## KEY FACTS

**Business Activity:** Manufacturer of rubber profiles and hoses via extrusion.

**Rubber compounds used:** EPDM, NBR, CR, EPDM PEROXIDE, SILICONE & Others.

**Machinery:** 4 extrusion lines (3 by Hot air & 1 by Salt Bath)

**Products:** Over 4.000 references for gaskets and profiles & Over 20.000 references for hoses.

**Location:** Lliça de Vall (Barcelona, SPAIN).

**Industry experience:** Established in 1.971

**Main applications / Industries:** Construction, Automotive, Aerospace and Naval Industries, among others.

**Facilities' extension:** 3.500 sqm.

**Quality Certificates:** ISO 9001-2008 and ACS (Sanitary Conformity Certification).

# MANUFACTURING PROCESSES

## VULCANIZATION BY HOT AIR

Highly efficient and versatile system suitable for manufacturing all kinds of geometric forms and finishes.

## VULCANIZATION BY SALT BATH

Specific production system to manufacture peroxide hoses and profiles under highly demanding health and/or mechanical specifications.

Complying with ACS standards and certified by ACS.

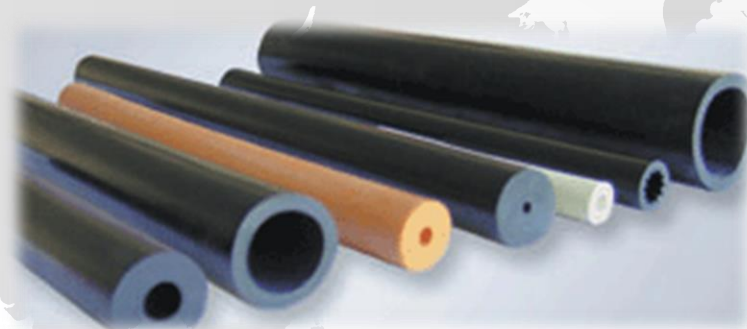

# RANGE OF PRODUCTS (1)

## HOSES / TUBES

Extruded hoses with the particular materials, dimensions and features requested by the market; including those highly accurate ones from the Automotive Industry.

## PROFILES

Adapted to specific / custom designs and to the most relevant commercial series of aluminum metalwork, sealings, isolation systems and general components within the Construction Industry.

## RANGE OF PRODUCTS (2)

### **FOAM / SPONGE**

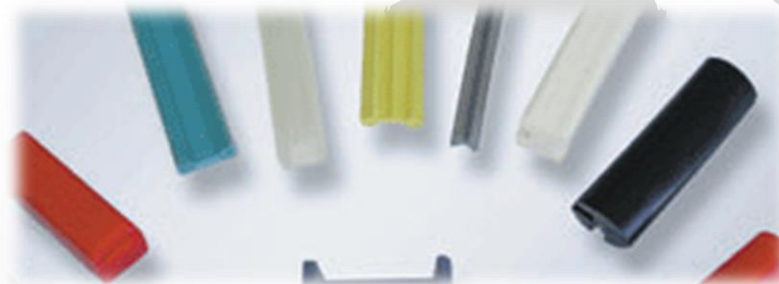

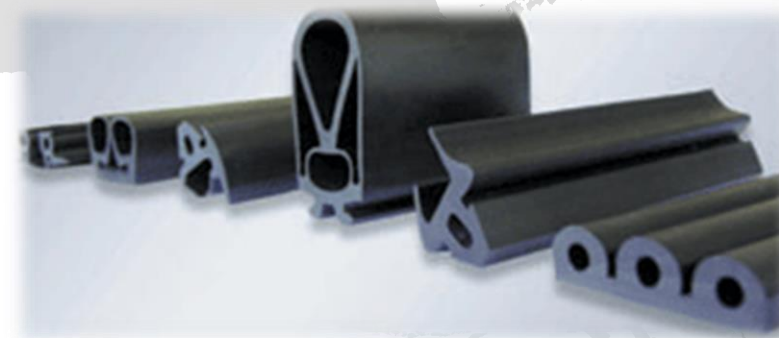

Profiles and hoses extruded at different degrees of porosity, density and Surface finishing.

### **VARIOUS PROFILES**

Products addressed to specific industries: auxiliary, automotive, aeronautics, and more, including sectors related to the use and distribution of elastomers.

### **SPECIAL PRODUCTS**

Multipurpose articles or special rubber compounds as well as other kinds of materials such as epichlor-hydrin, NBRH, Fluor elastomer, etc.

# STRONG COMMITMENT TO DELIVERING HIGH QUALITY

Our Quality Certificates:

***WE ARE EXPERTS IN RUBBER, TRUSTWORTHY EXTRUDERS***

At **Roberto Castillon S.A.** we pride ourselves for being a **solid and reliable partner** to our clients.

Our **commitment with quality** is proven not only by the most demanded International Certificates such as ISO 9001-2008 or ACS; but for the **long trajectory** of our business.

Located in **Barcelona (Spain)**, our logistics can benefit from a privileged geographical situation. (Port and Airport of Barcelona are important European Hubs).

As a medium-size company, **we are flexible, adaptable and fast.** It is a great strength that allow us to produce optimal order quantities for our clients. **Our client's costs matter.**

Always seeking to establish **new partnerships** and to exploit business opportunities worldwide.

Thank you for your time. **Keep making your decisions wisely: Trust our experience**, we will prove ourselves consistently.

***We are experts in rubber, trustworthy extruders.***
