COMPANY INTRODUCTION

'Pharmanuco' is a company that manufactures and distributes health foods, functional cosmetics and sports care products. It has been developing and marketing brands that suit the needs and trends of consumers since its establishment in 2000. 'PHARMA' symbolizes pharmaceuticals, 'NU' represents nutritious foods, and 'CO' represents cosmetics to symbolize the direction in which Pharmanuco is aiming for.

'Pharmanuco' has been establishing marketing strategies that suit each brand and is leading the market through various sales channels, both online and offline. 'Pharmanuco' intends to take a bold step further into the global market based on this expertise. 'Pharmanuco' has specialized in branding and marketing unique items with our strong sales network through on-line and off-line market. The annual sales volume has been over 2 million USD in 20015 and we expect more in the future.
