# I'm Fine Cleansing Milk

## - Micro Skin Soothing Recipe 'O'tanic' Presented by the Mother Nature -

Time to wipe away the Skin Fatigue with Power of Apricot and Nature.

**'I'm Fine Cleansing Milk'** for Me Living Today !!

### Product

- Effective cleansing while minimizing skin irritation by utilizing cleaning power of the cleansing oil and freshness of the cleansing water.
- Multi-cleansing lotion-type product that thoroughly cleanses and conveniently rinse it with water!
- You can wash your face more smoothly and thoroughly by using the sponge provided with the set!

### How to use

1. Cleanse the point make-up first with a specialized cleansing product. Apply the product to dry face except the eye area, and gently scrub makeup residue and dead skin cell.
2. Place some water to your hands and massage again gently. After emulsifying, rinse with lukewarm water.
3. If you use the 'O'tanic Foam Cleanser' for second cleansing, you can enjoy even fresher finish.

**TIP /** You can enjoy clearer feeling, if you put plenty of water in the provided sponge and gently cleanse the emulsified residue. ( If you have the sensitive skin, use the sponge only 2-3 times a week.)

## - Micro Skin Soothing Recipe 'O'tanic' Presented by the Mother Nature -

Time to Finish Freshly with Power of Apricot and Nature.

**'Flower Cloud Foam Cleanser'** for Me Living Today !!

### Product

- Moisturizing product without dryness after use by adding various natural ingredients such as licorice extract superb in skin soothing and moisturizing, portulaca oleracea extract and red grape extract!
- A good cleansing foam that considers the skin including the sensitive skin by carefully selecting only the mildest natural surfactants!
- The silicone brush is included in the container, so it can be used for areas that require thorough cleansing, such as T zones or snots, where keratin is mainly accumulated!

### How to use

1. Pump appropriate amount to the skin cleaned with cleansing oil or milk and massage gently.
2. Gently roll the brush on the T zone where sebum or waste is accumulated to remove the waste, apply foam to your hands and wash the remaining parts gently with your hands.
3. After washing your face, rinse the brush thoroughly with running water and dry it.

**TIP /** If you have the highly sensitive skin, use the sponge only 2-3 times a week.

Time to Soothe Irritated Skin with Power of Apricot and Nature.

**'Daily Multi Shaking Toner'** for Me Living Today !

## Product

- NO irritating chemicals, toner with 0% purified water!
  - Contains high quality natural ingredients that sooth, moisturize and revitalize irritated skin such as the apricot water, calamine powder, aloe vera leaf juice and calendula extract.
  - Multi-toner that can be used for both watery toner and bubble toner!
- ( NO chemicals have been added to generate artificial foam. )

## How to use

1. After cleansing, shake the toner up and down to mix the calamine powder and apply proper amount to a cotton pad, Gently wipe along the skin texture.
2. Pat the remaining amount for better absorption.
3. Take some into the bubble container provided together and use it as a firm foam type to increase absorption and skin moisturizing power.

**TIP /** It is even better to leave the cotton pads moistened with refrigerated toner for 5 minutes on irritated or dry area before makeup.
