CHEMCO PLASTIC INDUSTRIES PVT. LTD.

MUMBAI | VADODARA | SILVASSA | DAMAN | U.A.E. | BAHRAIN | HALOL

The **Chemco Group** laid its foundation in 1980. Quality has remained the backbone of the company. Due to faith and belief in excellence, Chemco today supplies to various quality conscious, big name brands, that know if a superior product is desired – Chemco is the only way to go.

The Founder, Promoter and Chief Managing Director of the **Chemco Group of Companies, Shri Ramawatar Saraogi**, has a M.S. in Plastic Engineering, U.S.A. He holds quite a few patents in his name. His vision and technical expertise has made the group a pioneer in many products. His two sons, Mr. Gaurav Ram Saraogi and Mr. Vaibhav Ram Saraogi, have also joined the business after completing their education from U.S.A, they bring a fresh approach to the operations of the group.

With various manufacturing facilities around the world, Chemco has over 150 machines including Husky, Krauss Maffei, Nissei ASB, Dr. Boy, Automa, Ferromatik Milacron, Fong Kee and Reifenhauer among others. Chemco's customers always remain one step ahead of their competition. The group celebrates market leadership in various products along with a strong global presence.

Chemco is the only company that can provide its customers with an entire range of high quality preforms. World class manufacturing facilities with strict quality standards ensure that preforms manufactured are of the highest quality standards and conform to all industry requirements. Using only the latest machines and moulds, Chemco is able to provide better efficiency and quality compared to alternatives and remains the go-to supplier for medium and large scale customers.
