## | Founder's Greeting

## Promise to make

## A comfortable and beautiful world.

Threestar Co.,Ltd is a company that has been taking the road not taken for several years. During the trials of hardship and distress due to products not attempted by others, we were able to boldly present to the world with our numerous products with the support of our customer's unstinted encouragements and buyers' preferences; thus, we would like to bring together the pleasures of today and share them with our customers. From this time forward, we Threestar Co.,Ltd, with the self-conceit of the products that satisfy the needs of our customers, will strive to constantly research and develop idea products according to the changing trend of the times until the day we fulfill the needs of our customers.
