About Us

Originale Consilio

In this journey, which we started in 1994 as Oruç Kemer, we are continuing our path with 8 different brands within our company today. Our company, which continues its supply service to chain stores in the domestic market without any interruption, also finds its own place mainly in the Eastern Europe, Central and Western Europe, Middle East and various Asian countries with the name of F.lli Bartoli and Hattat. Our company, which evaluates today's conditions and does not compromise on the modern and stylish line, is expanding its product range every day with the integrated work of our high-tech and experienced team-mates.

Our Production

Originale Consilio

Our production staff which is specialized at crafting classic and suit belts are designing new and modern creations to the chain brands of Turkey everyday. In order to meet the demands of our customers and to work with them in a healthier way, our company receives our material supply from expert suppliers. We care our nature so we only use ecological materials to produce and also we get materials from the certificated suppliers(Certificates we want from our suppliers; LWG and OEKOTEX) F.lli Bartoli and Hattat offers imported leather and materials to the customers of our brands. Our friends who are in our design team work in partnership with the design teams of our partner companies abroad and make our company more and more intertwined with fashion every day.
