About

Mutlu Metal is manufacturer of stainless steel and bakelite handles for stainless steel, enamel and aluminium cookware. Mutlu is specialized in cookware sector over 30 years.

We produce handle for stainless steel, enameled and aluminium pot, casserole, pressure cooker, fry pan, milk pot, coffee and tea pot, semover and heater for many leading companies in cookware sector.

85% of our production is exported to mainly Europe, to biggest companies in Germany, USA and Middle East. Besides abroad customers, we cooperate with many professional local companies in Türkiye as well.

Mutlu Metal has been integrated our well known brand with quality and leading the sector. We have ISO 9000 Quality Management Certificate.

Mutlu factory has 5.000 square meters closed and 3.650 square meters open are in İzmir, Yazibasi.

Production Capacity

- Stainless Steel Products: 400 Tons / Year
- Bakelite and Plastic Products: 500 Tons / Year

History

- Mutlu Metals A.Ş. came into the sector in 1980 with hinges for furnishings and agricultural equipments.
- In 1982 it began manufacturing molds for different sectors. Mutlu became involved in the kitchen industry in 1984 by producing a mold for pot handles.
- In 1990 it moved to a 1700 m2 closed production area in İzmir Kısık Industrial Site.
- In 1993 it went from becoming an individually owned company to a corporation and became Mutlu Kalıpcılık ve Metal San. Tic. A.Ş.
- It exported for the first time in 1997.
- After becoming an import export company in 1998 Mutlu became Mutlu Kalıpcılık İç Dış Ticaret ve Turizm Ltd. Şti.
- In 2001 Mutlu brand was patented by the Turkish Patent Institute.
- Mutlu's understanding of customer satisfaction gained them the ISO 9001 Quality Certificate in 2004.
- In 2004 it began to institutionalize.
- In 2005 it registered its products with the industrial conception registry.
- In 2006 it moved forward in the stainless steel accessories production for the marine and yacht sector.
- In the last quarter of 2007 it moved its production line and management building to a 5000 m2 - closed area and 3650 m2 open area in Torbalı İzmir. As a result its production was increased by 30%.
- In the last quarter of 2007 the title Mutlu Kalıpcılık ve Metal San. Tic. A.Ş. became Mutlu Metal San. ve Tic. A.Ş.

Vision

Our main goal is to be successful in every field we attempt to do business in.

To be recognized by the leading companies in the world.

To develop at the speed of technology.

To be able to provide customers with quality products above their expectations.

To keep employees and customers happy by giving them the respect they deserve.

To be a company that is beneficial to its country as well as society as a whole.

Mission Statement

To provide our customers with quality products at reasonable prices and to ship those products out to them at top speed.

To develop profitably and constantly and to increase quality of life for all who are involved with us.
