

TEAZEN

TEAZEN

TEAZEN is a professional tea company that started with the mission of providing "a healthy life and a happy relaxation through tea."

(株)TEAZEN是一家以提供“顾客的健康生活和幸福的悠闲”为宗旨成立的茶专业公司。

"PASSION FOR GOOD TEA" is core value of TEAZEN. From the green tea directly cultivated from organic tea plantation in Haenam, Korea to the tea from famous tea producers in India, Sri Lanka, Argentina and Europe, we source diverse tea ingredients all over the world. More than 300 kinds of tea raw materials including green tea, black tea, herbal tea and blended tea are further processed in different shapes and package. We strictly manage food safety and product quality. Also, we develop customized recipes tailored to customer's needs and market trend.

“追求好茶的热情”既是TEAZEN的标语，又是TEAZEN的核心价值。TEAZEN供应绿茶、红茶、香草茶、拼配茶等300多种茶原料。采用全罗南道海南有机茶园中直接栽培的绿茶，以及与印度、斯里兰卡、阿根廷、欧洲等全世界著名茶制造企业签约后经过安全性验证的茶原料，采用位于龙仁和海南的自主生产设备，执行严格的质量管理。公司通过各种生产设备和严格的质量管理及安全性管理，提供可信赖的优秀原料。另外，还可以根据流行趋势和顾客需求，开发定制型配方，提供最符合顾客需求的原料。

Haenam Organic Tea Plantation

拥有天惠自然的直营海南有机茶园

TEAZEN raw materials are organically produced and safe.

TEAZEN原料为有机栽培，绿色安全。

Haenam Tea plantation grows its tea organically and eco-friendly, without using any pesticides. We regularly conduct chemical tests, heavy metal tests, and microbiological tests to provide only the safest raw materials. The raw materials that TEAZEN imports from all around the world are directly imported through contracts with the local tea plantation. They go through another re-selection process in the Haenam factory to secure the safety quality.

TEAZEN's raw materials are excellent in quality.

TEAZEN原料质量优秀。

The species produced in Haenam Tea Plantation are outstanding in taste, flavor, and color. Cultivated in a year-round warm natural environment with sea breeze, they are excellent in quality. Also, we have our own cold storage warehouse that allows for a year-round supply of fresh raw materials.

TEAZEN raw materials are produced with high-end tea producing facilities.

TEAZEN原料采用最新茶加工设备制成。

We have built an automation system from cultivation to production to create products of even quality. We hygienically produce high-quality raw materials with: green tea powder production machines that can produce the finest powder in the country, far-infrared roasters, pyramid bag packing machines, Color selectors, impurity sorters, and X-ray sorters.
