Kompass API

Create a customised Kompas search platform with our API data search solution.

Search for companies & contacts with unlimited data searching & access to multiple search criteria.

KOMPASS

Your route to business worldwide

What makes us different?

Global - As a leading online B2B company data provider, the Kompass international network reaches across 70 countries and has more than 10k clients globally.

Quality - We have accurate & up-to-date information on over 20m B2B companies & 23m executive contacts. Our data, which includes detailed company & product information as well as contact email addresses, is available in 26 languages.

Collected locally from source through dedicated data integrity teams on the ground in each country, all of our lists meet compliance regulations in each region.

Expertise - We use our local knowledge and expertise to ensure we collect the depth and quality of business information customers associate with the Kompass brand.

Innovation - Our uniquely detailed 55k product/service classifications, along with 60+ search criteria, will help you target your sales & marketing campaigns more accurately by both market & sector.

Find new opportunities & win more customers with the **Kompass Sales Accelerator**, our innovative add-on for Kompass EasyBusiness. Integrating live Big Data from over 200k media sources (web, social networks & blogs) giving you access to company organigram charts, news & job alerts.

Support - Our locally based support teams are available to help with any advice or questions you may have on getting the best from any of the Kompass Business Data Solutions.
