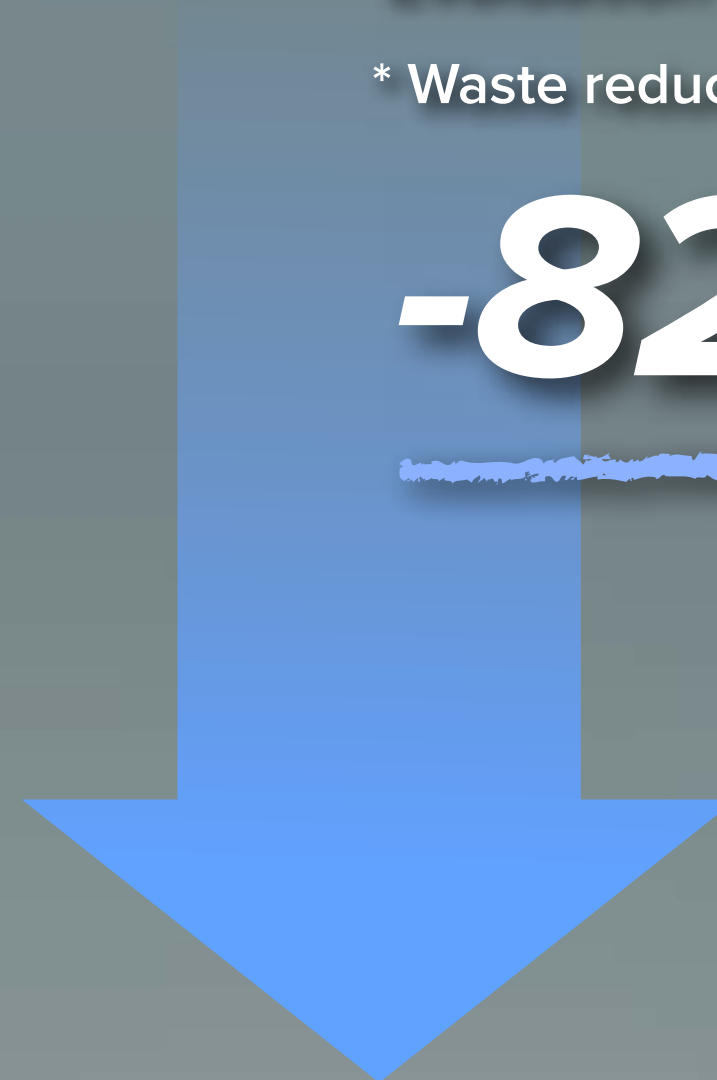

MINERAL CLEANSING SERUM

A One-Step Cleanser Eliminating the Need for Double Cleansing
: From Heavy Makeup to Deep Pore Impurities

Evaluation of Cleaning Effect in Pores

* Waste reduction rate

-82.53%

MINERAL CLEANSING SERUM

Hypoallergenic one-step cleansing

200ml/ 0.68fl.oz

A deep sea water-based all-in-one cleanser that effectively removes makeup and impurities from pores, leaving a hydrating finish.

Deep Cleansing without Double cleansing

Time-saving cleanser

A scientific combination of non-ionic cleansing ingredients and oil ingredients helps remove makeup and various wastes without separate emulsification.

**Completed pore cleaning test (Waste reduction rate 83%)*

Filled with deep ocean water from the East Sea

Mineral base 44.9%

Various minerals, which are contained in the deep sea water from the East Sea of Korea, provide moisture and mineral balance to the skin.

DERMATEST® GERMANY CERTIFIED

Completed Hypoallergenic test

Completed eye irritation test

Completed the pore cleansing test

RECOMMEND FOR

- Combination skin
- Dry skin after cleansing
- Easily irritated sensitive skin

Hypoallergenic, slightly acidic prescription

pH Balance

You can wash your face safely and without irritation with a slightly acidic prescription that is similar to the pH of healthy skin.

Cleansing and care at the same time

Exfoliate care without irritation at the same time

Regu®-SEB and tea tree oil treat dead skin cells and sebum on the skin surface without irritation. It can also be used around the eyes without irritation.

Refreshing Serum Texture

It provides a refreshing and clean finish without leaving a residue.

HOW TO USE

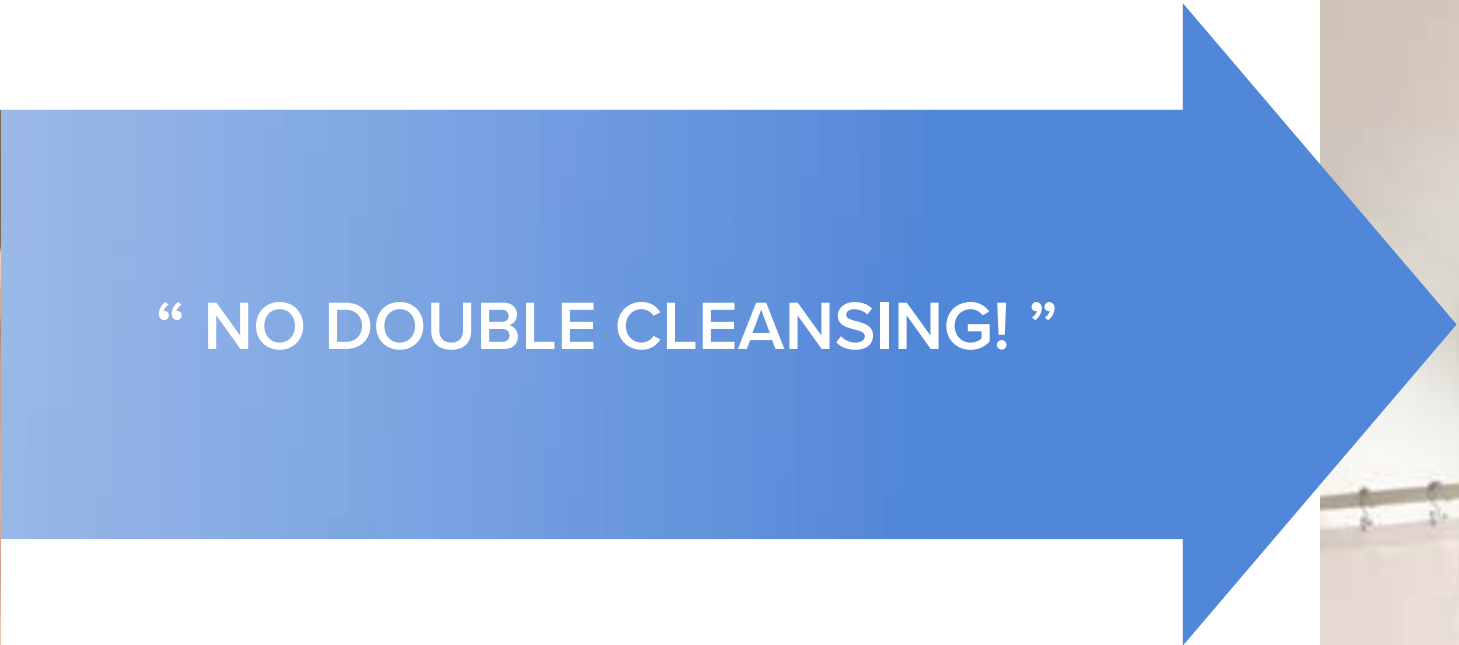

STEP 01

Take a sufficient amount on your hand

STEP 02

Cleanse by gently rolling along the skin's texture, massaging lightly without using water.

STEP 03 ★
Rinse it with tepid water immediately without an emulsification process.

Make-up Removal Test without Double Cleansing

It has a strong cleansing power
that can remove even a Permanent marker pen!

NO Double Cleansing!
And **NO separate emulsification process** required!

¹ Concealer, ² Tone-up Sunscreen ³ Lip Tint ⁴ Waterproof Eyeliner
Mineral cleansing serum effortlessly and effectively
removes various types of stubborn makeup

Cleansing Comparative Test (with Permanent Marker Pen)

<https://www.youtube.com/watch?v=JDzK7P2y9Ps>

It has a **strong cleansing power**
that can remove even a Permanent marker pen!
yet still a gentle cleanser.

CLINICAL TEST

Evaluation test of the cleansing effect
of wastes in human skin pores

Mariedm Co., Ltd. Skin Research Center / 22 women who have sensitive skin aged 23-54 / 2022. 10. 10 - 2022. 10. 14

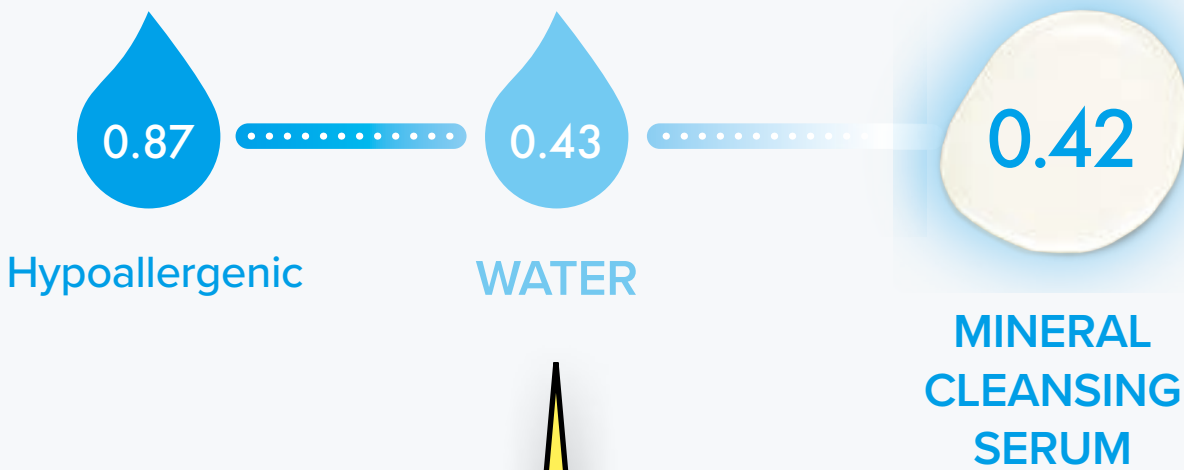

Changes of pore waste after cleansing
(with MINERAL CLEANSING SERUM)

Primary skin irritation test
on sensitive skin

Mariedm Co., Ltd. Skin Research Center / 22 women

SKIN BALANCING TONER

3 Balancing Mild acidic pH toner

200ml / 6.76fl.oz

Packed with the energy of the sea and soothing ingredients, this mildly acidic toner helps restore

1) pH balance, 2) Mineral balance, and 3) Moisture balance.

True mild acidic Toner

1 pH Balance ⚖️

A buffer solution (Citric acid, Sodium citrate) that balances skin acidity helps return to a healthy skin pH level of 5.5 no matter which cleanser you use earlier.

Filled with deep sea water from the East Sea

2 Mineral Balance ⚖️

Various minerals, which are contained in the deep sea water from the East Sea of Korea, provide moisture and mineral balance to the skin.

Skin moisture improvement test

RECOMMEND FOR

- Combination skin
- Dehydrated skin
- Easily irritated sensitive skin

A fresh moist toner

3 Moisture balance

A fresh moist toner with natural sugar trehalose is moist but not sticky and refreshing.

A hypoallergenic product gentler than water

✓ The synergy of calming-specialized ingredients!

Calming-specialized ingredients, Madecassoside and Licorice Extract, are perfectly blended to gently and comfortably protect irritated skin.

Refreshing Watery Texture

Water toner with a refreshing watery texture can feel a moist but non-stick finish.

CLINICAL TEST

Human application test for skin sensitivity irritation

Korea Institute of Dermatological Sciences / 33 adult men and women / 2022. 4. 8 - 2022. 4. 29

Skin reaction score

INFORMATION

Product Name	O’LABS Skin Balancing Toner
Capacity / Weight	200ml / 6.76fl.oz.
Skin Type	All skin, Sensitive skin, Combination skin type
Expiration Date	36months for unopened, 6 months after opened
Manufacturer	COVIX CO., LTD
Responsible seller	RMSCIENCE CO.,LTD
Country of origin	South Korea

HOW TO USE

After washing the face, take an appropriate amount and pat it on the skin to absorb it.

INGREDIENT

Sea Water, Hydroxyethyl Urea, Glycerin, Trehalose, Centella Asiatica Extract, Madecassoside, Sophora Flavescens Root Extract, Sophora Japonica Bud Extract, Butylene Glycol, Propanediol, Artemisia Capillaris Extract, Olea Europaea (Olive) Fruit Extract, Dimethyl Sulfone, Polyglyceryl-10 Myristate, Panthenol, Dipotassium Glycyrrhizate, Glyceryl Glucoside, Malachite Extract, Sodium Citrate, Citric Acid, Sodium Hyaluronate, Dehydroxanthan Gum, Bisabolol

SKIN SOLUTION SERUM

Refreshing True Calming Solution Serum

30ml / 1.01 fl.oz

A hypoallergenic hydrating calming serum that simultaneously soothes both the surface and deeper layers of the skin with the synergy of deep sea water and calming ingredients, while also revitalizing tired skin.

Moist Calming, Refreshing Absorption

Filled with deep sea water

Deep sea water, which contains rich mineral ingredients in a balanced way, provides a rich moisturizing that is not sticky to the skin.

True Calming Solution

The ultimate synergy of soothing-focused ingredients

Panthenol, a water-soluble soothing ingredient, **Bisabolol**, an fat-soluble soothing ingredient, and **Madecassoside**, a soothing specialist, provide gentle and soothing care for sensitive skin.

Blue energy to relieve skin stress

Malachite extract / 1,000ppm

Skin Solution Serum contains the natural color of the natural raw material that has a blue color, not an artificial color.

Skin moisture improvement test

RECOMMEND FOR

- Combination skin
- Dehydrated skin
- Easily irritated sensitive skin

Revitalizing your skin

Highly effective plant ingredient Phytocallus

Phytocallus complex (Edelweiss stem cell culture fluid + Rye Phytoplacenta ingredient) naturally helps build up the natural strength of the skin, making it the best skin condition that is healthy from the inside.

Plant Fermentation Complex

The plant fermentation complex breaks down amino acids and vitamins, increasing skin absorption and helping to maintain a healthy skin barrier and nourish the skin.

Refreshing Mild Formula

Light blue color with moisture and serum texture gives a moist and refreshing finish.

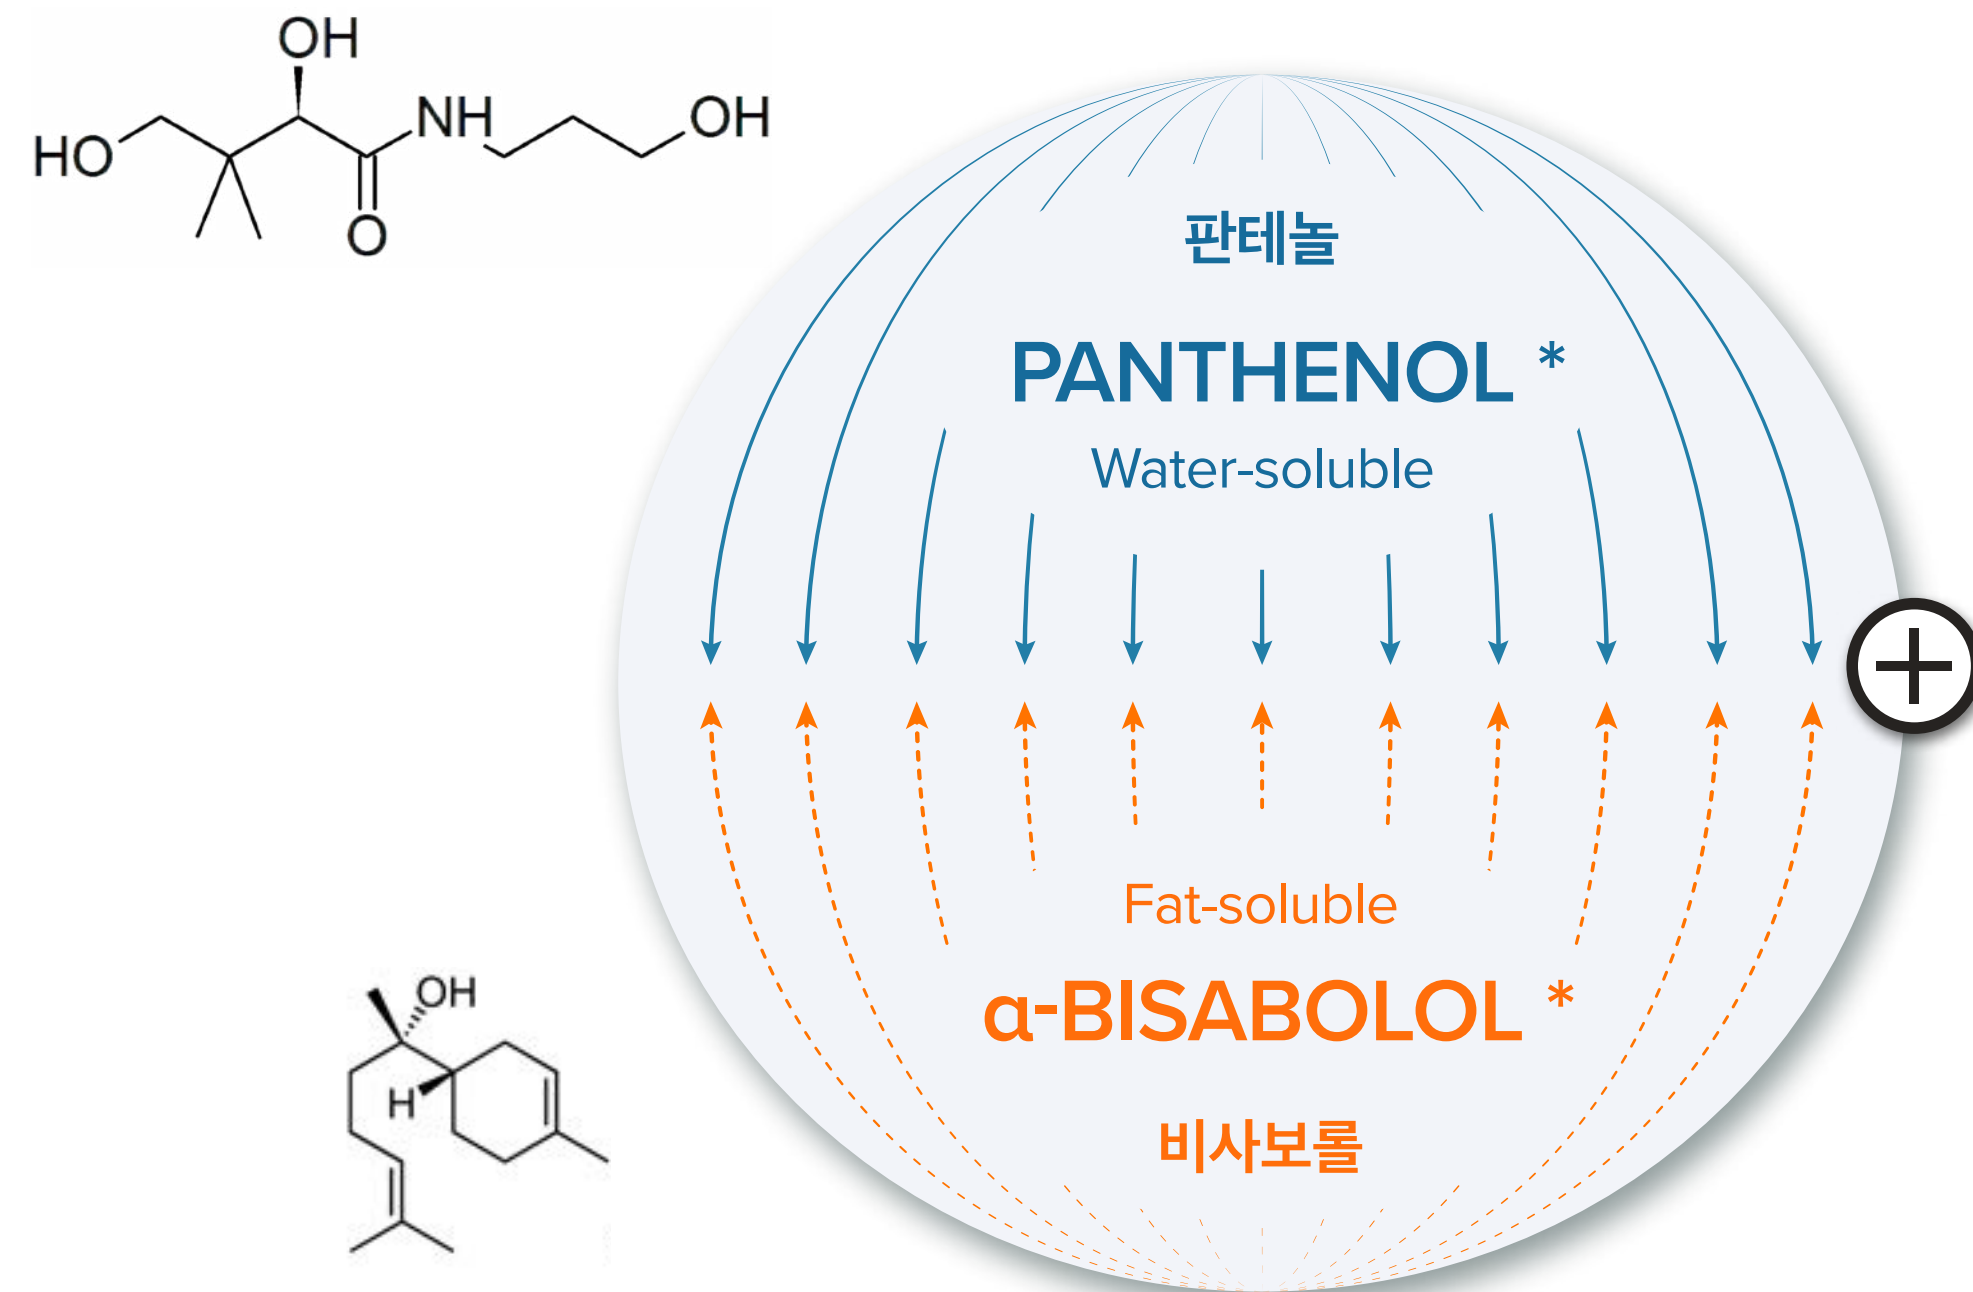

“ Why is my skin sensitive and troubled? ”

If you have redness or acne on your skin, It is caused by

- 1 **External irritation** (fine dust, air pollution, frequent skin touch), as well as
- 2 **Internal irritation** (various inflammatory reactions caused by stress and hormones).

So you need two Calming elements, not just skin one step calming, but inside and out of the skin.

TRUE CALMING SOLUTION

A gentle and soothing solution designed for both internal and external skin care

Panthenol (Vitamin B5)

External Soothing with Water-Soluble Ingredients

[Panthenol] : recognized as a moisture magnet, permeates the skin and transforms into water-soluble vitamin B5, drawing in moisture to maintain skin hydration. It not only enhances skin texture but also alleviates sensitivity caused by external irritants.

α-Bisabolol

Internal Soothing with Fat-Soluble Ingredients

[Bisabolol] : known for its high stability and fat-solubility, is a skin-friendly ingredient that absorbs quickly, offering anti-inflammatory effects to soothe sensitive skin. It enhances the skin regeneration cycle, aiding in swift recovery.

CLINICAL TEST

Human application test for skin sensitivity irritation

Korea Institute of Dermatological Sciences / 33 adult men and women / 2022. 4. 8 - 2022. 4. 29

Skin Type	All skin, Sensitive skin, Combination skin type
Expiration Date	36months for unopened, 6 months after opened
Manufacturer	COVIX CO., LTD
Responsible seller	RMSCIENCE CO.,LTD
Country of origin	South Korea

HOW TO USE

After using the toner, apply an appropriate amount to the skin and gently pat it to absorb it.

INGREDIENT

Sea Water, Glycerin, Hydroxyethyl Urea, Lactobacillus/Soybean Ferment Extract, Saccharomyces/Barley Seed Ferment Filtrate, Lactobacillus/Pear Juice Ferment Filtrate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Leontopodium Alpinum Callus Culture Extract, Hydrolyzed Rye Phytoplacenta Extract, Trehalose, Centella Asiatica Extract, Madecassoside, Sophora Flavescens Root Extract, Sophora Japonica Bud Extract, Butylene Glycol, Propanediol, Artemisia Capillaris Extract, Olea Europaea (Olive) Fruit Extract, Dimethyl Sulfone, Glyceryl Glucoside, Carbomer, Arginine, Panthenol, Malachite Extract, Dipotassium Glycyrrhizate, Sodium Polyacrylate, Polyglyceryl-10 Myristate, Sodium Hyaluronate, Hydroxyethylcellulose, Hydrolyzed Fibroin, Bisabolol, Guaiazulene

SKIN MOISTURIZING CREAM

The Most Basic Moisturizer

60ml / 2.02 fl.oz

A gentle moisturizing, barrier-strengthening, and soothing cream that opens the skin's hydration pathways to replenish moisture while reinforcing the skin barrier to lock it in.

Quick absorption, Small Molecule Hyaluronic Acid

Hydrating 1

Hyaluronic acid, a natural moisturizing factor, is the ideal ingredient to help increase moisture retention capacity. Small Molecule hyaluronic acid provides a non-drying moisture feeling.

The skin's waterways OPEN, One more hydration

Hydrating 2

Glyceryl Glucoside(G.G) helps activate the moisture passage. It delivers a rich moisturizing feeling and stability to the skin.

Filled with Deep sea water

Deep sea water, which contains rich mineral ingredients in a balanced way, provides a rich moisturizing that is not sticky to the skin.

Skin moisture improvement test

RECOMMEND FOR

- Combination skin
- Dehydrated skin
- Easily irritated sensitive skin

Protect moisture with triple ceramide

Strengthening Skin Barrier

Since it contains NP, AP, and EOP, not a single ceramide, these can build strong support on the weakened skin barrier to maintain moisture.

Moist Calming, Refreshing Absorption

Skin-soothing Madecassoside

The irritation level of water is 0.04. It is a 0.00 score on the skin irritation test, so it protects the irritated skin comfortably.

Soft Cream Texture

Skin Moisturizing Cream with a moderate feeling of oil and moisture. It is absorbed comfortably into the skin without stickiness.

Human application test for skin sensitivity irritation

At the last step of skin care, apply an appropriate amount to the skin and gently pat it to absorb it.

INGREDIENT

Sea Water, Glycerin, Dipropylene Glycol, Dicaprylyl Carbonate, Hydroxyethyl Urea, Macadamia Ternifolia Seed Oil, Lactobacillus/Soybean Ferment Extract, Saccharomyces/Barley Seed Ferment Filtrate, Lactobacillus/Pear Juice Ferment Filtrate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Polyglyceryl-3 Methylglucose Distearate, Cetearyl Olivat, Sorbitan Olivat, Cetearyl Alcohol, Stearyl Alcohol, Dimethicone, Cyclohexasiloxane, Trehalose, Dimethyl Sulfone, Butylene Glycol, Propanediol, Artemisia Capillaris Extract, Olea Europaea (Olive) Fruit Extract, 1,2-Hexanediol, Centella Asiatica Extract, Madecassoside, Sophora Flavescens Root Extract, Sophora Japonica Bud Extract, Glyceryl Glucoside, Polyhydroxystearic Acid, C14-22 Alcohols, C12-20 Alkyl Glucoside, Bisabolol, Octyldodecanol, Echium Plantagineum Seed Oil, Helianthus Annuus (Sunflower) Seed Oil Unsaponifiables, Cardiospermum Halicacabum Flower/Leaf/Vine Extract, Tocopherol, Sodium Hyaluronate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Ceramide NP, Ceramide AP, Ceramide EOP, Phytosphingosine, Cholesterol, Sodium Lauroyl Lactylate, Xanthan Gum, Arginine, Panthenol, Dipotassium Glycyrrhizate, Malachite Extract, Sodium Polyacrylate, Serenoa Serrulata Fruit Extract, Sesamum Indicum (Sesame) Seed Oil, Argania Spinosa Kernel Oil, Beta-Sitosterol

NUTRITION TRIO

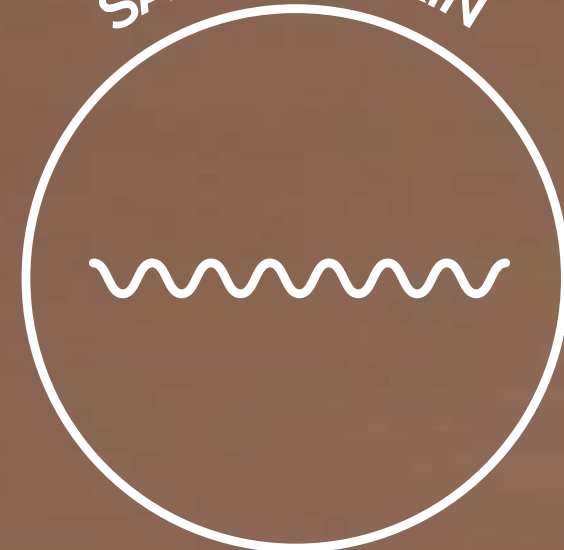

High Moisturizing • Elasticity • Nutrition

It based on Deep Sea Water
and contains Phytocallus (PhC) to provide
Rich Nutrition and Moisturization to Dry skin

DEHYDRATED SKIN

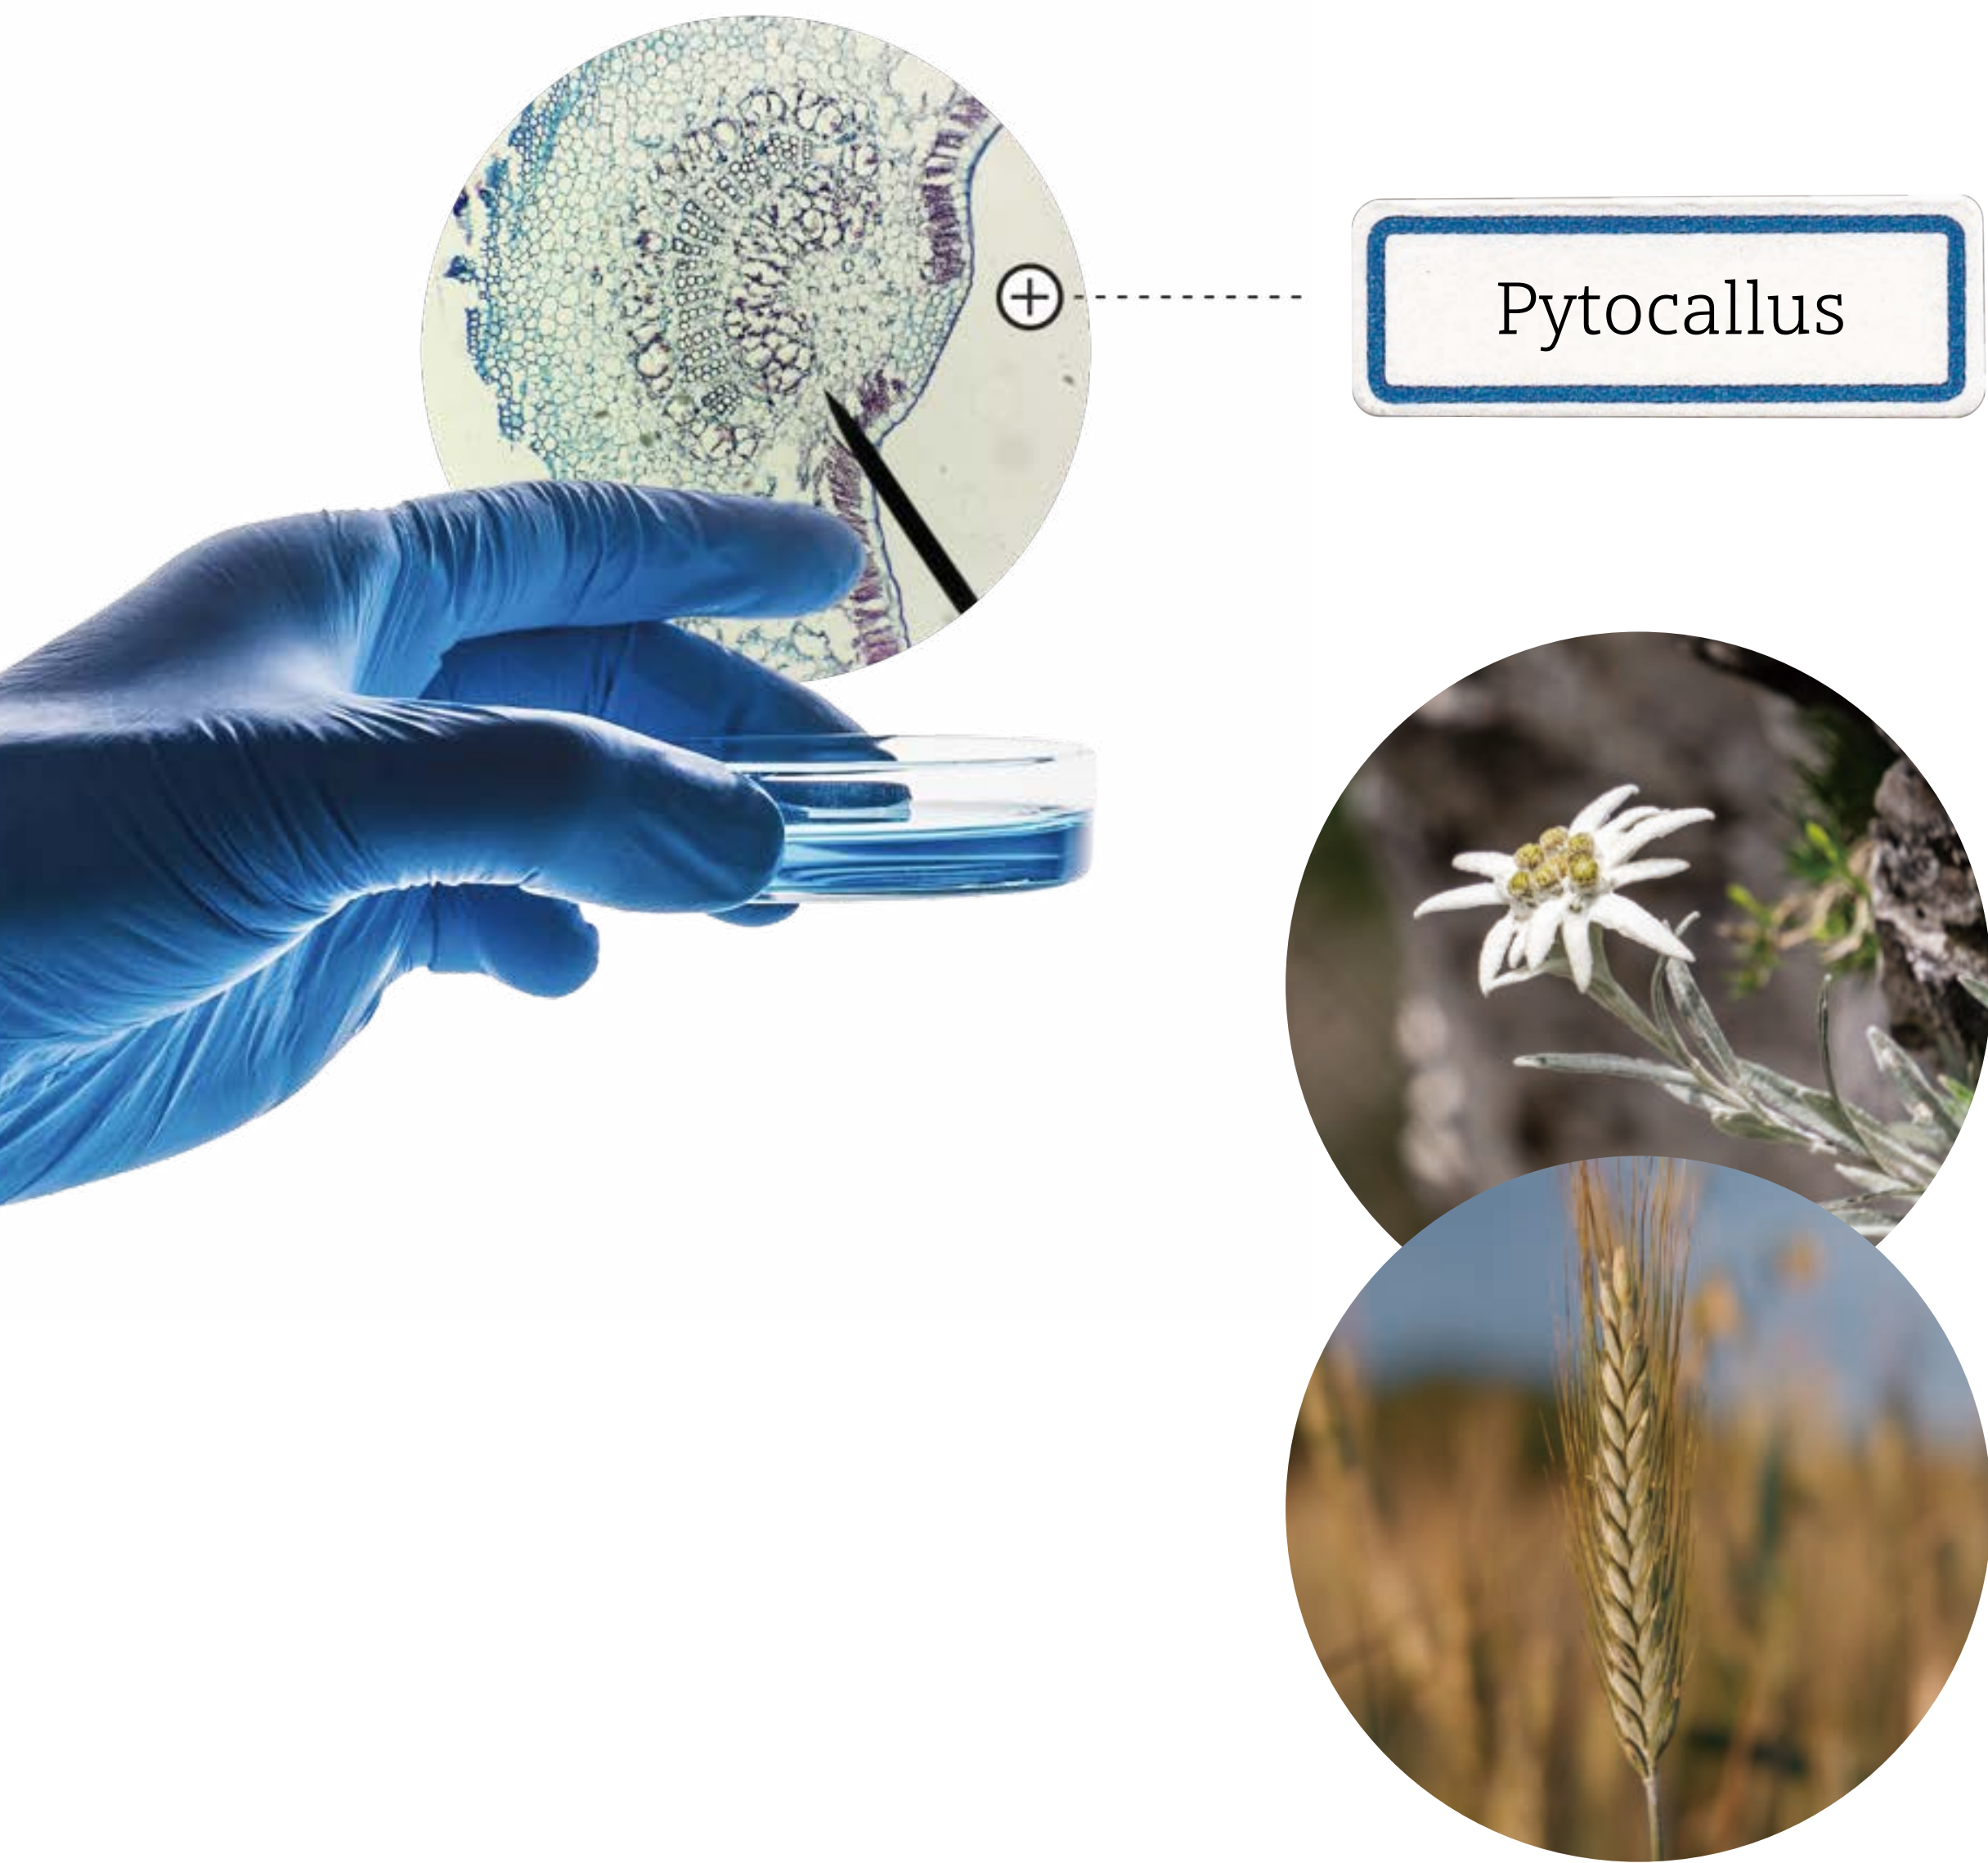

SAGGING SKIN

(PhC Repairing Cream)

Phytocallus Complex is a special material created by combining **Edelweiss callus culture extract** with the **Hydrolyzed rye phytoplacenta extract**.

1)
Edelweiss callus culture extract

Within herbal substances, stevia stands out for its potent antioxidant effects. It contains various polyphenol compounds, including potassium, stevioside, catechin, vitamin A, and vitamin E.

2)
Hydrolyzed rye phytoplacenta extract.

Within herbal substances, stevia stands out for its potent antioxidant effects. It contains various polyphenol compounds, including potassium, stevioside, catechin, vitamin A, and vitamin E.

* Placenta The part where an ovary is formed where nutrients needed for plant growth are accumulated

Effectiveness Proven by Data

As a result of evaluating the efficacy of raw materials,

- 1 Anti-inflammatory
- 2 Antioxidant
- 3 Moisturizing improvement effects were confirmed.

As a result of clinical trials of raw materials,

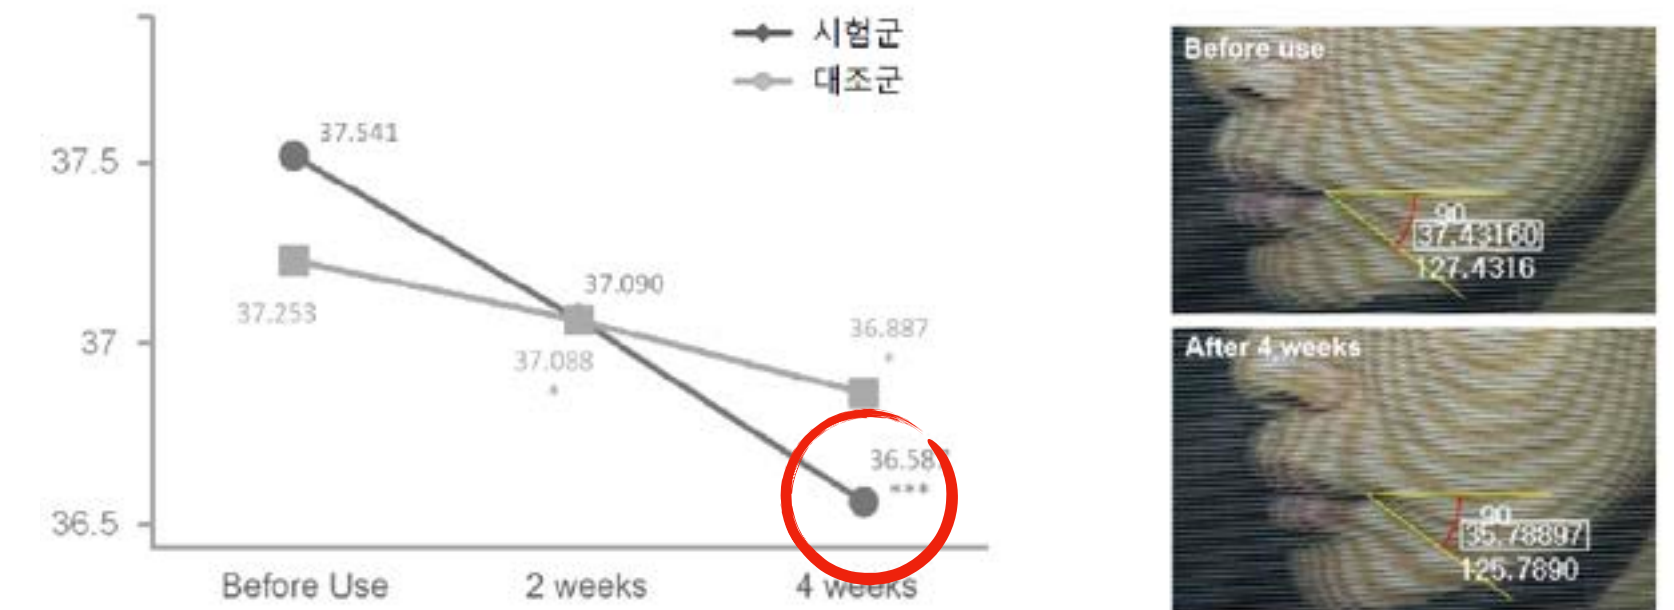

- 1 Improving wrinkles around the eyes
- 2 **Skin lifting**
- 3 **Dermal density**
- 4 **Improving skin moisturizing effects** were confirmed.

Endlessly,

O'LABS finds key raw materials in nature and carefully selects highly effective ingredients and applies them to products.

The selected highly effective vegetable ingredients provide the best synergy to the skin

As a result of evaluating the efficacy of raw materials,

As a result of Skin density improvement ability of raw materials,

PhC BALANCING TONER

High moisturizing Nutrition essence

200ml / 6.76fl.oz

With Deep Sea Water and plant stem cell culture solution (PhC)
, providing exceptional moisture and nourishment for dry skin.

Filled with 84% of deep sea water

Next-Level Hydration

The deep sea water is purified by special desalting technology.
Various mineral ingredients (magnesium, calcium, potassium, silicium)
hold the skin's moisture and soften the skin texture.

Filled with 84% of deep sea water

Highly effective plant-derived ingredient Phytocallus

Phytocallus (Edelweiss stem cell culture + Rye phyto-placenta)
naturally enhances your skin's inherent strength,
promoting optimal skin health and vitality from within.

Skin moisture improvement test

RECOMMEND FOR

- For deeply dry skin
- Rough skin
- Easily irritated skin

Comfortable Deep Moisture Care All Day Long

✓ NO Artificial Humectants

Contains **natural sugar trehalose** instead of artificial humectants
and **N.M.F (Natural Moisturizing Factor) hydroxyethyl urea**,
ensuring a skin-friendly, naturally hydrated complexion

Dewy Skin Like Wearing a Hydration Mask

💧 Increases skin moisture by 93.32%

Despite its light water-based texture, it provides a thorough
moisturizing finish, making your skin look as if you've applied
a **hydration mask** after just one use.

Gentle, Slightly Acidic Toner

⚖️ The beginning of the skincare is to balance pH

Our **buffer solution (citric acid + sodium citrate)** acts as a pH balancer,
helping to restore your skin's healthy pH level to **5.5**.

[Dual-function product for Anti-wrinkle + Brightening]

30ml / 1.01 fl.oz

The synergy of deep-sea water, plant stem cell extract, Triple peptides, and vitality care ingredients breathes life into dry skin, providing intense moisture and elasticity care.

Containing the energy care ingredient “Phytocallus”

Highly effective plant ingredient Phytocallus

Phytocallus complex (Edelweiss stem cell culture fluid + Rye Phytoplacenta ingredient) naturally helps build up the natural strength of the skin, making it the best skin condition that is healthy from the inside.

Extra Lifting

‘Triple Complex’ Peptide

The peptide, the leader of elasticity care, is contained with high density to provide elastic and healthy skin for sagging skin.

*Triple peptide(Acetyl Hexapeptide-8, Copper Tripeptide-1, Palmitoyl Pentapeptide-4)

Whitening Care as well

Sufficient Niacinamide Content

Contains a sufficient amount of Niacinamide, a KFDA-approved whitening ingredient, to brighten dull skin.

Dual (outside inside) elasticity improvement test

Skin moisture improvement test

RECOMMEND FOR

- Deeply Dry Skin
- Skin with Fine Lines and Loss of Firmness
- Dull and Uneven Skin Tone

Different levels of Moisture transfer power

Increases skin moisture by 125.57%

The deep sea water from the East Sea is purified by special desalting technology. Various mineral ingredients (magnesium, calcium, potassium, silicium) hold the skin's moisture and soften the skin’s texture.

Nutrition care for rough skin

Beta Glucan + Highly Concentrated Stevia

Beta-glucan and high-enriched stevia extract which is extracted by O’LABS provides deep moisturizing and comfortable stability to the skin.

Dense feeling of Elasticity

PhC Lifting Serum with a dense finish improves skin density to regain elasticity.

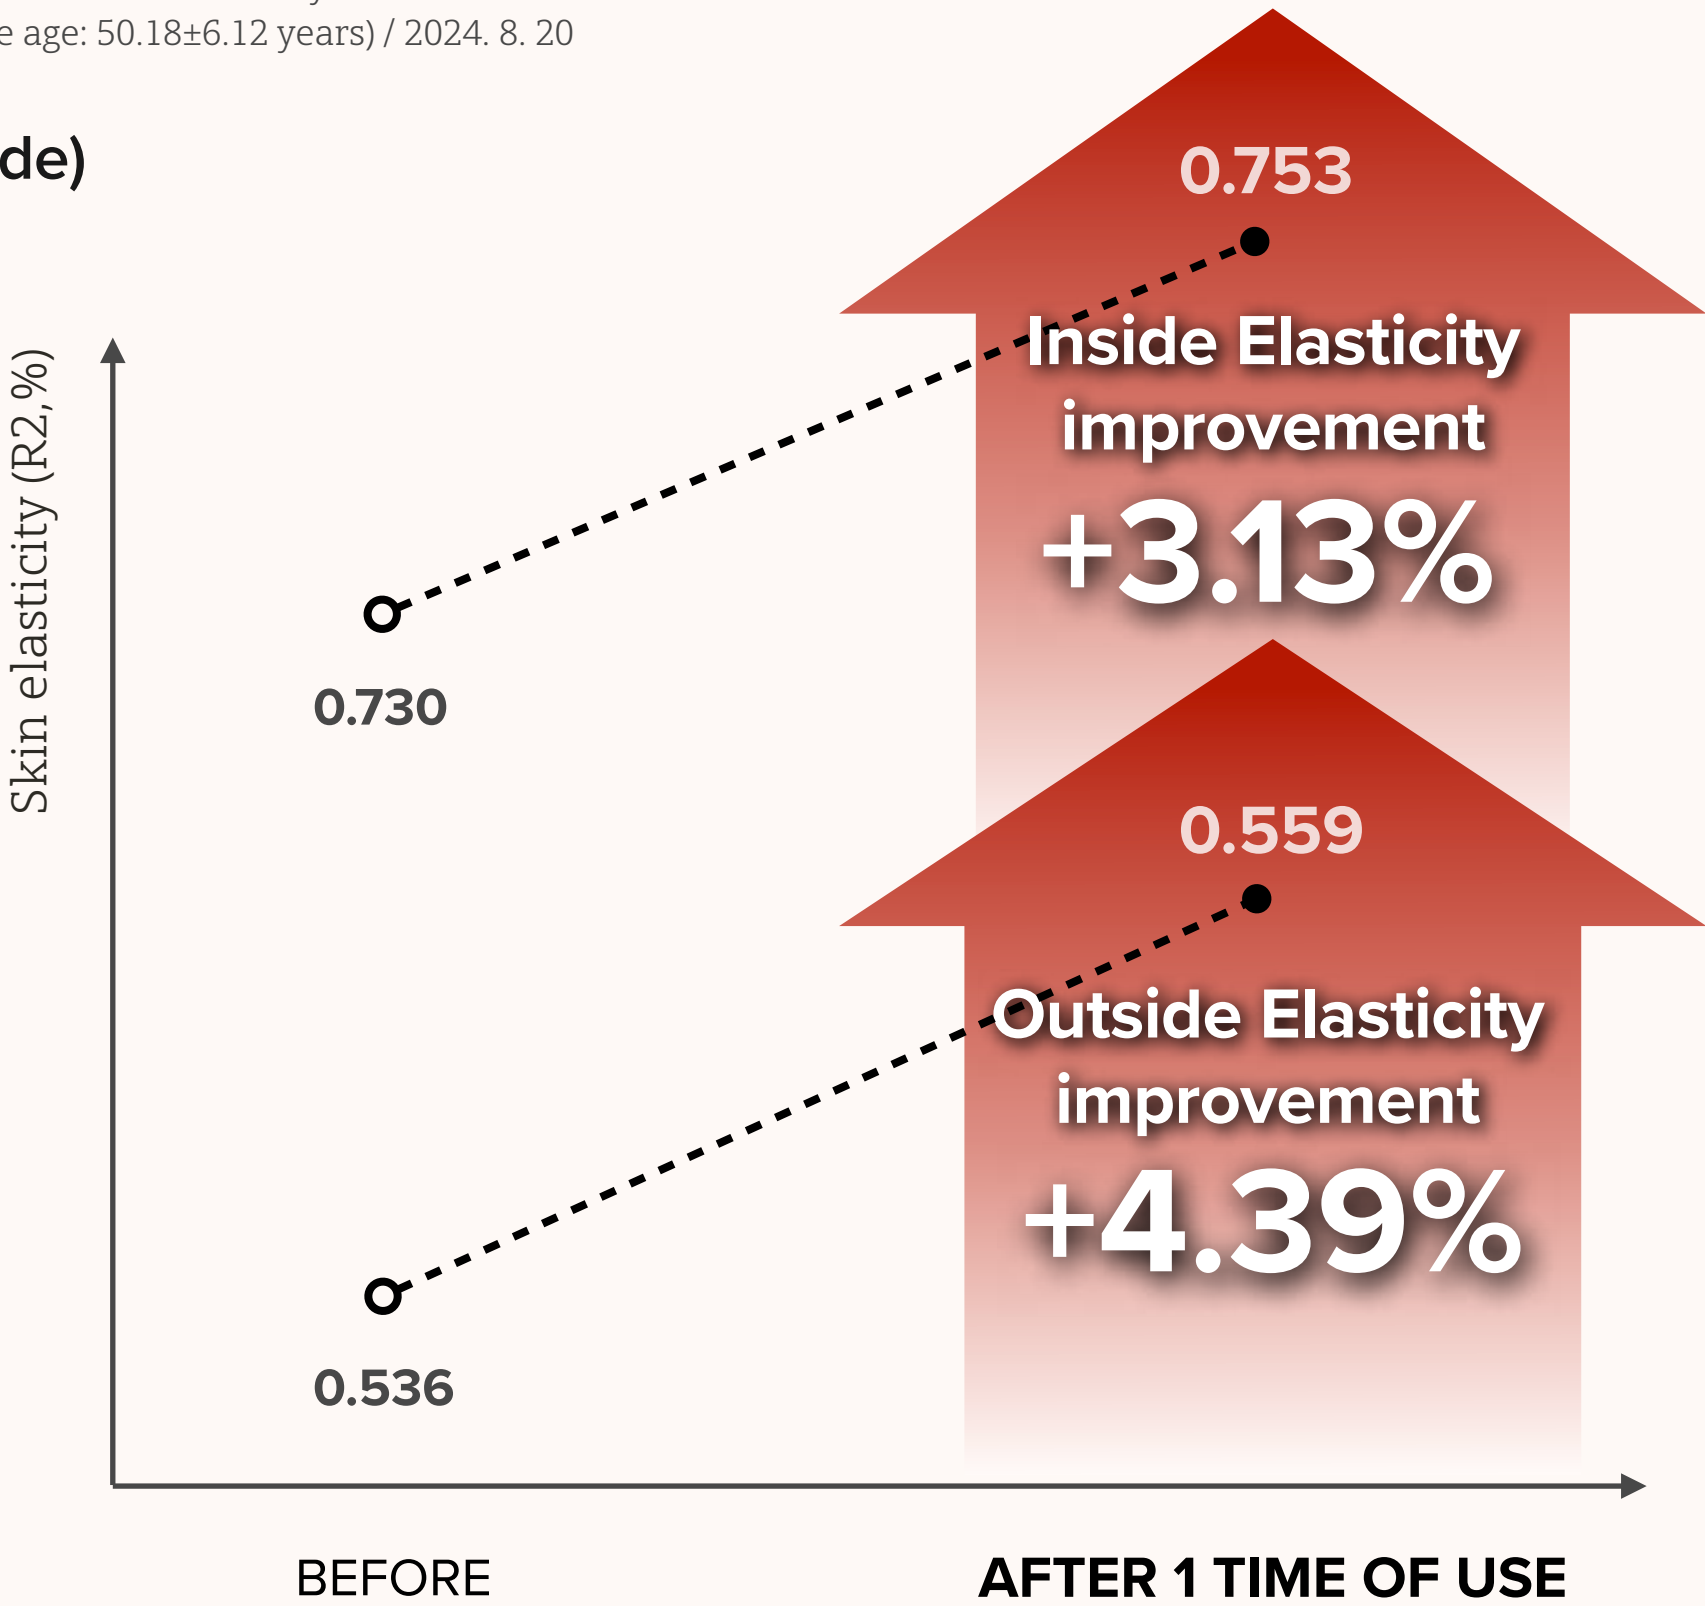

CLINICAL TEST

Skin dual (outside + inside) elasticity improvement test

OATC Skin Clinical Trial Center
22 adult Korean women with decreased facial skin elasticity
inclusion and exclusion criteria (Average age: 50.18±6.12 years) / 2024. 8. 20

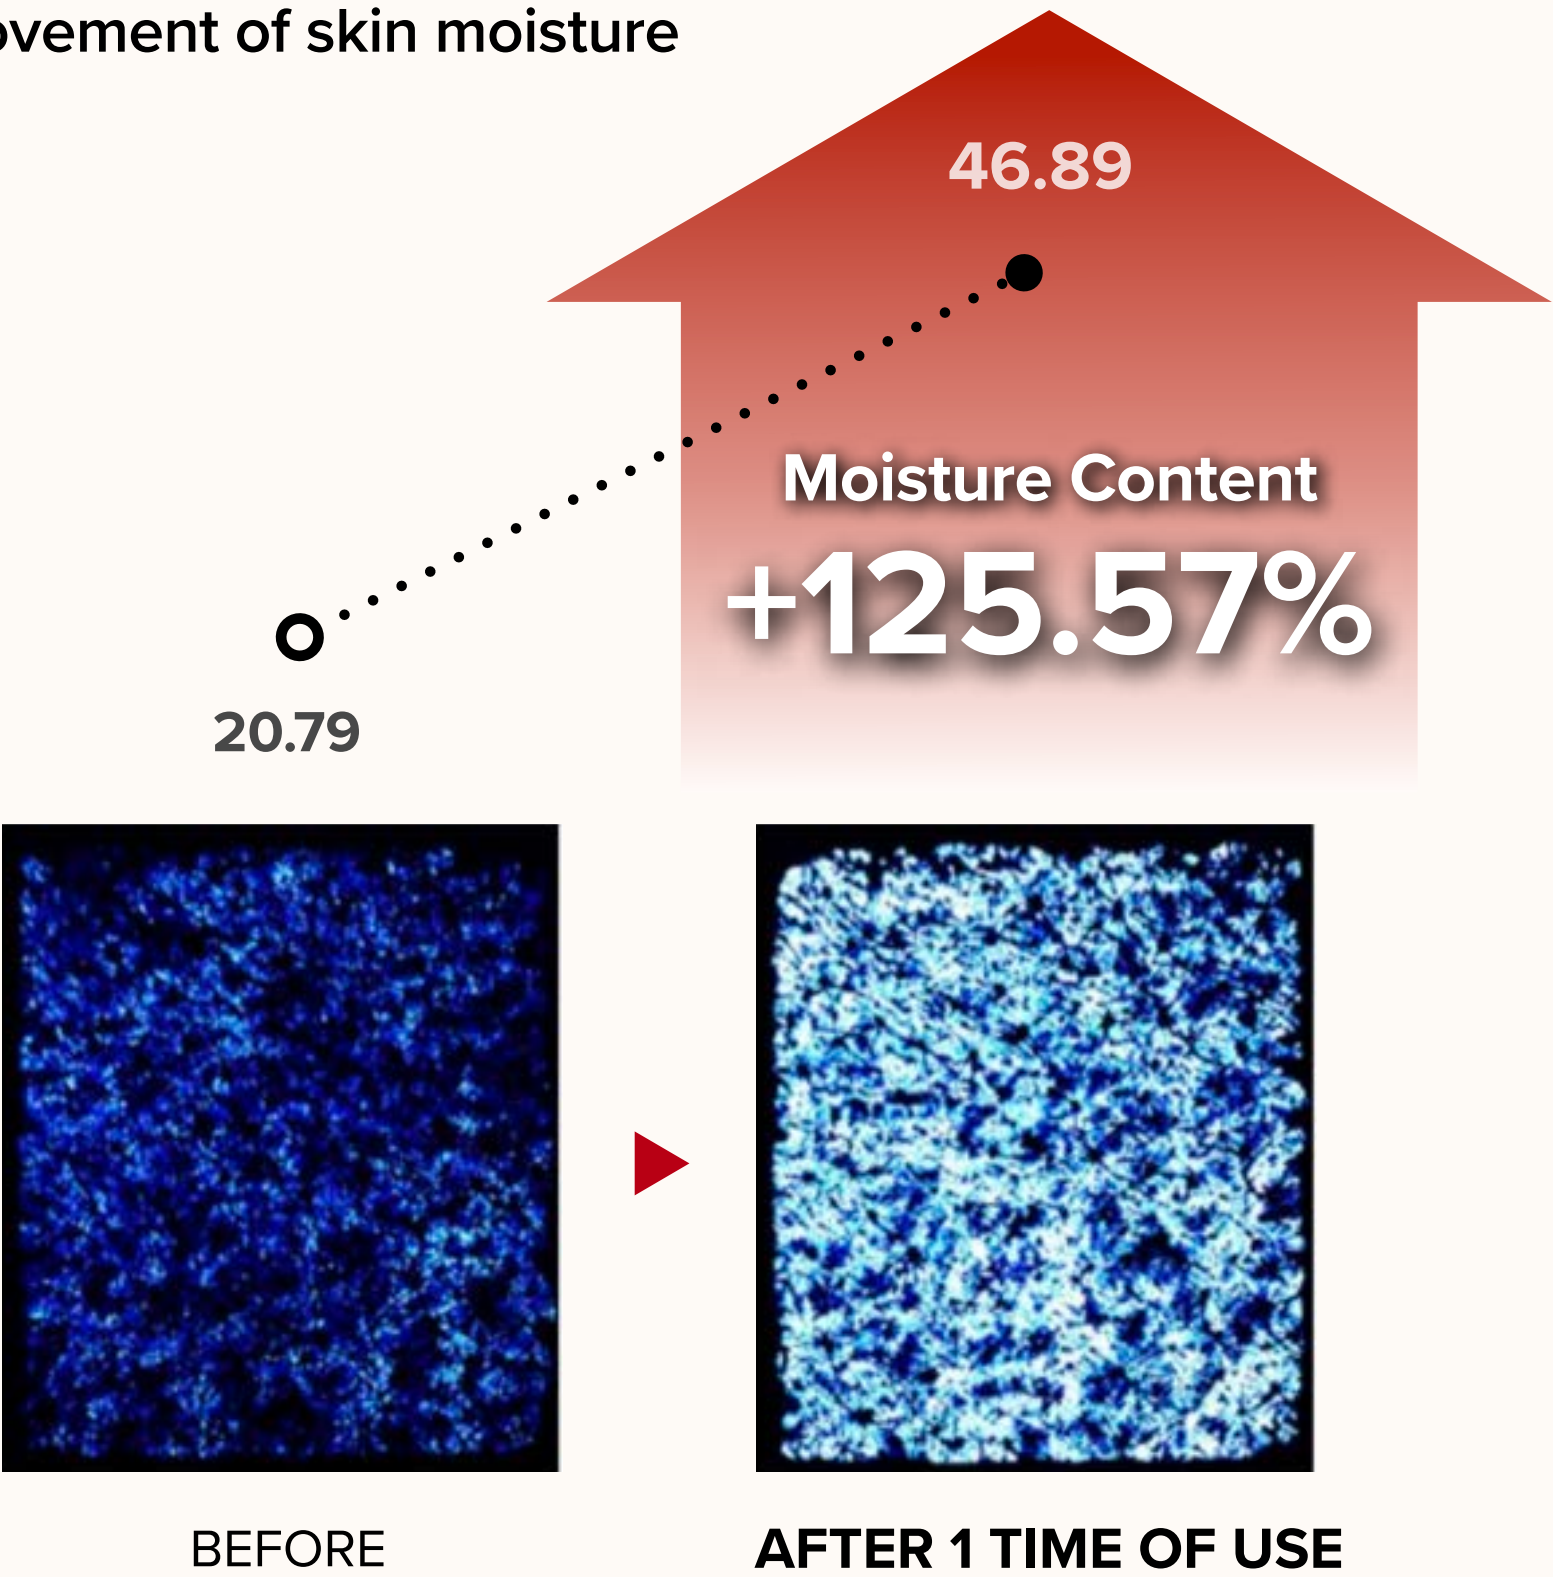

Skin dual (outside + inside)
elasticity improvement

Human application test on skin moisturizing improvement

Korea Institute of Dermatological Sciences
23 adult women aged 29-59 / 2022. 4. 20 - 2022. 5. 23

Improvement of skin moisture

INFORMATION

Product Name	O’LABS PhC Lifting Serum
Capacity / Weight	30ml / 1.01fl.oz.
Skin Type	All skin, Dry skin
Expiration Date	36months for unopened, 6 months after opened
Manufacturer	COVIX CO., LTD
Responsible seller	RMSCIENCE CO.,LTD
Country of origin	South Korea

Infused with Deep Sea Water, Plant stem cell culture extract,
and Triple peptides to revitalize dry skin
Moisturizing • firming care serum

HOW TO USE

After using the toner, apply an appropriate amount to the skin and gently pat it to absorb it.

INGREDIENTS

Sea Water, Glycerin, Dipropylene Glycol, Acetyl Hexapeptide-8, Niacinamide, Lactobacillus/Soybean Ferment Extract, Saccharomyces/Barley Seed Ferment Filtrate, Lactobacillus/Pear Juice Ferment Filtrate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Stevia Rebaudiana Leaf Extract, Leontopodium Alpinum Callus Culture Extract, Malus Domestica Fruit Cell Culture Extract, Vitis Vinifera (Grape) Fruit Cell Extract, Glyceryl Glucoside, Dimethyl Sulfone, Hydrolyzed Rye Phytoplacenta Extract, Copper Tripeptide-1, Palmitoyl Pentapeptide-4, Centella Asiatica Extract, Madecassoside, Sophora Flavescens Root Extract, Sophora Japonica Bud Extract, Beta-Glucan, Butylene Glycol, Propanediol, Artemisia Capillaris Extract, Olea Europaea (Olive) Fruit Extract, 1,2-Hexanediol, Dehydroxanthan Gum, Inonotus Obliquus (Mushroom) Extract, Gardenia Florida Fruit Extract, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Arginine, Sodium Hyaluronate, Aloe Barbadensis Leaf Juice Powder, Panthenol, Dipotassium Glycyrrhizate, Adenosine, Lavandula Angustifolia (Lavender) Oil, Citrus Aurantium Bergamia (Bergamot) Fruit Oil, Citrus Aurantium Amara (Bitter Orange) Flower Oil, Hydrolyzed Fibroin

PhC REPAIRING CREAM

High-Nutrition Cream for Deep Hydration & Firmness Care

[Dual-function product for Anti-wrinkle + Brightening]

60ml / 2.02 fl.oz

A high-nutrition, firming, and moisturizing cream that provides both elasticity and brightening care, powered by deep-sea water, plant stem cell culture extract, Triple ceramide, and barrier-care synergy ingredients.

Perfect energy care for Dry & Lacking shiny skin

Highly effective plant ingredient Phytocallus

Phytocallus complex (Edelweiss stem cell culture fluid + Rye Phytoplacenta ingredient) naturally helps energy care of the skin to make healthy and balanced skin.

Sufficient Niacinamide Content

It contains niacinamide, a skin-whitening ingredient to help brighten dull skin.

A strong skin barrier like a moisturizing shield

Fermentation extract

Plant fermentation complexes are low molecularized in the process of fermenting various amino acids and vitamins in plants, resulting in high skin absorption and help maintain healthy skin barriers and nutritional care.

Stevia extract

The stevia extract directly extracted by O'LABS was confirmed to be effective in relieving itching caused by drying through an in-vitro efficacy evaluation test of the raw material.

DERMATEST® GERMANY CERTIFIED

Skin barrier improvement test
(by external stimulation)

Skin moisture improvement test

RECOMMEND FOR

- Deeply dry skin
- Skin with concerns about fine lines & loss of elasticity
- Damaged barrier skin
- Dull and uneven skin

Repairing with a dense skin barrier

Triple Ceramide

Since it contains NP, AP, and EOP, not a single ceramide, These can provide dense skin barrier care so that moisture no longer evaporates.

Different levels of Moisture transfer power

Filled with Deep sea water

The deep sea water from the East Sea is purified by special desalting technology. Various mineral ingredients (magnesium, calcium, potassium, silicium) hold the skin's moisture and soften the skin's texture.

Melting Texture

The texture of the cream that melts gently creates a subtle and shiny skin.

CLINICAL TEST

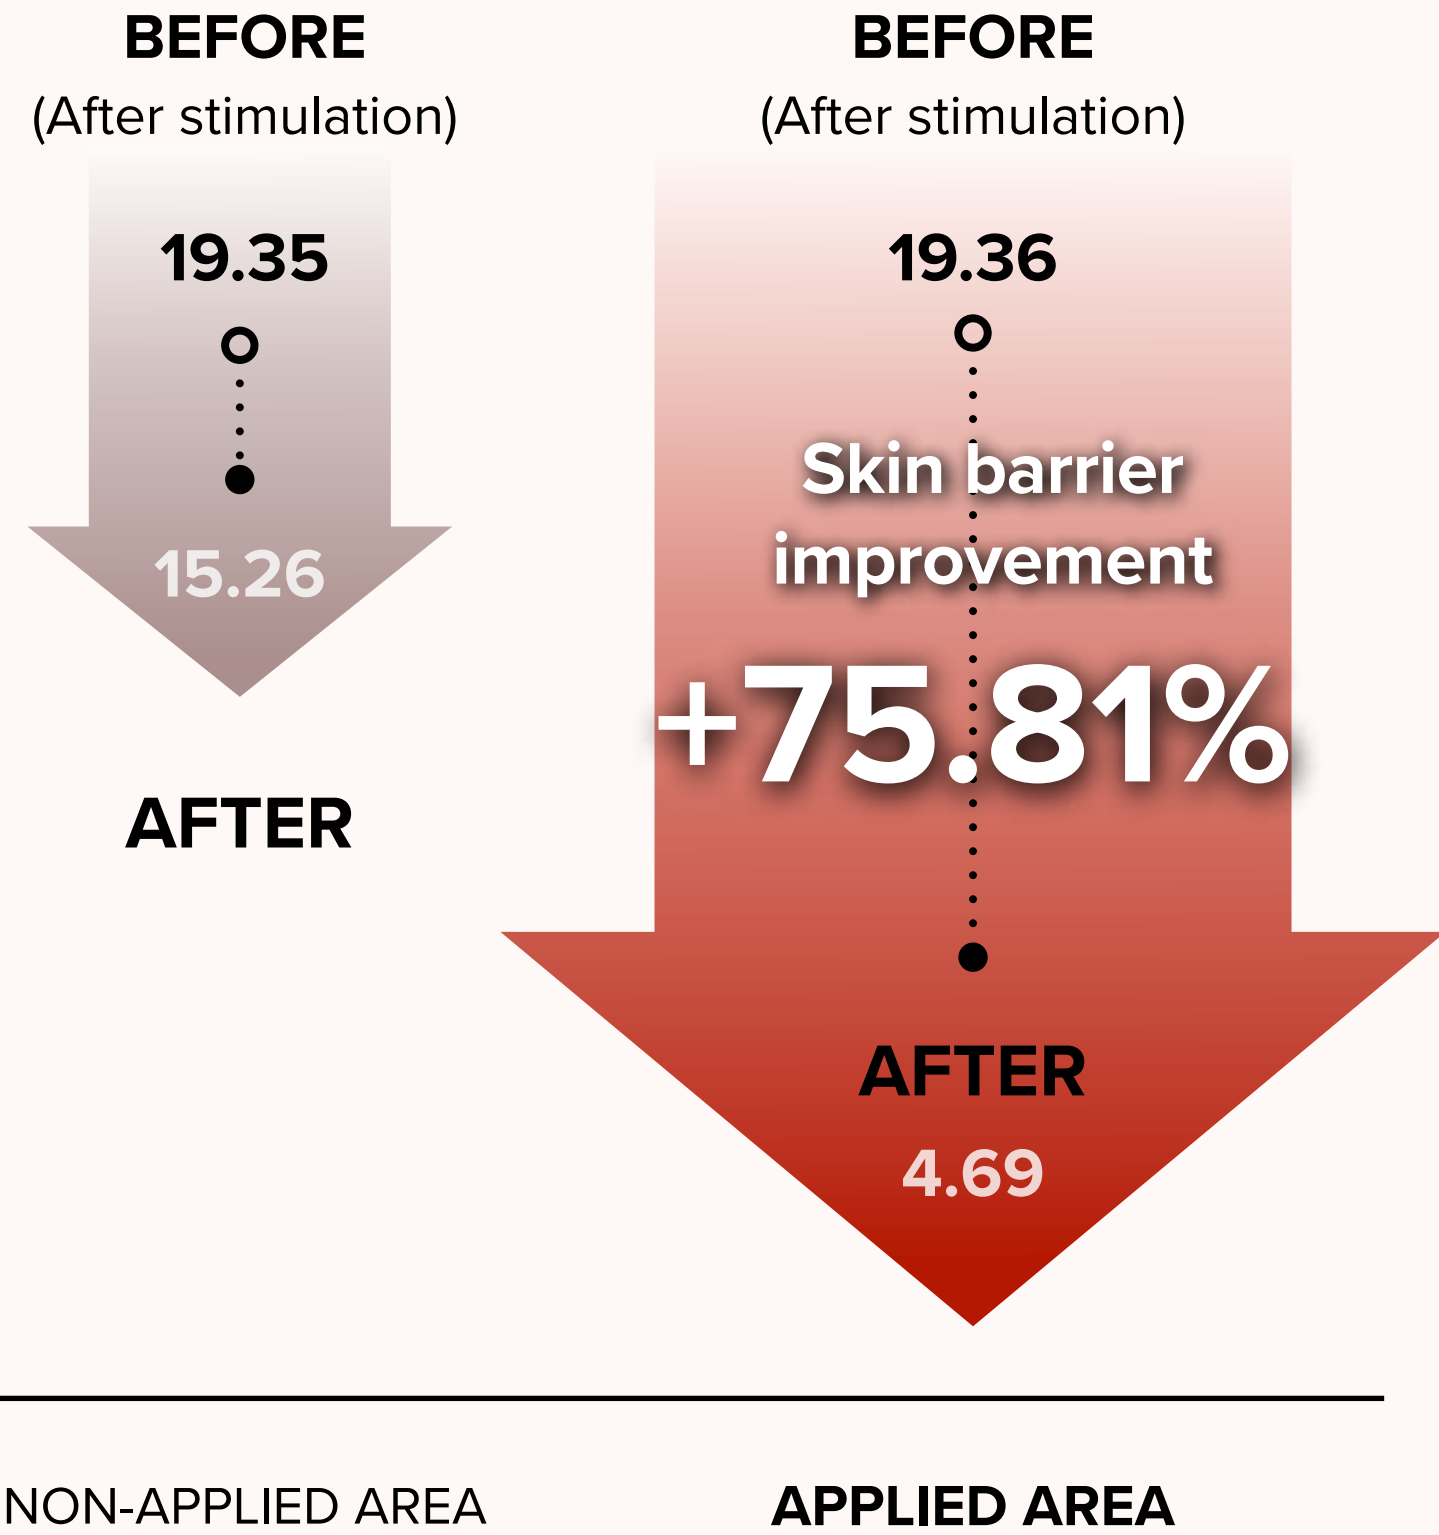

Skin barrier improvement test (by external stimulation)

OATC Skin Clinical Trial Center
22 adult Korean women with decreased facial skin elasticity
inclusion and exclusion criteria (Average age: 50.18±6.12 years) / 2024. 8. 20

Skin barrier improvement
(by external stimulation)

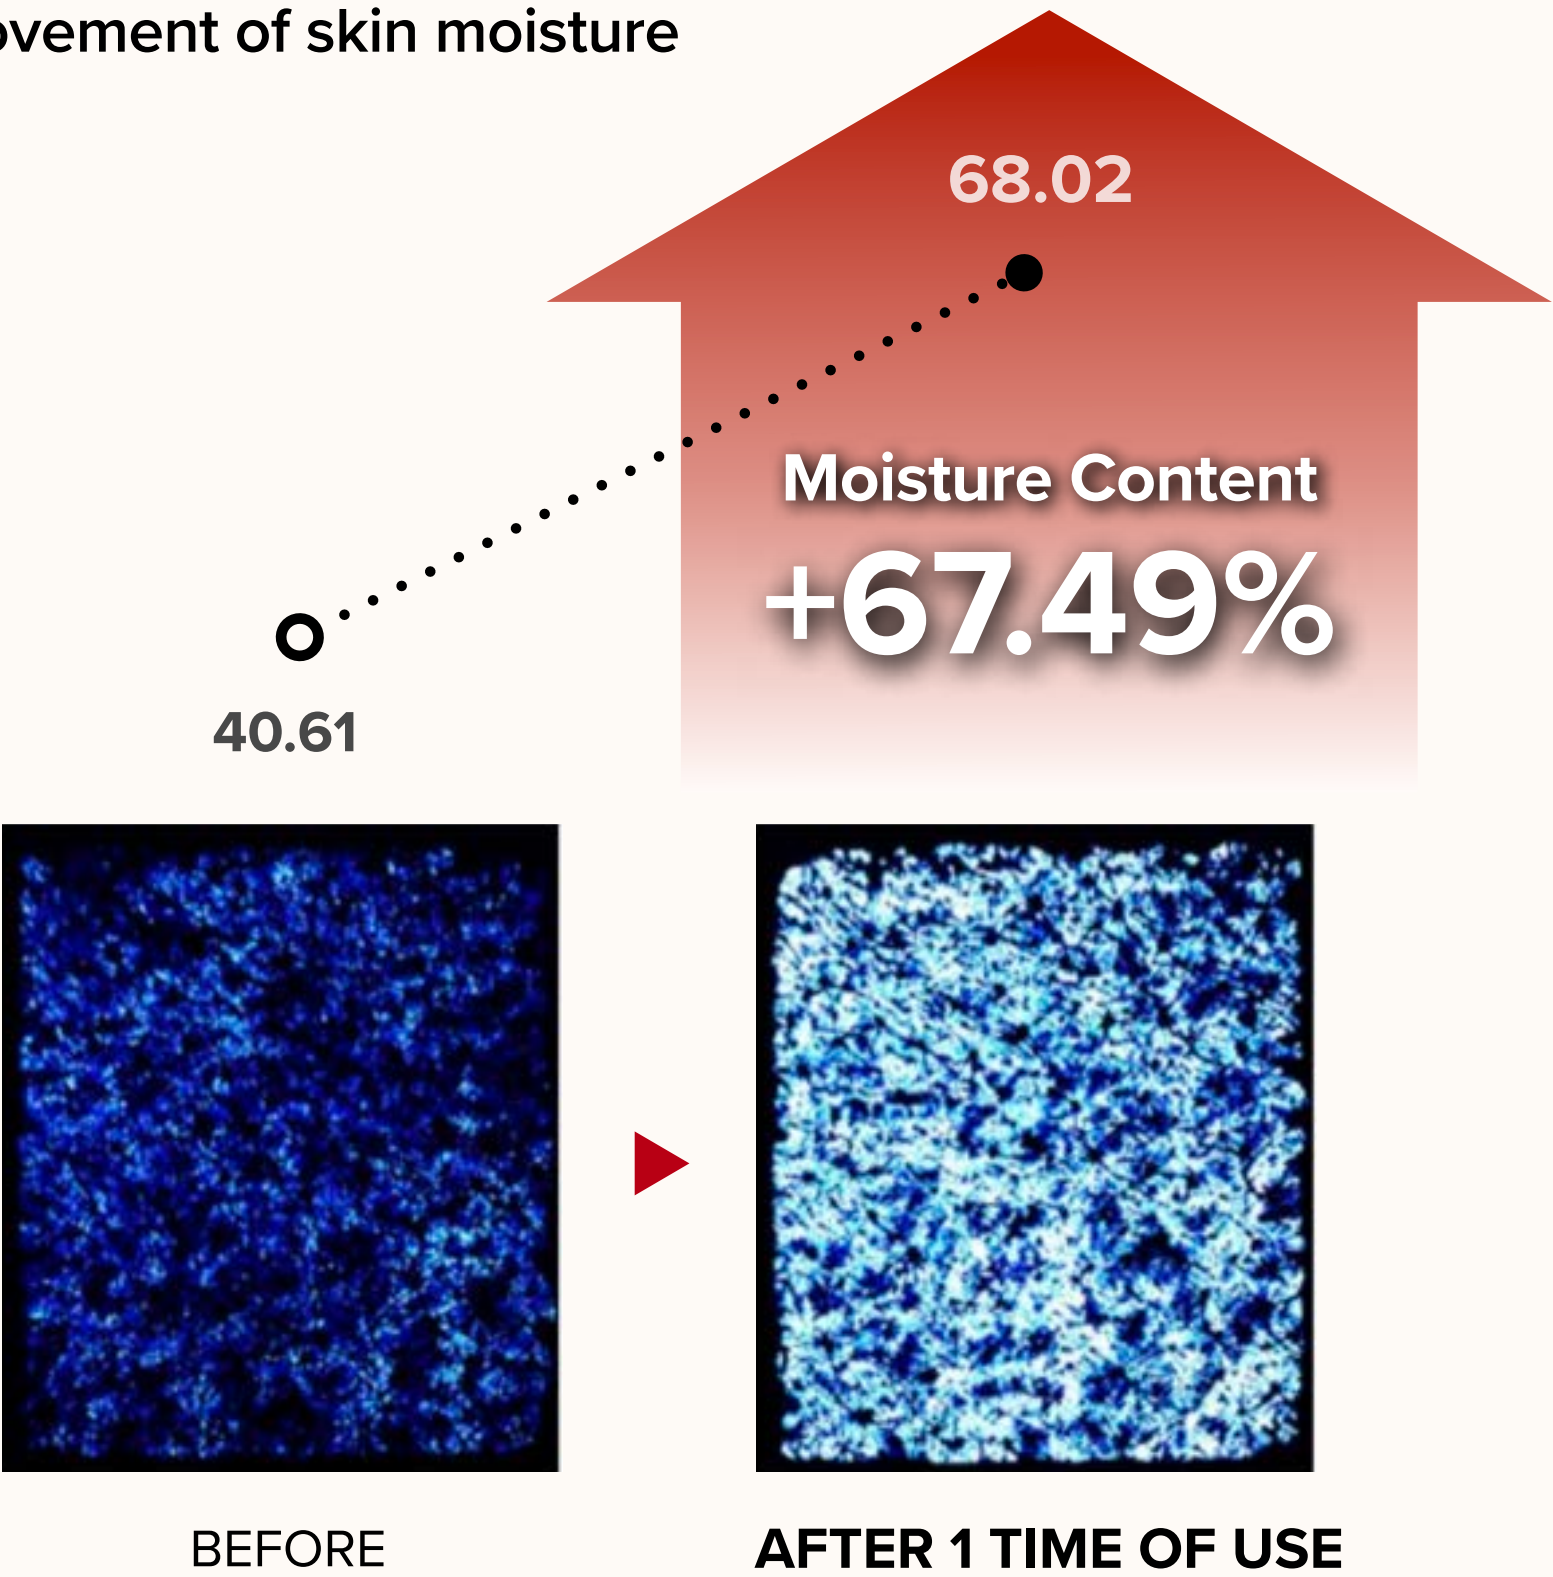

Transepidermal Water Loss. (T.E.W.L., g/m²/h)

Improvement of skin moisture

INFORMATION

Product Name	O’LABS PhC Repairing Cream
Capacity / Weight	60ml / 2.02fl.oz.
Skin Type	All skin, Dry skin
Expiration Date	36months for unopened, 6 months after opened
Manufacturer	COVIX CO., LTD
Responsible seller	RMSCIENCE CO.,LTD
Country of origin	South Korea

With Triple ceramide and plant stem cell culture solution
Provides both elasticity and moisturizing
High nutrition, elasticity, and moisturizing cream

HOW TO USE

At the last step of skin care, apply an appropriate amount to the skin
and gently pat it to absorb it.

INGREDIENTS

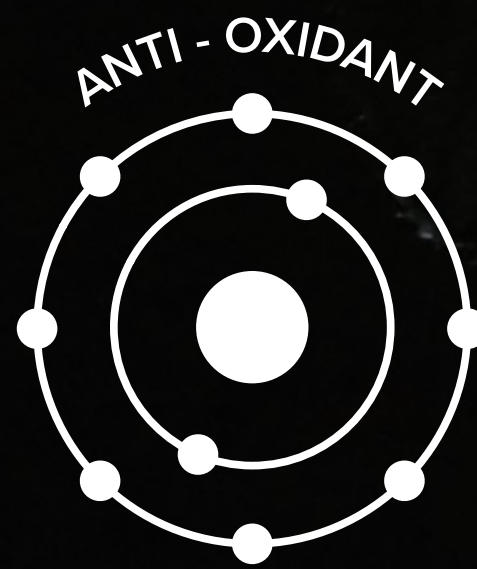

Sea Water, Glycerin, Butylene Glycol, Dicaprylyl Carbonate, Butylene Glycol Dicaprylate/Dicaprate, Cetyl Alcohol, Hydrogenated Polydecene, Cetyl Ethylhexanoate, Dimethicone, Niacinamide, Lactobacillus/ Soybean Ferment Extract, Saccharomyces/Barley Seed Ferment Filtrate, Lactobacillus/Pear Juice Ferment Filtrate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Ceramide NP, Ceramide AP, Ceramide EOP, Phytosphingosine, Cholesterol, Sodium Lauroyl Lactylate, Xanthan Gum, Leontopodium Alpinum Callus Culture Extract, Malus Domestica Fruit Cell Culture Extract, Vitis Vinifera (Grape) Fruit Cell Extract, Polyhydroxystearic Acid, Hydrogenated Vegetable Oil, Dimethyl Sulfone, Hydrolyzed Rye Phytoplacenta Extract, Centella Asiatica Extract, Madecassoside, Sophora Flavescens Root Extract, Sophora Japonica Bud Extract, Glyceryl Glucoside, Copper Tripeptide-1, Propanediol, Artemisia Capillaris Extract, Olea Europaea (Olive) Fruit Extract, 1,2-Hexanediol, Stevia Rebaudiana Leaf Extract, C14-22 Alcohols, C12-20 Alkyl Glucoside, Polyglyceryl-3 Methylglucose Distearate, Octyldodecanol, Echium Plantagineum Seed Oil, Helianthus Annuus (Sunflower) Seed Oil Unsaponifiables, Cardiospermum Halicacabum Flower/Leaf/Vine Extract, Tocopherol, Sodium Acrylates Copolymer, Lecithin, Bisabolol, Lavandula Angustifolia (Lavender) Oil, Citrus Aurantium Bergamia (Bergamot) Fruit Oil, Citrus Aurantium Amara (Bitter Orange) Flower Oil, Sodium Polyacrylate, Sodium Hyaluronate, Aloe Barbadensis Leaf Juice Powder, Allantoin, Panthenol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Dipotassium Glycyrrhizate, Adenosine, Arginine, Hydrolyzed Fibroin

IDEMEZ™ SKIN REBIRTH CREAM

Total Elasticity Anti-aging Treatment with IDEMEZ™

An O'LABS' unique technology IDEMEZ™ to enhance
The skin absorption of the best antioxidant ingredient,
IDEBENONE to help improve elasticity and skin aging

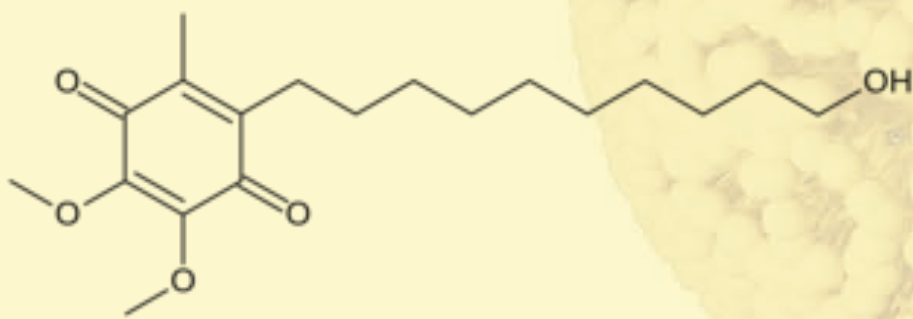

*

IDEBENONE

: The most powerful antioxidant

Idebenone is the ingredient with the most powerful antioxidant power among the antioxidants discovered to date.

It is a synthetic derivative of coenzyme Q10, which plays a key role when cells divide.

It has the effect of

- 1 promoting collagen synthesis,
- 2 preventing cell damage,
- 3 preventing oxidation of cells.

*Idebenone is classified as a grade 1 antioxidant by the American Academy of Dermatology(AAD)

ABOUT IDEMEZ™

The Idebenone content, renowned as the ultimate antioxidant is boosted by O'LABS' proprietary formulation technology, enhancing skin absorption.

✔ *World's highest level of Idebenone skin absorption and content*

IDEBENONE
CONTENT
30%

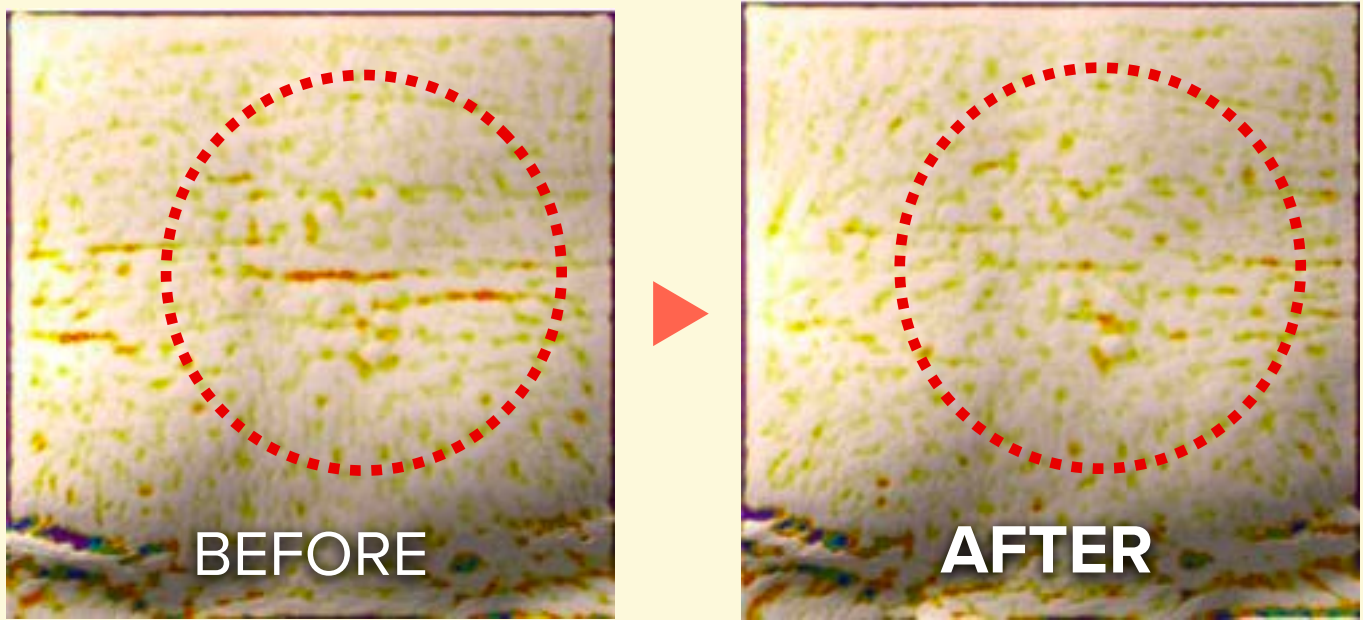

SMEDDS

(Self Micro-emulsifying Drug Delivery System)

Applying SMEDDS (Self Micro Emulsifying Drug Delivery System) from pharmacy. A new formulation technology enhances the content and skin absorption rate of idebenone, a poorly emulsifying substance with non-homogeneous properties, using poorly soluble and crystalline materials.

ADAPTION

* Wrinkle improvement demonstrated in clinical trials for 'IDEMEZ SKIN REBIRTH CREAM,' incorporating this technology.

✔ COSMETIC FORMULATION PATENT

[NO. 10-2464350]
Lipid Bids containing IDEBENONE or its pharmacologically acceptable salt, and method of manufacturing

[NO. 10-2021-0142567]
IDEBENONE dermal absorption-promoting composition and lipid bids containing it

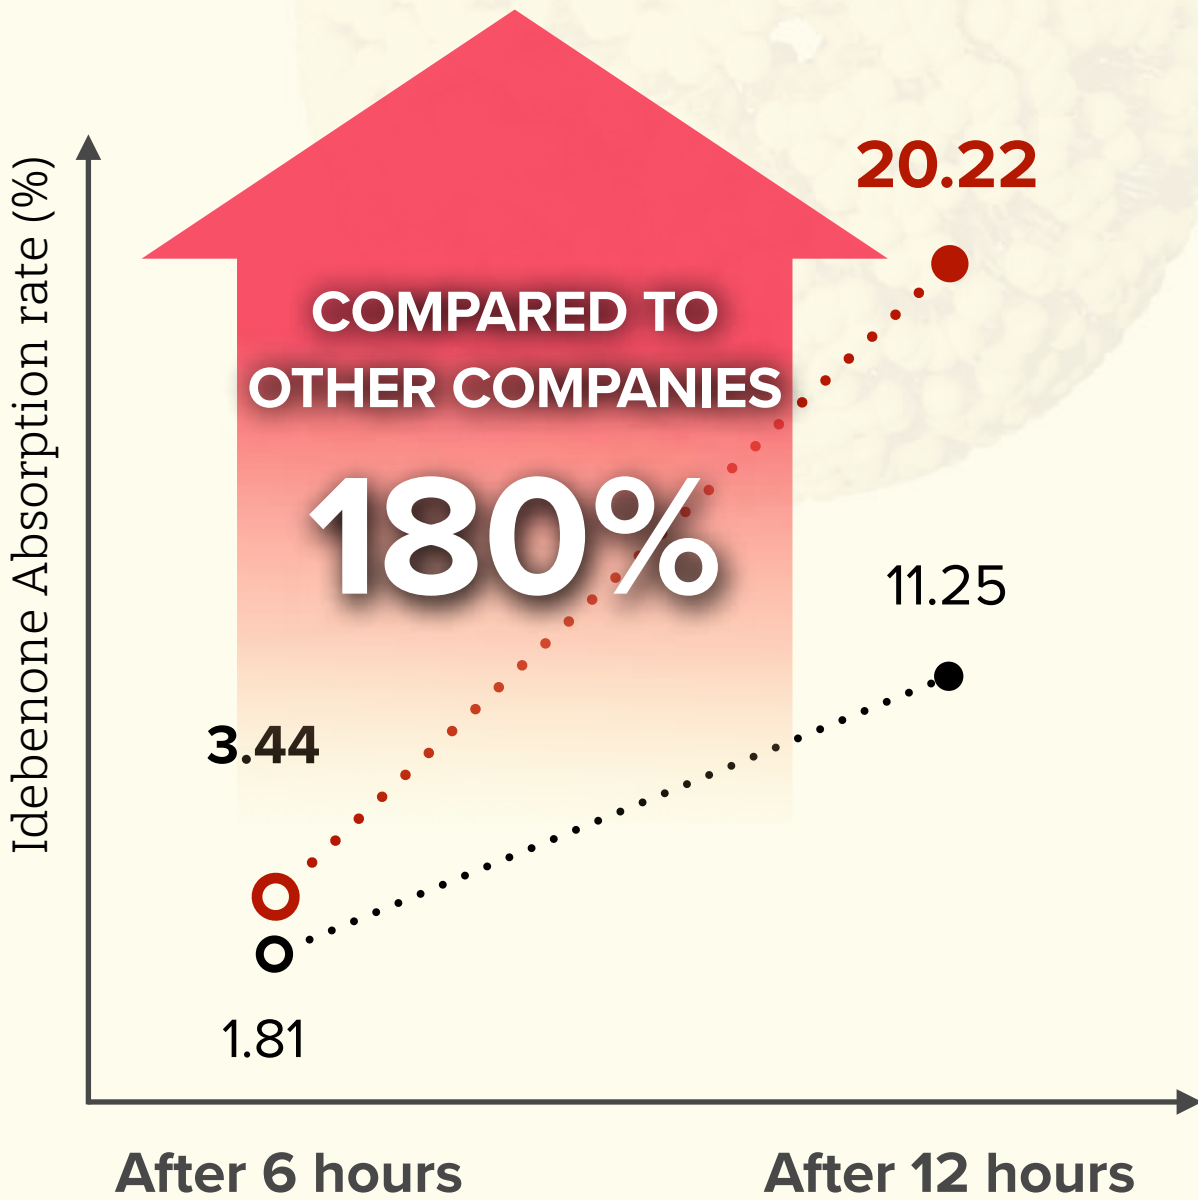

STRENGTHS OF
IDEMEZ™ TECHNOLOGY

(1) SMALL SIZE

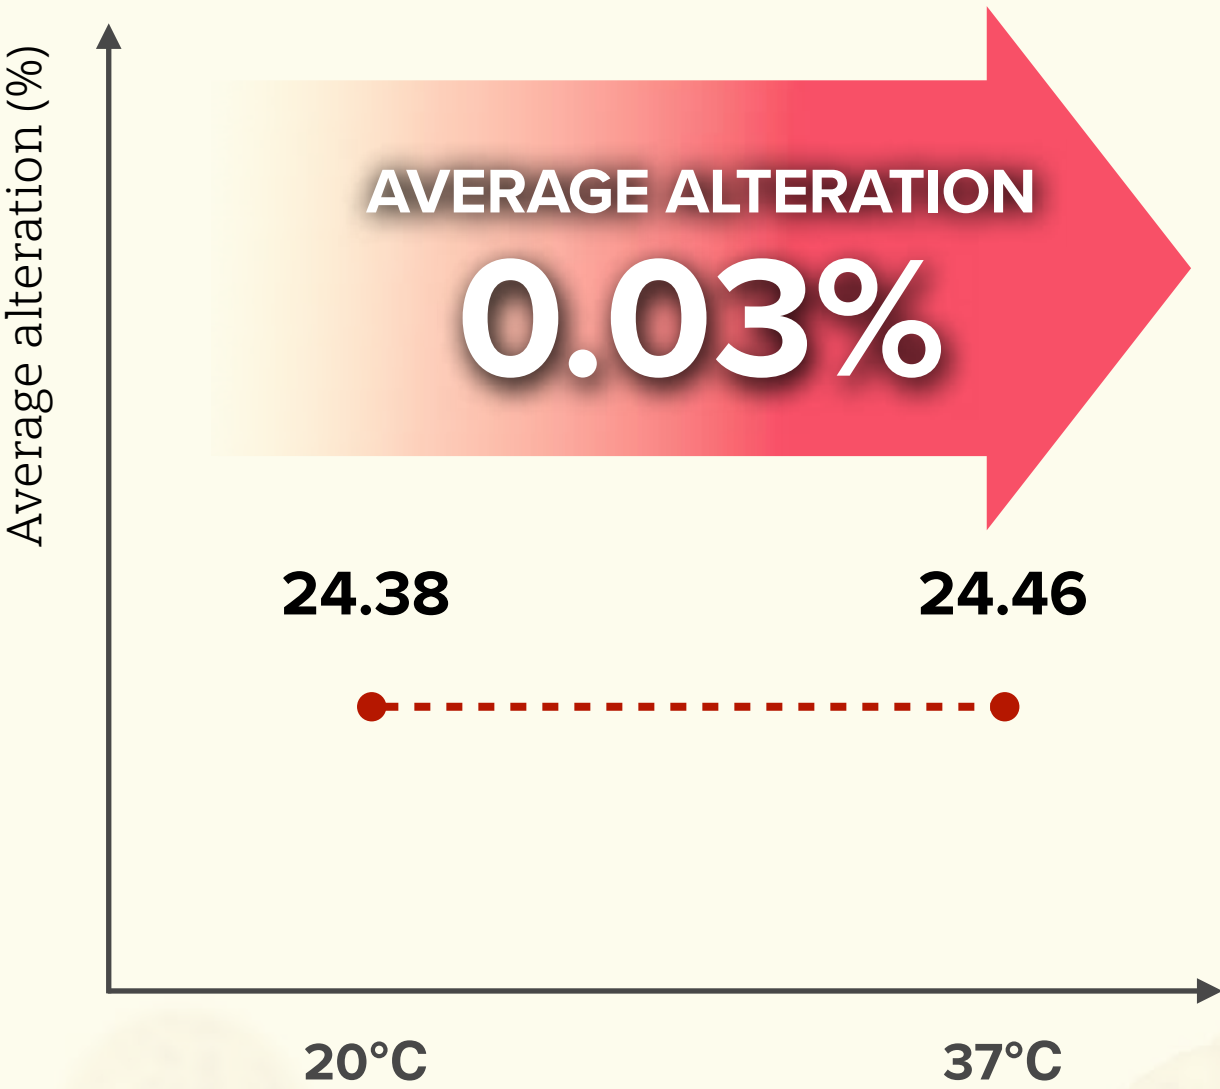

It boasts a compact size of 82.7nm, approximately one-third of the average particle size of 300nm in SMEDDS technology, ensuring seamless absorption into the skin.

(2) HIGH ABSORPTION

As a result of evaluating Idebenone skin absorption through an artificial membrane similar to human skin, It showed 180% superior skin absorption compared to other companies' control materials.

(3) HIGH STABILITY

In a constant temperature stability evaluation, the idebenone content in SMEDDS technology was found to remain stable, with minimal change, confirming a consistent level of 0.03%

IDEMEZ™ SKIN REBIRTH CREAM

Total anti-aging treatment

[Whitening • Wrinkle Dual Functional product]

20ml/ 0.68fl.oz

An anti-aging care cream,
It features the best antioxidant IDEBENONE
with the world's highest content
and highest absorption rate using IDEMEZ™ technology

Potent antioxidant component

Unrivaed antioxidant potency: IDEBENONE

IDEBENONE is renowned for its potent antioxidant properties, surpassing vitamin C in antioxidant capacity by fourfold. It boasts superior antioxidant effects compared to Coenzyme Q10.

Innovative patented technology

IDEBENONE + SMEDDS technology

A Self-Micro Emulsifying Drug Delivery System (SMEDDS), commonly used in pharmacy, was employed to assess the content and skin absorption rate of idebenone. This product utilizes O'LABS' patented formulation technology and has undergone significant enhancements.

[Patent No. :10-2462350]

CLINICAL TEST COMPLETED

Lifting improvement tests

RECOMMEND FOR

- Skin concerned with various types of wrinkles
- Dull and tired-looking skin
- For those who need comprehensive and powerful Anti-aging care

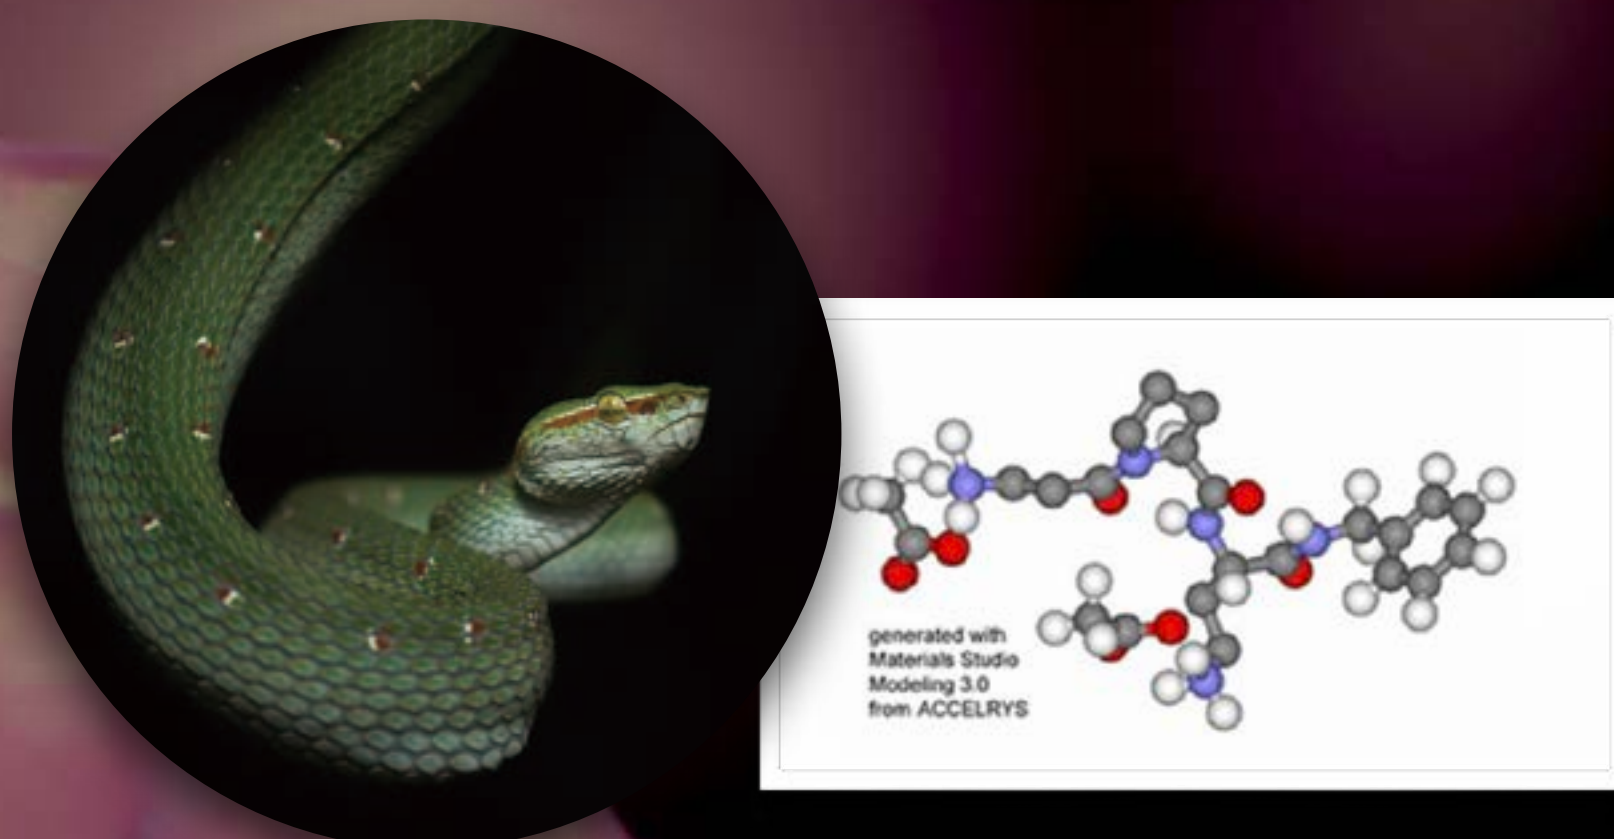

SYN®-AKE + PEPTIDE COMPLEX

: Known as the applied Botox

SYN-AKE 4% + Peptide Complex 4.2%

Known as 'applied Botox' and 'snake venom Peptide' ingredients, combine the elasticity synergy of **SYN®-AKE** with a highly concentrated **peptide complex**, providing even more resilience to sagging skin when combined with Idebenone.

As the **6th generation peptide**, Syn®-Ake is gaining attention from the anti-aging community for its outstanding **wrinkle-improving effects**.

* Syn®-Ake is developed as a cosmetic ingredient, having undergone stability testing for cosmetic formulation.

* It is a synthetic tripeptide derivative mimicking waglerin 1, a toxin found in the Temple viper's venom. (The actual venom is not included.)

CLINICAL TEST

with 45 participants (in vivo)

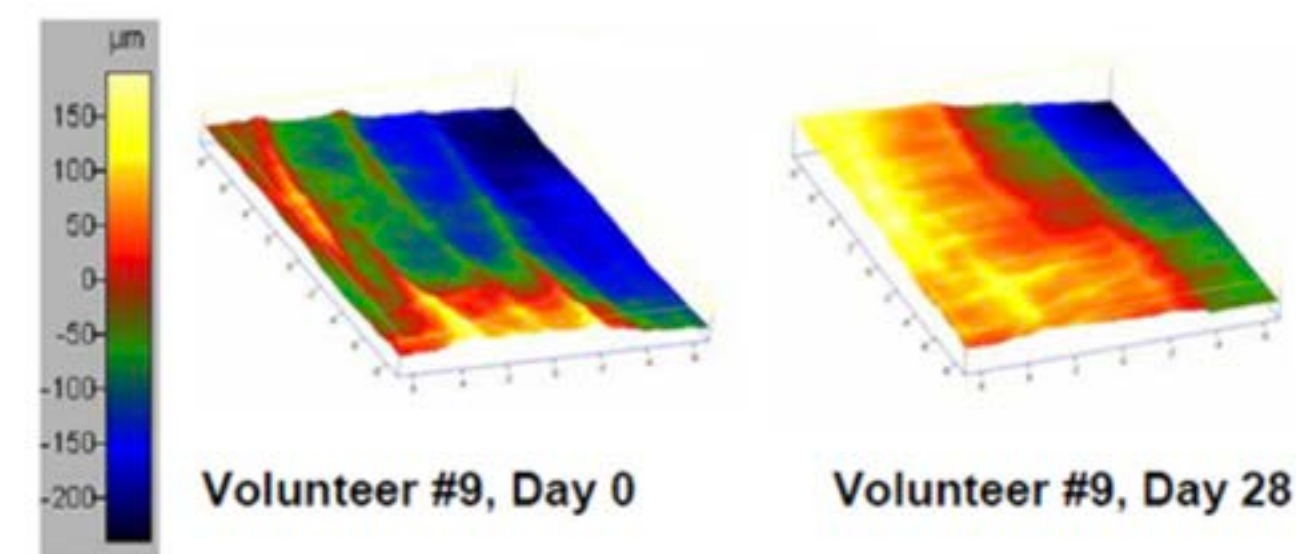

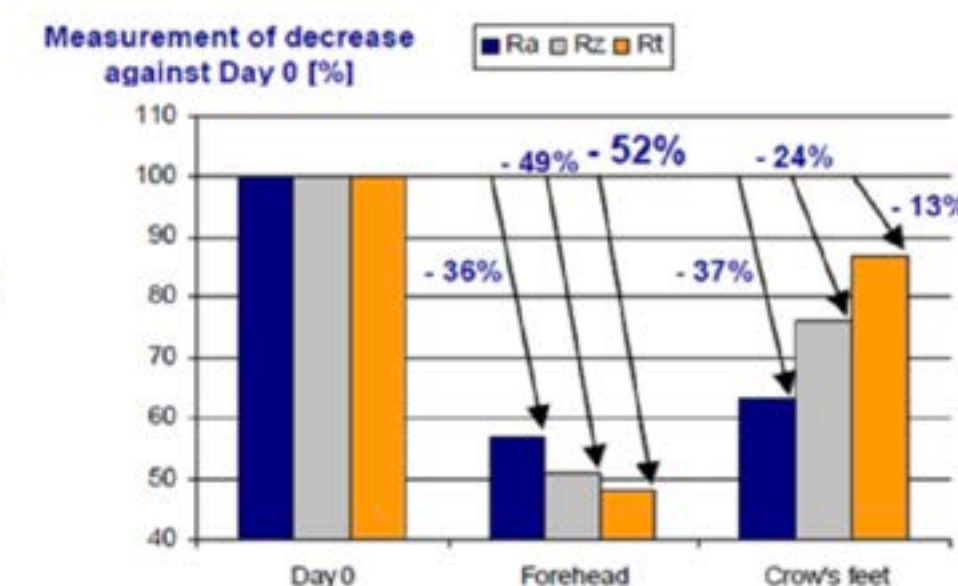

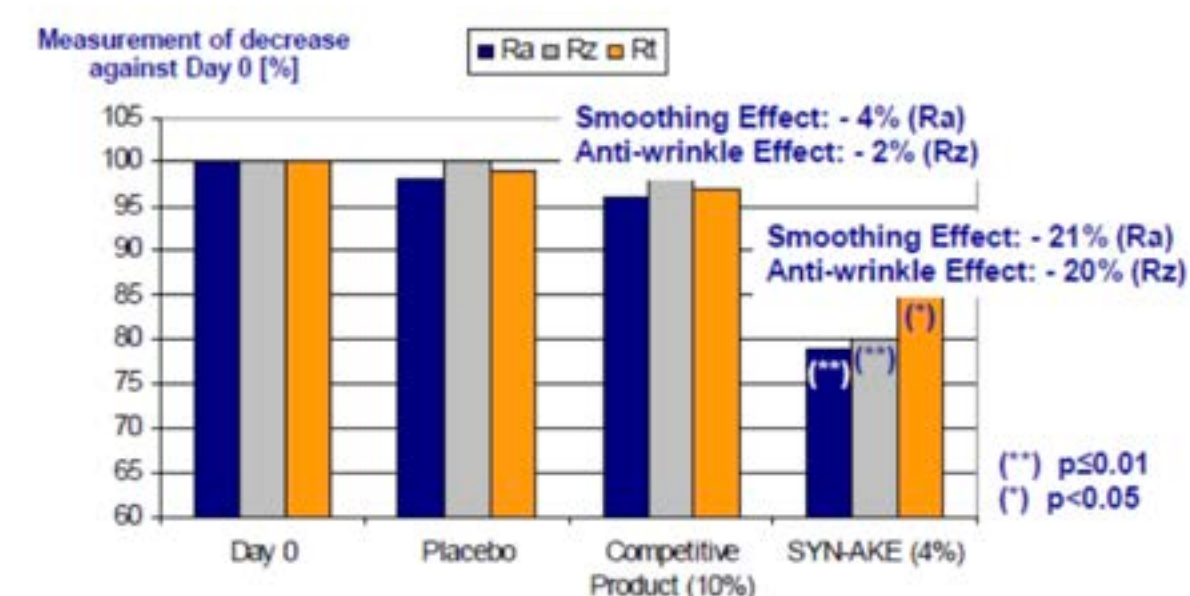

Ra

: Skin roughness

Rt

Rz

: Wrinkles

Bright skin with Niacinamide & Bisabolol

Niacinamide 2% + Bisabolol 6,000ppm

Includes whitening functional ingredients such as **Niacinamide**, a skin-brightening component recognized by the Ministry of Food and Drug Safety (Republic of Korea), and **Bisabolol**. Bisabolol not only reduces dead skin cells but also soothes dry skin, contributing to a clear and radiant skin texture.

The foundation of wrinkle care: Deep Hydration

Sodium Hyaluronate 5,000ppm + Panthenol + Ceramide 1,100ppm

The **Sodium Hyaluronate**, maximizes the antioxidant effect of idebenone while replenishing moisture, moisturizing and revitalizing dull and weak skin.

Panthenol and Ceramide, effective in skin barrier care, create a natural protective film on the skin, shielding it from various harmful environments.

SOFT CREAM TEXTURE

Soft Cream Texture with a high concentration of Idebenone beads (100,000 ppm)* that naturally dissolve

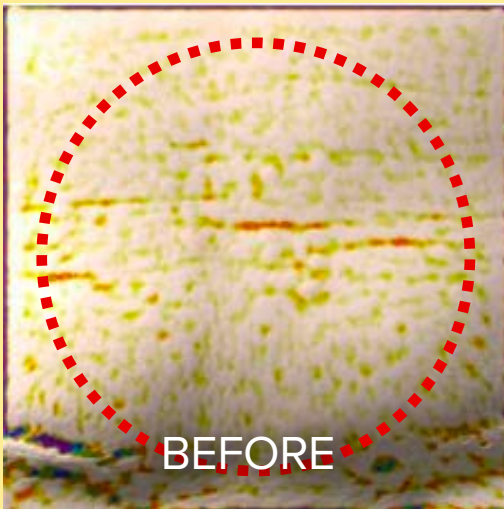

** Idebenone beads (100,000 ppm), designed to melt at body temperature, facilitating natural absorption into the skin during application.*

Total Elasticity Treatment Cream
An O’LABS’ unique technology IDEMEZ™ to enhance
The skin absorption of the best antioxidant ingredient,
IDEBENONE to help improve elasticity and skin aging

HOW TO USE

Take a small amount of the cream, usually a pea-sized amount, and place dots of it on various areas of your face where you want to target wrinkles.

***IDEBENONE** is a high-performance antioxidant ingredient, which may cause skin irritation.
Before using, apply a small amount behind your ear or on the inside of your arm and do a patch test.

INGREDIENT

Water, Glycerin, Hydrogenated Poly(C6-14 Olefin), Niacinamide, Macadamia Ternifolia Seed Oil, Methyl Trimethicone, Polyester-5, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Polyglyceryl-3 Methylglucose Distearate, C14-22 Alcohols, Glyceryl Stearate SE, Dimethyl Sulfone, Beeswax, Caprylic/Capric Triglyceride, Propylene Glycol Dicaprylate/Dicaprate, Centella Asiatica Extract, Glycol Stearate SE, Cetearyl Alcohol, Bisabolol, Dipropylene Glycol, 3-O-Ethyl Ascorbic Acid, Sodium Hyaluronate, Alpha-Arbutin, Simmondsia Chinensis (Jojoba) Seed Oil, Stearic Acid, Octyldodecanol, Hydrogenated Lecithin, C12-20 Alkyl Glucoside, Xanthan Gum, Hydroxyacetophenone, Ethylhexylglycerin, Caprylyl Glycol, Arginine, 1,2-Hexanediol, Butylene Glycol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Allantoin, Panthenol, Hydroxydecyl Ubiquinone, Hydrolyzed Collagen, Anthemis Nobilis Flower Extract, Propolis Extract, Dipotassium Glycyrrhizate, Adenosine, Echium Plantagineum Seed Oil, Disodium EDTA, Dipeptide Diaminobutyroyl Benzylamide Diacetate, Helianthus Annuus (Sunflower) Seed Oil Unsaponifiables, Ceramide NP, Cardiospermum Halicacabum Flower/Leaf/Vine Extract, Copper Tripeptide-1, Polygonum Cuspidatum Root Extract, Baicalensis Root Extract, Palmitoyl Pentapeptide-4, Camellia Sinensis Leaf Extract, Tocopherol, Rosmarinus Officinalis (Rosemary) Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Cynanchum Atratum Extract

TROUBLE CARE DUO

The Intensive Acne Day & Night Acne Care Solution

It based on O'LABS' S-20 Stevia extract
and contains effective Acne synergy ingredients
to make acne-prone skin Clear and Clean

“ Stevia—how much do you really know about it?”

Within herbal substances, stevia stands out for its potent antioxidant effects. It contains various polyphenol compounds, including potassium, stevioside, catechin, vitamin A, and vitamin E.

✔ **Catechin content, 20 times** that of green tea!

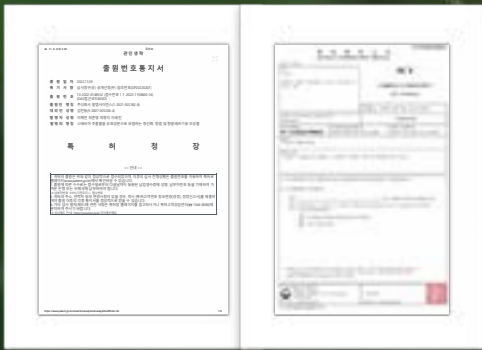

Catechin, an antioxidant found in green tea, Stevia boasts a content of over 20 times that of green tea.

As a result of evaluating the efficacy of raw materials,

- 1 Antioxidant
- 2 Anti-allergic
- 3 Anti-inflammatory effects were confirmed.

Finally,

The researchers at O'LABS have developed the optimal extraction conditions to maximize the beneficial components of stevia. O'LABS' stevia extract helps regulate sebum and supports atopic skin care. By continuously exploring the potential of nature, we deliver a skincare experience on a whole new level.

✔ **COSMETIC RAW MATERIAL PATENT**

[NO. 10-2022-0148552]
[NO. PCT/KR2023/008]

Composition for Antioxidant, Anti-Inflammatory, and Anti-Allergic, containing Stevia Extract.

☀️ DAILY CARE

Excess Sebum & Brightening Care
Intensive care for wide areas with whiteheads

BLEMISH CARE SERUM

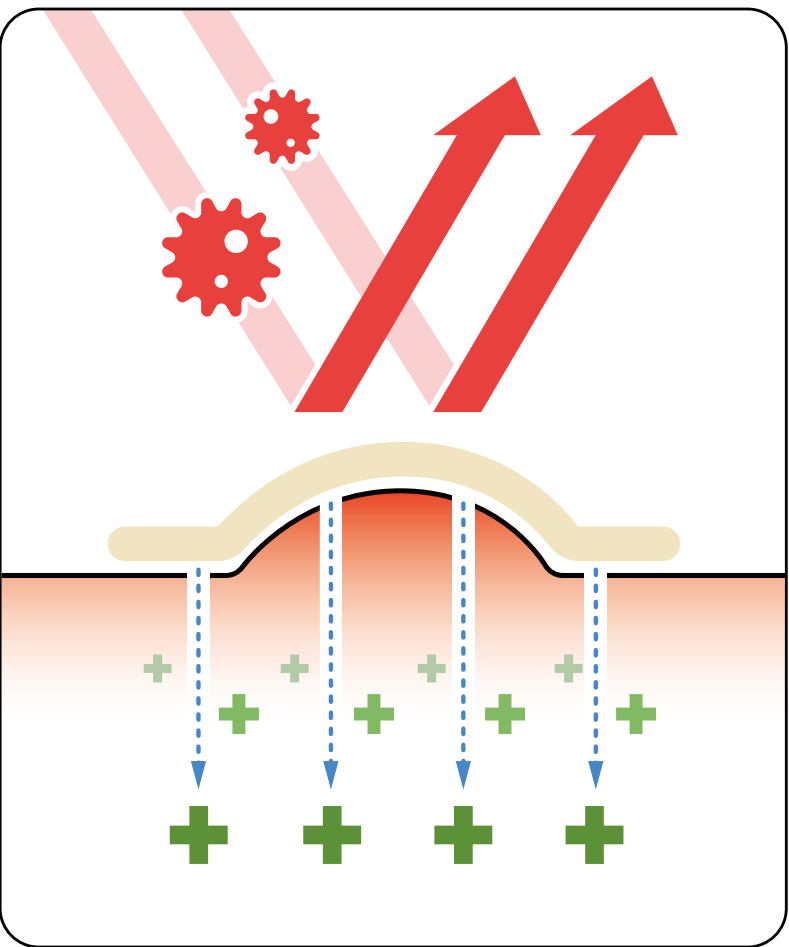

- ✔ It can be used both in the morning and in the night skincare.
- ✔ After using a toner, spread it evenly along the skin texture.
- ✔ You can also apply the area where you have skin concerns

🌙 NIGHT CARE

Night time Acne Spot Care
Intensive care for inflamed acne and acne scars

SPECIAL FORMULATION - Sticker FIT

- ☠️ Acne-causing substances (bacteria, fine dust, etc.)
- 🟡 Formulation
- ➕ Active ingredient

SPOT CARE GEL

- ✔ It is recommended to use it the last step of the night skincare.
- ✔ Dap it one the specific areas of skin concerns not to large area.
- ✔ If you want immediate effect, wipe of f the thick skincare on troubled spots before using it

BLEMISH CARE SERUM

Daily Acne Serum

[Non-Comedogenic product]
[Whitening functional product]

30ml / 1.01 fl.oz

With S-20 Stevia™ and Acne Clearing ingredients
Remove unnecessary oil and brighten dark skin
Soft finish, **Acne-clearing** daily serum

Anti-inflammatory, Patented S-20 Stevia™

🌿 **Filled with 90% of S-20 Stevia extract™**
It provides meticulous soothing care with S-20 stevia extract extracted by O’LABS and deep sea water as base water.
Stevia extracted with our know-how was found to be effective in antioxidant, anti-inflammatory, and anti-allergic.
[Patent No. : 10-2022-0148552]

Clearing Synergy ingredients, good for oily skin

🔪 **Synergy of Zinc PCA + BHA + Tea Tree Oil**
Experience the powerful synergy of **Zinc PCA**, which helps inhibit excessive sebum production, **Salicylic acid**, **the key component of BHA** that aids in exfoliation, and **Tea tree oil**, which helps quickly calm breakouts.

Suitability test for acne skin

Skin brightness improvement test

- RECOMMEND FOR**
- Acne-prone & oily skin (clogged pores)
 - Red & Irritated skin
 - Dull and uneven skin

Brightening care with Niacinamide

✨ **Contains Niacinamide**
Blemish Care Serum contains Niacinamide, a skin whitening ingredient, to make clear and clean skin

Energy to relieve skin stress

🌱 **Vitamin C + Pea-derived peptide, Eternal P**
The key vitality ingredients, Vitamin C and plant-based peptide Eternal P, help stimulate collagen synthesis, aiding the recovery of skin damaged by acne.

Moist texture with a soft finish

A light and watery essence formulation that absorbs immediately as soon as it touches the skin, making the skin light and soft and smooth.

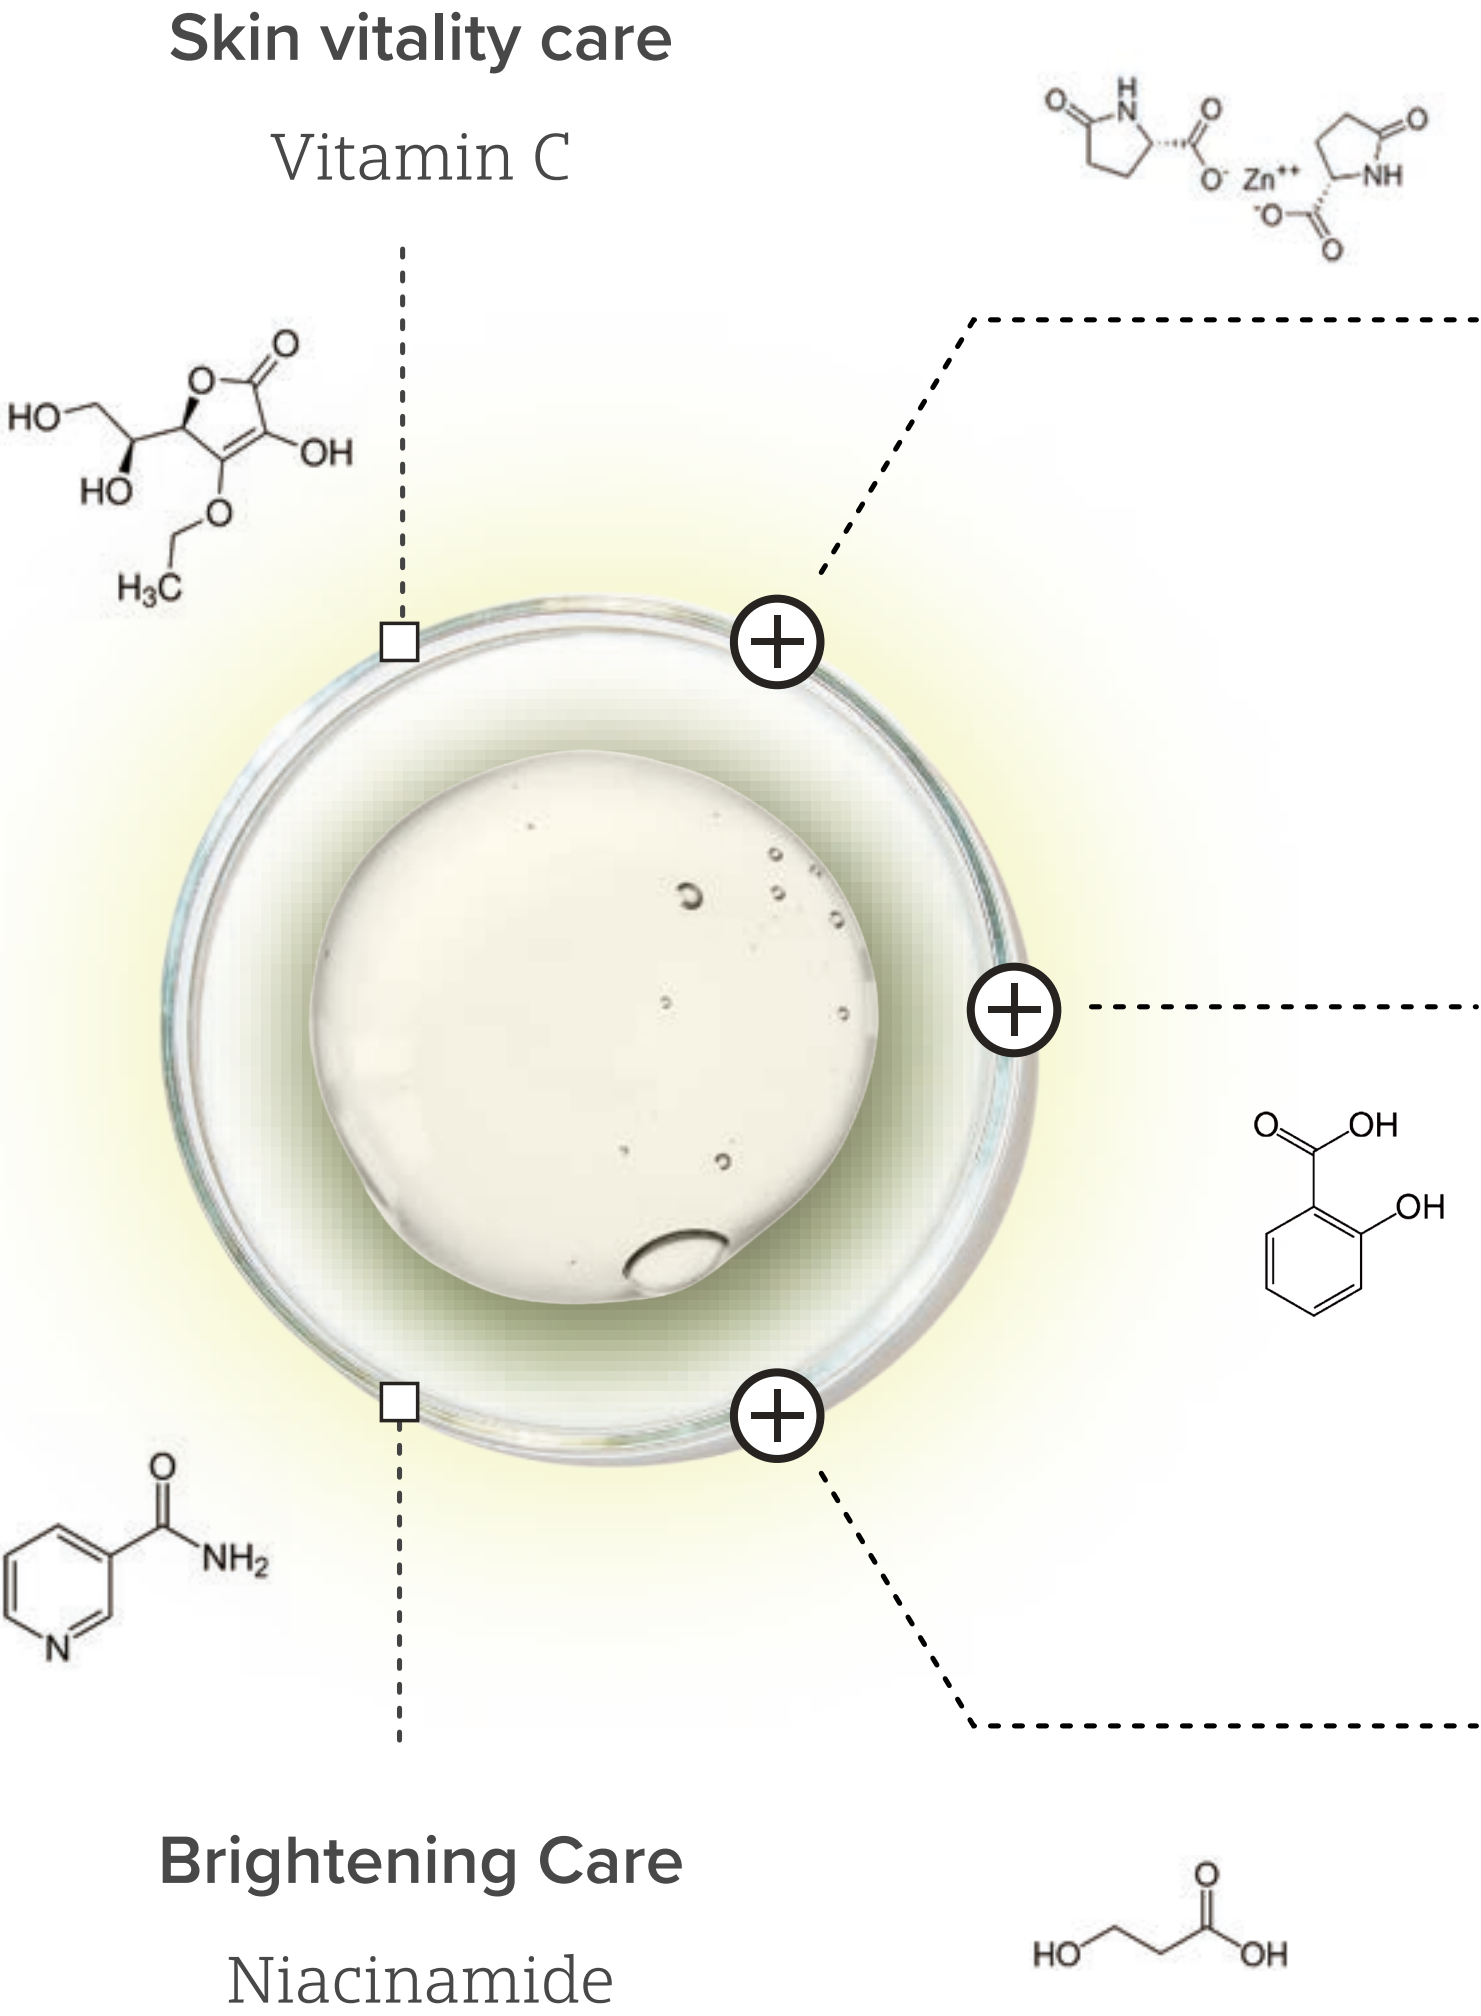

ACNE SYNERGY ON!

EXCESS SEBUM CONTROL
+ RAPID TROUBLE SOOTHING

The optimal synergy of ingredients for trouble-prone and oily skin care offers a solution that addresses the true causes of skin troubles.

Excess sebum OFF

Zinc PCA

It helps to control excessive sebum production, a major cause of breakouts, keeping the skin feeling fresh.

Clogged pores OFF

BHA (Salicylic Acid)

It removes sebum and dead skin cells that accumulate in the pores, opening clogged pores to help prevent breakouts.

Rapid trouble soothing

Tea Tree Oil

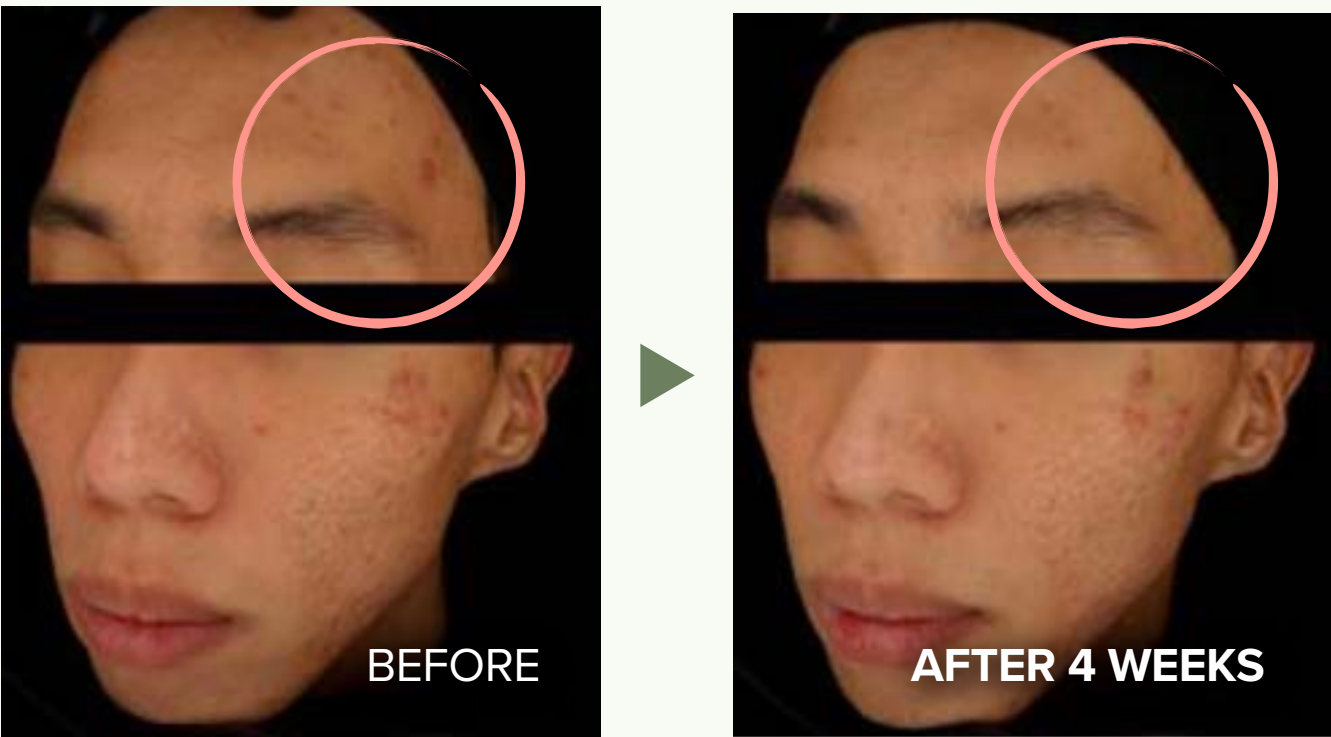

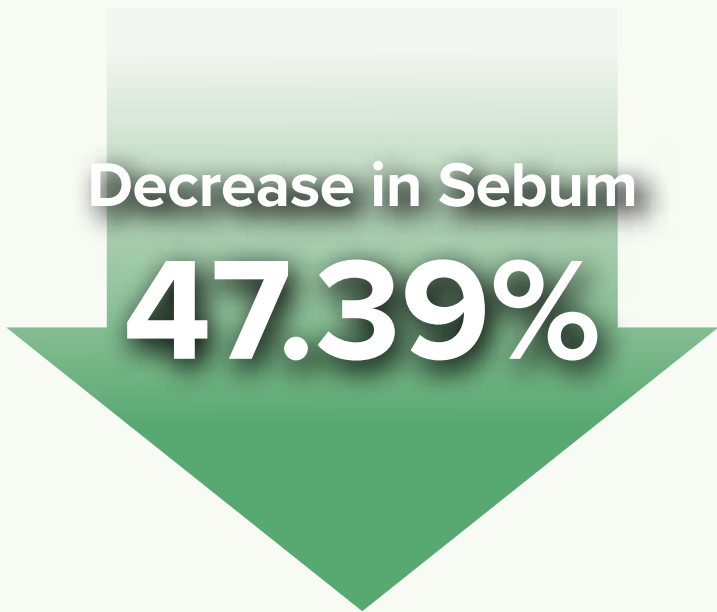

It aids in antibacterial action and rapid soothing of irritated, red, and inflamed areas of the skin affected by various types of trouble.

CLINICAL TEST

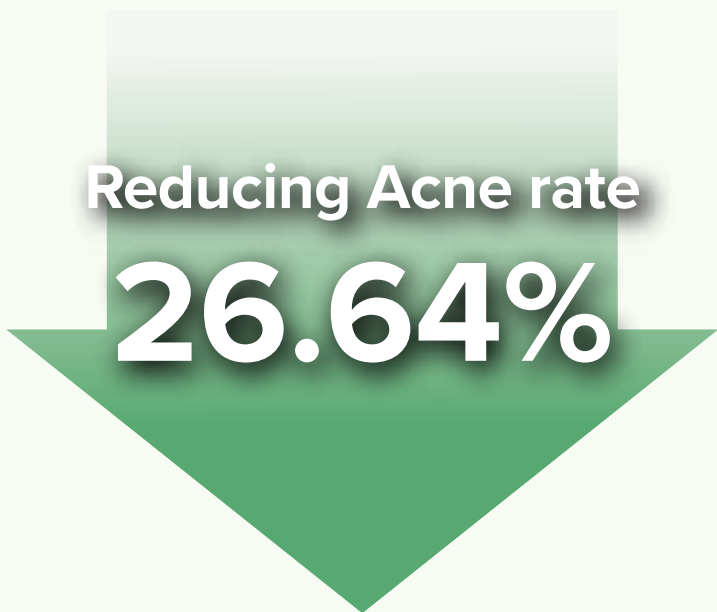

Suitability test for Acne-prone skin

Korea Institute of Dermatological Sciences / 21 adult men and women aged 20-35, with acne-prone skin / 2022. 8. 26 - 2022. 10. 20

With S-20 Stevia and Acne Clearing ingredients
Remove unnecessary oil and brighten dark skin
Soft finish, **Acne-clearing day serum**

HOW TO USE

After use toner, Let it be absorbed alongside the face line.
Apply on the area where trouble occurs

INGREDIENTS

Stevia Rebaudiana Extract, Sea Water, Glycerin, C12-14 Sec-Alketh-12, Hydroxyethylcellulose, Salicylic Acid, Dimethyl Sulfone, Niacinamide, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Butylene Glycol, Panthenol, Ethyl Ascorbyl Ether, Allantoin, Dipotassium Glycyrrhizate, Aloe Arborescens Leaf Extract, Centella Asiatica Extract, Retinyl Palmitate, Salvia Officinalis (Sage) Extract, Sophora Flavescens Root Extract, Propanediol, Argania Spinosa Kernel Oil, Sesamum Indicum (Sesame) Seed Oil, Helianthus Annuus (Sunflower) Seed Oil, Sophora Japonica Bud Extract, Soy Isoflavones, 1,2-Hexanediol, Asiatic Acid, Asiaticoside, Serenoa Serrulata Fruit Extract, Maltodextrin, Madecassic Acid, Madecassoside, Hydrolyzed Corn Protein, Hydrolyzed Soy Protein, Hydrolyzed Wheat Protein, Beta-Sitosterol, Tocopherol, Citrus Paradisi (Grapefruit) Peel Oil, Hydrolyzed Pea Protein, Phytosterols, Ethylhexylglycerin, Olea Europaea (Olive) Fruit Oil, Squalane, Lecithin, Glycine, Serine, Glutamic Acid, Copper Tripeptide-1, Aspartic Acid, Leucine, Butyrospermum Parkii (Shea) Butter, Ceramide NP, Alanine, Lysine, Arginine, Tyrosine, Phenylalanine, Proline, Threonine, Valine, Isoleucine, Histidine, Cysteine, Methionine, Palmitoyl Pentapeptide-4, Limonene

SPOT CARE GEL

Night Acne & Dark spot gel

[Non-Comedogenic product]
[Whitening functional product]

10ml / 0.33 fl.oz

With S-20 Stevia™ and Spot care ingredients
adheres closely to acne and dark spot
and improves effectively while sleeping.

Anti-inflammatory, Patented S-20 Stevia™

 **High-potency plant ingredient, stevia**
It provides meticulous soothing care with S-20 stevia extract extracted by O'LABS and deep sea water as base water.
Stevia extracted with our know-how was found to be effective in antioxidant, anti-inflammatory, and anti-allergic.

[Patent No. : 10-2022-0148552]

Acne Spot Care Synergy, Good for purulent acne

 **BHA& REGU®-SEB**
Salicylic Acid, the main ingredient of BHA, a clearing care ingredient that creates synergy with S-20 stevia extract water, and tea tree oil help control sebum secretion and prevent skin troubles caused by excessive sebum

Suitability test for acne skin

Relieving dark spot and pigmentation test

- RECOMMEND FOR**
- Acne-prone & oily skin (clogged pores)
 - Pigmentation trouble skin
 - Dull and uneven skin

Bright skin with Niacinamide

 **Contains Niacinamide**
It contains Niacinamide, a skin-whitening ingredient to help improve the mottled pigmentation.
* Completed relieving dark spots and pigmentation test

Strengthening the skin with vitamin

 **Vitaimin B12**
Vitamin B12, one of the complexes of water-soluble vitamin B. It boosts skin condition by energizing skin damaged by acne.

Night care _ Sticker FIT

Relieves red spots and dark spots delicately.
It protects the skin from external germs and acne-causing substances while sleeping.
