OUR COMPANY

The company LIDO Light Fixture Manufacture Ltd established in 1970 as a manufacturer and trader of outdoor lighting fixtures. Today, 50 years after its foundation LIDO Light Fixture Manufacture Ltd is a leader in outdoor lighting in the domestic market and also internationally.

The optimal quality of construction, competitive prices, consistent delivery times and product strength, safety and variety have led the company to long and established cooperation and trust with the largest companies in the field of electrical material.

*Today the company presents **its new range of brass, plastic and aluminium products**. The new products include wall sconces, hanging fixtures, bulkheads and columns for hotels, houses, and municipal lighting, thus providing solutions to the lighting needs of both private and professional spaces.*

As a manufacturer, apart from the specific products included in the list, the company can manufacture special lighting fixtures, fully covering the needs and demands of its customers. The products of LIDO Light Fixture Manufacture Ltd are manufactured, checked and tested in compliance to the general standards of the European Union for lighting fittings EN 60598-1 and EN 60598-2-1 and are labelled C.E.

For the quality management system of its internal processes LIDO Light Fixture Manufacture Ltd has been certified according to ISO 9001:2008 by LABOR S.A.. In addition, the company LIDO Light Fixture Manufacture Ltd respecting the natural environment is co-producer with Fotokyklosis SA, a company that deals with lighting recycling.

The philosophy of LIDO Light Fixture Manufacture Ltd is to constantly develop its products and services aiming to keep its reputation as "a guarantee of the best quality, for the customer, of today and of the future".
