2014 2Q	Establish SK Technology Co., Ltd

NEO SEMITECH
Solution For Particle & Haze

ABOUT NEO-SEMITECH

Semiconductor Equipment Manufacturing

IoT Based Smart Factory

1
- Sensor Interface
- Wireless Network
- Real-Time Monitoring System

Wafer FAB

2
- Particle Remove Module
- SMIF System
- Solution For Particle & Haze

PKG FAB

3
- EUV Cleaning System
- Total Ion Management System

IMPRESSION
Customer impression

NEO SEMITECH
Solution For Particle & Haze

1. Company Introduction

01

Business Model

02   **03**
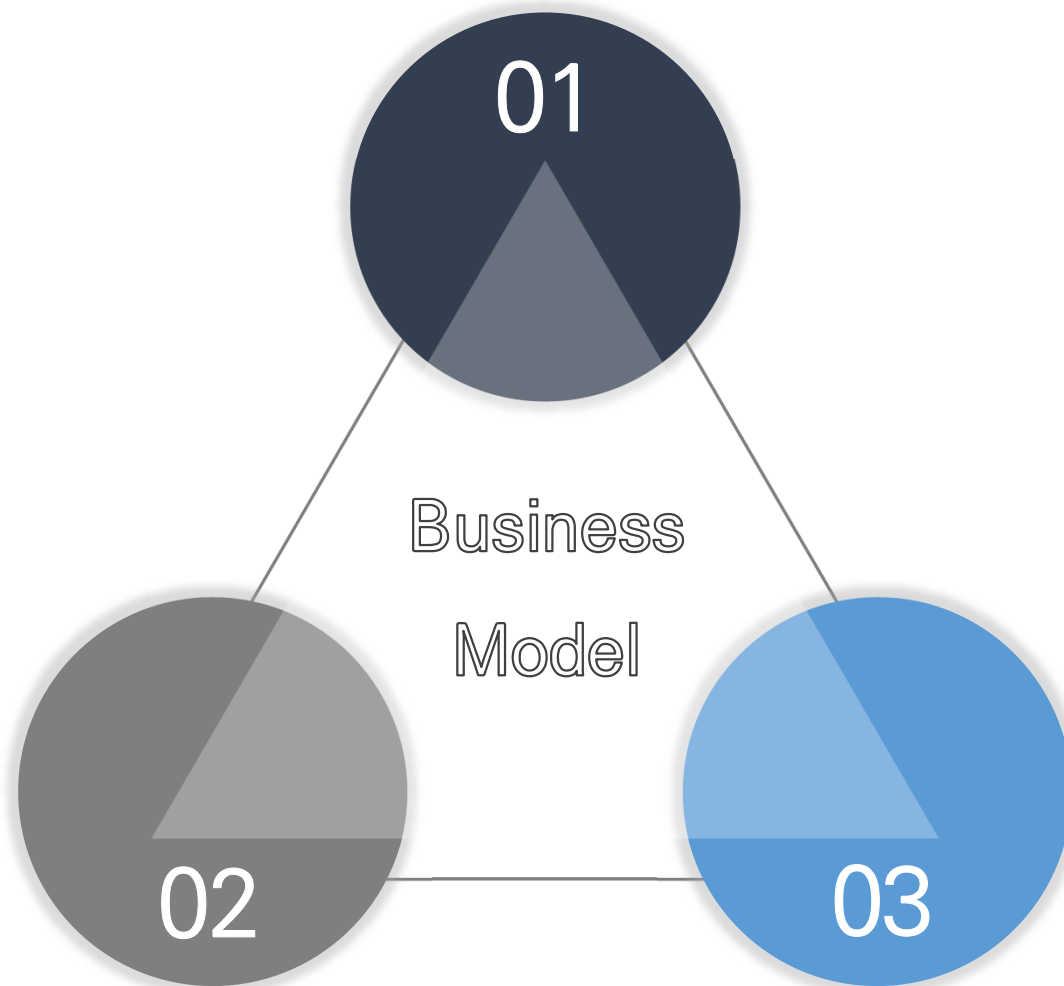

01 Customized products and services for our customers.

02 Reflection of trend of technology, market.
(Big data, Cloud server, ICT, IoT)

03 High quality & Low cost
(Available by Self-Researching)

NEO SEMITECH
Solution For Particle & Haze

NEO-SEMITECH Certifications

Patent registration : 18

Patent application ： 7

ISO 9001

ISO 14001
