

DK Wall-mount Air Purifier

Major SPEC

Model	DAP-2299****	
Spec	Coverage (m ²)	119.4m ²
	Energy Efficiency Rating	Grade 3
	Deodorization Efficiency (%)	90% ↑
	CADR	15.5m ² / min
	Noise (dB)	51.8dB
Size (W*D*H)	960mm * 274mm * 480mm	
Weight	18.7kg (Product 13kg / Package 5.7kg)	
Filter Set	Pre Filter, Integrated Filter, Photo catalytic Filter x 2SET	
Operation	Operated by	Touch Panel / Remote Control
	Fan Speed	5 Stage (Sleep / 1~4Stage)
	Mode	Auto / Quiet / Class
	Timer	On / Off
	Indicator (Display)	4 Colors (Red / Yellow / Green / Blue)
	Additional Function	Temperature / Humidity / Filter Replacement Indicator
Certification	KC, CA	

Filter

Pre Filter	<ul style="list-style-type: none">I. First line of defense against large dust or particle, hair, hair of pet.II. Protect & Increase "Integrated Filter"III. Washable fine mesh filterIV. Need to be cleaned every 2~4 weeks
Integrated Filter	<ul style="list-style-type: none">I. HEPA Filter + Deodorization FilterII. Eliminate the odors against VOCs and household odors from cooking pets, and smoking.III. Captures airborne allergens pollen, mold spores, dust, pet dander, microbes, and smoke.IV. Filter replacement cycle is Every year (Base on 6hr / Day)V. The cycle may depending on the operating environment.
Photocatalytic Filter	<ul style="list-style-type: none">I. Offers pleasant daily environmentII. Prevent germ proliferation & Remove VOC, toxic odorIII. Semi Permanent Filter
Price	<p><u>USD \$65</u></p> <p>※ Price is negotiable</p>
