Dongguan Qianluo Garment Co., LTD

公司简介 / Company Introduction

Dongguan Qianluo Garment Co., Ltd. was established in August 2014. On the 22nd of the month, our factory is located in Luwu Industrial Zone, Chashan Town, Dongguan City, Guangdong Province. We are a professional manufacturer of bras, yoga clothes, sports underwear, and swimwear. The factory has advanced production equipment and technology, as well as a professional design and production team, which can provide customized design solutions and production services according to customer needs and market demands. The factory mainly produces various styles of sports underwear, including yoga sports underwear, running sports underwear, fitness sports underwear, etc. The materials are mainly characterized by breathability, sweat absorption, quick drying, and good elasticity, suitable for various types of sports. At the same time, we also produce various styles of swimsuits, including swimming swimsuits, beach swimsuits, etc. The materials are mainly lightweight, comfortable, and have good water resistance, which are suitable for various swimming and beach activities.
