

e-future Graded Comic Readers

Magic Adventures

Age Elementary Level A1 / Starters-Movers

About

Magic Adventures is a fun-to-read set of comic readers offering key English learning skills. Readers will find themselves learning new vocabulary, experiencing important grammar structures in a natural context, and sharpening their reading skills all while having fun reading exciting stories. *Magic Adventures* introduces Jack, his sister Bella, their mysterious dog Ace, and a strange girl with a number of secrets named Olivia. Join them as they have exciting adventures in school, faraway lands, and around the world. *Magic Adventures* will prove that reading is fun.

Features

- Exciting stories with engaging comics
- Vivid illustrations of the characters and their expressions
- Useful expressions and new words
- Activities that strengthen the children's understudying of the stories and key words
- Audio CD with four different listening and speaking tracks
