Premium dietary supplement RAPHA PERI PINE PLUS

Containing pine needles distillate concentrated oil from
healthy pine trees effective for enhancing immunity and
improving blood circulation!

Let food by thy medicine and
medicine be thy food. (The oath of Hippocrates)

“Friendly pine trees protected the health of our ancestors.”

From old times, our ancestors used the entire part of pine trees including the needles, barks, pine cones, seeds, roots, pollen, pine mushrooms, and charcoal. Pine needle extract contains 130 vegetable natural functional components. Pine needle has beta-carotene which removes harmful active oxygen, rutin which stabilizes the blood pressure, terpene which inhibits the oxidization, and other various powerful antibacterial and sterilizing constituents.

Introduction and features

RAPHA PERI PINE PLUS is a health functional food that contains the pine distillate concentrated oil which is vegetable natural component from pine needles. pine distillate concentrated oil protects brain cells and cranial nerves, purifies the blood and vessels, dismantles the foreign substances in narrow or blocked vessels and facilitate the flow of blood. It also has functions of invigorating energy, enhancing immune system, creating cells and antioxidant effacement containing required nutrients.

Effects

RAPHA PERI PINE PLUS protects our cells from harmful oxygen in our body and helps forming, promotes normal growth and development of epithelial cells. Not only helping the eyes be accustomed to the sight in a dark place, but it also helps vision improvement. It forms skin and mucous membrane, and keeps the functions of skin.
