

The image features a dark grey circular area on the left side, which serves as a backdrop for the text. To the right of this circle is a large, multi-colored arc that transitions from purple at the top, through blue, green, yellow, and orange, to pink at the bottom. The text "urban look" is centered within the dark grey circle in a white, lowercase, sans-serif font.

urban look

Healthy cosmetics urban look

Lots of antioxidant remove active oxygen which cause skin aging

All products of urbanlook have been developed with natural ingredients such as blueberry, ginseng, pumpkin, broccoli, licorice, black bean, ginger, schisandraceae chinensis, and chrysanthemum as well as Aronia which nicknamed God's gift urbanlook makeup products are made by considering even skin care.

LipZZang

Long lasting vivid colors!

Attractive & Best Color Expression

01. Intense color Expression for Lip&Cheek

LIPZZANG expresses more luxuriously vivid color than stick type texture and last long time. If you apply different methods, you can use it on cheek as well as lips.

02. Thinly applied without stickiness

and lasts for a long time, without smudginess

03. A newly developed formula never seen before

A new type of powder that is wrapped around a water capsule turns into liquid when it comes into contact with the lips

Color Expression

As the powder turns into liquid, the color becomes clearer.

Lasting

It lasts long without being crushed or buried.

Multiusage

Can be used for lip color as well as Cheek color and Eye shadow
