Get dressed up with natural fragrance in your life

# MISSPLUS

---

All of MISSPLUS' products are handmade and packaged at Cheong-Ju in Korea.

We pride ourselves on the lovely atmosphere within the factory that is  
made up of teams of dedicated staff within each department.

Soap production, diffuser filling,  
aroma candle pouring and bath melts are all formulated with care  
and precision by a highly trained and skillful workforce.

# PINGPONG PANG

## PINGPONGPANG

**How to use.** Put the product into a bathtub filled with water. It will dissolve by generating sparkling bubbles, and the figure slowly emerges. Have a pleasant bath with this fascinating figure. Then, just rinse with water. You don't need to use soap or any other products.

- Choice of Laphy, Rora
- Container size : 75mm\*75mm\*75mm
- Volume : 120g
- A fascinating figure in the bath ball
- MOQ : 1000
- OEM MOQ : 2000

# MISSPLUS CLOUD BATH TIME

## CLOUD BATH TIME-S

**How to use.** Open the product and pour into a bathtub. Then, turn on the shower. If you add the product after filling the tub with water, bubbles will not form. As water pressure/temperature increases, bubbles become richer. If the water is stirred with hand, they become even denser, ensuring a rich bubble bath. Wash in the bubble bath and then rinse off bubbles when finished.

- Choice of Lavender, Eucalyptus, Phytocide, Grapefruit, Rose, Basic
- Container size : 105mm x 70mm x 85mm
- Volume : 50g x 5
- Natural Bubbles + Fun + Cleansing + Moisturizing
- MOQ : 1000
- OEM MOQ : 2000

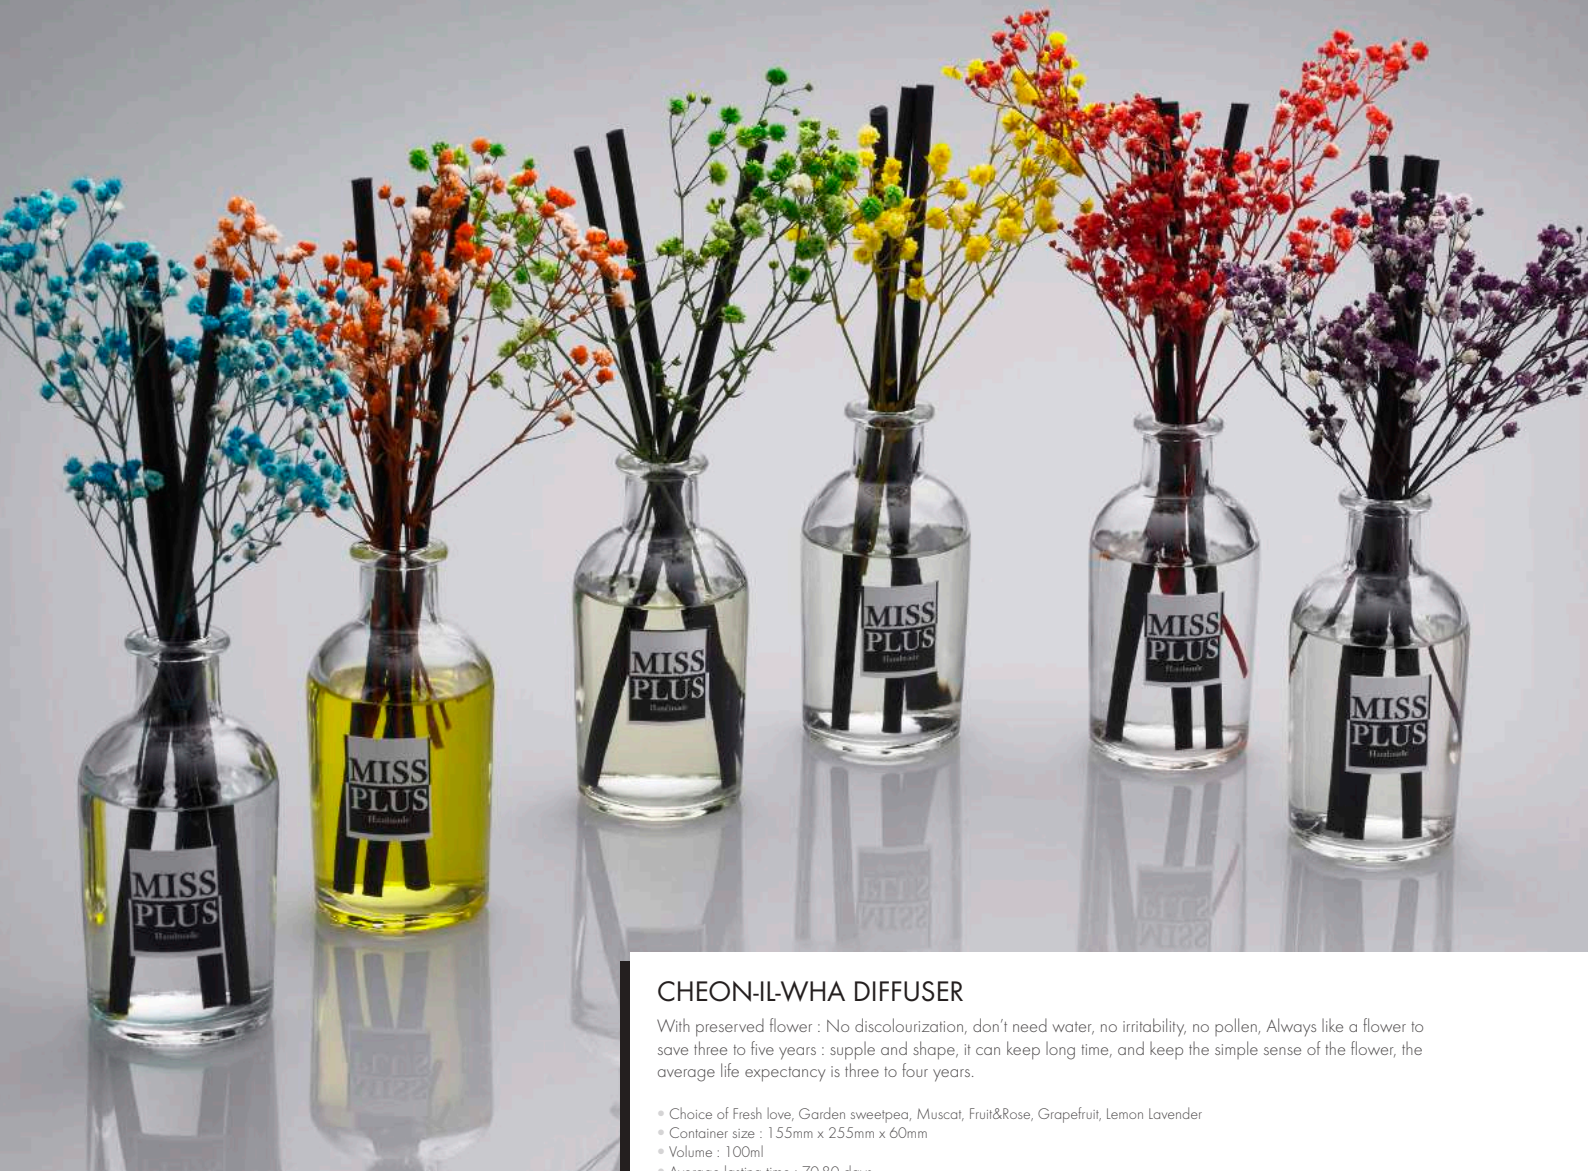

## CLOUD BATH TIME-L

**How to use.** Open the product and pour into a bathtub. Then, turn on the shower. If you add the product after filling the tub with water, bubbles will not form.
