

AROMAVILLE

AROMAVILLE COFFEE CO.,LTD. has been established in 2001 and small-medium company to produce coffee and its related products. Our company has a good reputation of quality of brewed coffee made through in-house coffee bean roasting facility.

We're trying to continuously maintain quality by acquiring Certification such as HACCP and ISO22000. As a result of these great efforts, we're successful to supply our product to large supermarket such as E-mart and Lottemart and OEM brands to leading companies in domestic and export to China market.

With confidence and for sustainable growth, we'll make utmost efforts to expand not only domestic but overseas market to enjoy our company coffee products globally.
